IRON MOUNTAIN VIDEO PRESENTATION 2
"In 1961, the Kennedy Administration ordered a top secret study to determine the problems facing the United States if the world moved from an era of war to a golden age of peace.

"By 1963, the selection of specialists had been made. The final study group consisted of 15 experts in various academic disciplines, selected for their expertise in their respective fields.

"Their first and last meetings were held at an underground nuclear survival retreat called Iron Mountain. This study was concluded in 1966.

"President Lyndon Johnson gave the order that the report was never to be released, due to the nature of the conclusions reached. One of the men involved in this study elected to release it to the public at great risk to himself, under the name of John Doe.

"It was published in 1967 by Dell Press. The establishment promptly renounced it as a hoax. It was no hoax. Iron Mountain is now hard to obtain, but many large libraries still have copies of it.

"This report looks deep into the soul of the..."
New World Order. Iron Mountain is the covert agenda to bring the world, and America, under the control of the United Nations. The conclusions reached are now being implemented upon the American people without their knowledge or consent, as this documentary will prove beyond all doubt.

"What you are about to see and hear is real. It is very disturbing, yet real. It is dangerous beyond belief, yet real. It is frightening, yet real. No person in America is safe because in spite of all the denials of authorities, it is. And these plans are now coming to pass.

"This report will show you how the 'Rich Men of the Earth' are now operating and why. You will now understand why America is changing into a fascist police state. You will understand why all federal law enforcement agencies will be soon merged into one federal police force, called the MJTF Police.

"There is no regard for ethics, morality, religion or life in this report. It is a look into the soul of Lucifer, the Antichrist, long foretold by Jesus Christ who, in his love for mankind, warned us 2000 years ago this was coming. It is now here."

* * * *
NARRATOR: Welcome to the report from Iron Mountain. This report is something you would never believe unless you read it, but you also have to understand the mindset of the government that requested it, and that is one of the most important features of this video.

The objective was to determine accurately and realistically the nature of the problems that would confront the United States if and when a condition of permanent peace should arrive.

This is one of the key elements of the report because we are to go under, under the Antichrist system, an era of supposed peace.

"ITS OBJECTIVE WAS TO DETERMINE, ACCURATELY AND REALISTICALLY, THE NATURE OF THE PROBLEMS THAT WOULD CONFRONT THE UNITED STATES."

NARRATOR: And this is what this whole program was about, if and when a condition of permanent peace should arise.

"IF AND WHEN A CONDITION OF PERMANENT PEACE SHOULD ARISE."

"PEACE = WORLD SOCIALISM."
NARRATOR: That means that peace in reality equals world socialism, as we will find out as we journey through this report.

"AND DRAFT A PROGRAM FOR DEALING WITH THIS CONTINGENCY."

NARRATOR: And they were to draft a program for dealing with this contingency. In other words, this was a planned situation.

"PROGRAM = AGENDA.

"HOW DO WE CONTROL THE PEOPLE OF AMERICA IF WE MOVE TO AN ERA OF PEACE?"

NARRATOR: The program equals the agenda. And how do we control the people of America if we move to an era of peace? And not only just America, but the whole world at large.

"THIS 'ERA OF PEACE' WAS PART OF THE AGENDA FOR EVENTUAL WORLD GOVERNMENT, UNDER THE UNITED NATIONS, LONG PLANNED BY THE ELITE.

"IRON MOUNTAIN WAS ORDERED IN 1961, THE SAME YEAR THAT THE UNITED STATES MADE MAJOR MOVES TOWARDS DISARMAMENT. THE KENNEDY ADMINISTRATION KNEW THAT THE UNITED STATES WOULD HAVE TO BE SUBMERGED UNDER THE UNITED NATIONS.

"HOW COULD THE AMERICAN PEOPLE BE CONVINCED TO GIVE UP THEIR CONSTITUTION AND BILL OF RIGHTS? HOW COULD THEY BE CONTROLLED, AND WHAT SHOULD THE GOVERNMENT EXPECT?"
NARRATOR: In 1961, Public Law 87-297 was passed paving the way for the United States to be merged with the United Nations. It was a very crucial law in that it disarms the American citizen in violation of the clear intent of The Constitution, which calls for our right to bear arms to maintain our free state.

And by the calling for the disarming of all Americans, of course we lose our free state and we are submerged actually into a slave state.

"PUBLIC LAW 87-297 VIOLATES THE CLEAR INTENT OF THE CONSTITUTION (OUR RIGHT TO BEAR ARMS) CALLING FOR THE DISARMING OF ALL AMERICANS."

NARRATOR: The disarming was to be done by a gradual disarmament. And as they were disarming, the United Nations would be built up with a powerful standing arm.

The evidence suggests a CFR/TC/Bilderberg connection, the Rich Men of the Earth, the Merchants of Babylon, the Killers of the Just, according to the Holy scriptures.

The report concerns itself with the globalist agenda, and the conclusions reached have been advanced by these groups.

Every one of the conclusions in the Iron Mountain report have been advanced by these groups,
committee of 300, the CFR/TC/Bilderbergers, Royal Institute For International Affairs, Tavistock, your Club of Rome, United Nations. It goes on and on.

"THESE HEARINGS TO PLACE THE UNITED STATES UNDER A WORLD GOVERNMENT WERE HELD IN 1950."

NARRATOR: Okay. It began back in 1950 actually. These hearings began to take place in the United States, and the calls for a world government were actually held in 1950.

Here's a resolution in Congress that was considered and called for testimony. And it says: To provide a true world government through the adoption of a world government constitution.

"TO PROVIDE A TRUE WORLD GOVERNMENT...THROUGH ADOPTION OF...A WORLD GOVERNMENT CONSTITUTION..."

NARRATOR: It was a clear intent to place the United States directly under the United Nations and to scrap our constitution.

The universal peace is the prerequisite for the pursuit of that goal. And from the competitive anarchy of national states that, therefore, the age of nations must end, and the era of humanity must begin.
"...THEREFORE, THE AGE OF NATIONS MUST END,
AND THE ERA OF HUMANITY BEGIN..."

NARRATOR: You'll find there's a constant call
for the merging of all humanity. Here's a resolution
adopted in the United Nations. This is what it says:
Regulation, limitation and balanced reduction of all
armed forces and all armaments.

"REGULATION, LIMITATION AND BALANCED REDUCTION
OF ALL ARMED FORCES AND ALL ARMAMENTS."

NARRATOR: The "all armaments" means your
weapons that you have in your closet for your own
defense. It includes handguns and rifles and all kinds
of things.

Here's your blueprint for world peace, which
was issued also in 1961, concurrently as this move
towards putting us under the United Nations.

You'll find that as the United States and
Russian military are to be reduced, the UN is
consistently brought up to a higher and higher position.
The only thing we are left with are internal security
forces.

Under the Freedom From War, this is a packet
issued by the federal government to go along with
87-297. This can only be achieved, the merging and
disarmament, through the progressive strengthening of
international institutions under the United Nations and
by creating a United Nations peace force.

"PEACE CAN ONLY BE ACHIEVED...PROGRESSIVE
STRENGTHENING OF INTERNATIONAL INSTITUTIONS UNDER THE
UNITED NATIONS."

NARRATOR: See, they want to progressively
strengthen the international institutions, all of which
come under the United Nations.

We are to lose our sovereignty. This can only
be achieved through the progressive strengthening.

"BY CREATING A UNITED NATIONS PEACE (POLICE)
FORCE TO ENFORCE THE PEACE."

NARRATOR: By creating a United Nations peace,
which really means police, force to enforce the peace.

This is what Daniel said:

"And by peace the Antichrist shall destroy
many. He shall also stand up against the Prince of
princes; but he shall be broken without hand.

"And it was given unto him to make war with
the saints, and to overcome them; and power was given
him over all kindreds, and tongues, and nations.

"And all that dwell upon the earth shall
worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world."

All right. Back to the government report.

The disbanding of all national armed forces and the prohibition of their re-establishment in any form whatsoever, other than those required to preserve internal order and for contributions to a United Nations peace force.

They are bringing the UN up to a point where no state would have the military power to challenge the progressively strengthened U.S. peace force. And all the international disputes would be settled according to the agreed principles of international conduct. That's exactly what the Bible says:

"It was given unto him to make war with the saints, and to overcome them; and power was given him over all kindreds, and tongues, and nations."

No one can make war with this final world entity. And if you will study your scriptures, you will find that the United Nations fulfills every parameter listed for the Antichrist system.

And Public Law 87-297 has been updated. There are numerous updates. If you go search them out, Public Law 101216, for example, has been updated. Here's
another one:

I have today signed H.R. 1495, the "Arms Control and Disarmament Amends Act of 1989." It authorizes the fiscal appropriations to get this underway.

Now, the problem with it is the Bill of Rights Amendment 2, the right to bear arms, a well-regulated militia being necessary for the security of a free state, the right of the people to keep and bear arms shall not be infringed.

In reality, you cannot infringe that right in any way, method or manner. The only way a people can remain free is to hold in their power the weapons necessary to secure their free state.

This amendment deals with the international security of the United States from its own government. In other words, this amendment was to secure the people's freedom from their own government, from an internal government takeover.

This right is not there so that you can go hunting or for the other excuses made. It is there to prevent the government of the United States from becoming a dictatorship by treason. In other words, by betrayal of the Constitution of the United States.

Now, in order to merge the United States into
the United Nations requires a total betrayal of the
constitution which guarantees you a free state through
the right to bear arms.

"THE UNITED NATIONS IS A COMMUNIST,
ILLUMINIST, MASONIC WORLD DICTATORSHIP WITH NO FREEDOMS,
HENCE THEY MUST GET THE GUNS TO ELIMINATE OUR FREE
STATE/NATION."

NARRATOR: Do you see the connection? The
United Nations is a communist, illuminist, masonic world
dictatorship, and there are no freedoms, hence they have
to get the guns to eliminate the free state/nation
guarantee in our constitution.

The Iron Mountain report then is a report in
reality on how to circumvent the constitution of the
United States. And in reality, it's a document of
treason of how the rich men of the earth are actually
going to divert the attentions of the people away so
they can get this done.

The guidelines given by the government for the
Iron Mountain report:

EMPLOYMENT

1. MILITARY STYLE OBJECTIVITY.
2. AVOIDANCE OF VALUE ASSUMPTIONS.
3. INCLUSION OF ALL RELEVANT DATA.

NARRATOR: And this is a very important part
of this report is the avoidance of all value
assumptions. This is what makes it so absolutely cold
and inhuman. It is to be amoral as a computer is
amoral. It deals in factual data. There is not any
mercy. There is not any compassion. It doesn't deal in
right or wrong or what is good or evil.

It is a report on the handling of men, women,
children and babies on the basis of herd or animal
management without regard to any moral considerations
whatsoever.

It reduces people to objects. It reduces all
humans to nonentities with no rights of
self-determination, with no rights granted by the
creator, and with absolutely no rights under a
constitution. The Constitution has been effectively
canceled by Iron Mountain.

Now, again, you'll find these resolutions
coming up in Congress all the time that want to
strengthen the United Nations to establish an
international criminal court, S.J. 32.

These are bills that are before the Congress
and the Senate, the implementation of Agenda 21 and
other agreements, which is all United Nations. Reagan
called for the world army. Clinton has approved a UN
army. You're seeing it on TV all the time.
"PART ONE: WAR IS REQUIRED, THE GLUE OF NATIONS."

NARRATOR: War is required, the glue of the nations, according to the Iron Mountain report. Is war the scourge of the nations?

It is said that war is merely an extension of diplomacy by other means. It is also said that war is necessary waste.

But what is war and why do peoples of the earth continuously fight and die? Why do millions of human families have a member or members that they have lost to this thing called war? What is the reality behind war? Does man have to fight wars, or can he develop a system of peace? And would the development of peace be worse than war itself?

The Bible gives us some answers. The rest can be supplied by simple logic and deduction.

James tells us that: "From whence come wars and fightings among you, come they not hence even of your lust that war on your members.

"He lust and have not. He kill and desire to have, and he cannot obtain. He fight in war, yet he have not because you asked not.

"He ask and receive not because you ask amiss, that you may consume it upon your lust. The root of war
then is lust, and lust is want. And want is greed. And
the root of greed is a self-centered heart and
unregenerated human heart."
This is the key we need to explain war. And
the Bible gives us many clues to why warfare is, and
that in reality it can never be stopped.
The root of the problem lies with the human
heart. And the Bible says that the human heart is so
desperately wicked that none can know it.
Jeremiah says that: "The heart is deceitful
above all things who can know it."
Paul says in Romans: "Their carnal mind is
enmity against God, for it is not subject to the laws of
God neither indeed can be."
Jesus was very emphatic that: "Out of the
heart of man put forth all kinds of evil. The problem
with mankind is then his evil heart, even because it is
self-centered and evil because it does not contain true
love. The love within that it does have is hurtful or
harmful, manipulative, self-centered and filled with his
own desires," according to the Lord.
But we obtain other clues as well from the
scripture as to the true reasons for war. In
particularly our day and age James says:
"Go to now ye rich men. Weep and howl for the
miseries that shall come upon you. Your riches are

corrupted, and your garments are moth-eaten.

"Your gold and your silver is cankered. The
rest of them shall be a witness against you and shall
eat your flesh as it were fire. He have heaped together
treasure for the last days. He have killed and
condemned the just."

Now, let's run a little logic. Lust is the
center of war. Lust is greed. And greed is from evil,
self-centered hearts. The Bible says that:

"The love of money is the root of all evil or
the height of all greeds. Lust then is greed, and the
ultimate greed is an insane love of money, which brings
with it power, which brings with it control over
mankind. Thus, the rich men of the earth earn deed and
total control over money."

And they have developed a system of economic
controls well laid out from the scriptures. If the rich
men of the earth gain control over the planet via their
Babylonian economic system, then they are the ones who
are only powerful enough and rich enough to wage war,
and they are the only ones who can develop the war
machines that you are looking at on your television
screen. They are the ones who can develop the weapons
necessary for modern warfare.
Iron Mountain agrees the very title confirms the Bible. The title says that it is a report and that it is a desirability and feasibility for peace. It was ordered by the rich men of the earth; therefore, they themselves must be the ones waging the wars.

And now they have elected not to wage wars but have elected to do something else, because warfare is drawing to a close. It will have soon served its purpose. In other words, it is a deliberate effort to bring in another system, for the first system of war has almost accomplished the goals originally intended.

Albert Pike was purported to have written a letter in which he outlines three world wars. Each had a specific purpose and each had a goal. The last war, World War III, was to be fought to bring in an era of peace under Lucifer. It was to be fought predominantly between the United States and the Soviet Union, and it would come in an era of seeming peace when it seemed like everything was fine, everything was great.

The Bible says that: "The Antichrist is a man of peace. He rides a white horse and has no war machine. There are no arrows in his bow. He is to usher in a period of peace after great wars."

Iron Mountain is about this era of peace. Iron Mountain is a report to aid Antichrist in his rise
to power. It is, in reality, a report from hell.

"WHAT CAN BE EXPECTED IF PEACE COMES? WHAT SHOULD WE BE PREPARED TO DO ABOUT IT? WHAT, FOR INSTANCE, ARE THE REAL FUNCTIONS OF WAR IN MODERN SOCIETIES..."

NARRATOR: Iron Mountain asks, what can be expected if peace comes? What should we be prepared to do about it? What, for instance, are the real functions of war in modern societies?

These are very important questions. The Soviet Union says: The peaceful exploration of outer space is the constructive alternative to the plans aimed at spreading the arms race.

In other words, we're going to find that the opposite of war is peace which, of course, it is in reality. But what Iron Mountain is getting at is what are the real functions of warfare, the invisible functions of warfare. What role do they play in the overall structure of human society?

For example, the Soviet Union has been on a war footing for years and years. We have, to a lesser extent in America, been on a war footing. It's been predominantly a cold war for many, many years. But nonetheless, it has been as far as the economics of it are concerned, it has been a war era. It's been an age
of war. And what this report is asking about is what
about peace.

"IT IS SURELY NO EXAGGERATION TO SAY THAT
CONDITIONS OF WORLD PEACE WOULD LEAD TO CHANGES IN THE
SOCIAL STRUCTURES OF THE NATIONS...."

NARRATOR: It is surely no exaggeration to say
the conditions of world peace would lead to changes in
the social structures of the nations.

"THESE CHANGES WOULD BE OF...UNPARALLELED AND
REVOLUTIONARY MAGNITUDE."

NARRATOR: These changes would be of
unparalleled and revolutionary magnitude.

As we would transition then from an era of war
into peace, what would be the problems?

"IT IS THE INCORRECT ASSUMPTION THAT WAR AS AN
INSTITUTION IS SUBORDINATE TO THE SOCIAL SYSTEM IT IS
BELIEVED TO SERVE."

NARRATOR: It is an incorrect assumption that
war as an institution is subordinate to the social
system it is believed to serve.

What they're saying here is that nations wage
war for reasons other than what they state.
"WAR ITSELF IS THE BASIC SOCIAL SYSTEM, WITHIN WHICH OTHERS ARE SECONDARY MODES OF ORGANIZATION, CONFLICT OR CONSPIRE."

NARRATOR: War is the basic social system, within which others are secondary modes of organization, conflict or conspire.

In other words, war itself is the basic social system of mankind. And if we go to peace, we're going to have problems unless we understand that.

"IT IS THE SYSTEM WHICH HAS GOVERNED MOST HUMAN SOCIETIES OF RECORD, AS IT IS TODAY."

NARRATOR: It is the system which has governed most human societies on record today.

Well, this is, of course, very true in our day and age. We have seen nothing but war starting with predominantly World War I and then coming forward. The Soviet Union has had tremendous expenditures in their military, and the United States has likewise. It's been, in reality, an ages race. We're going to find out there's a reason for it.

"THE CAPACITY OF A NATION TO MAKE WAR IS THE GREATEST SOCIAL POWER IT CAN EXERCISE; WAR MAKING, ACTIVE OR CONTEMPLATED, IS A MATTER OF LIFE AND DEATH...."
NARRATOR: The capacity of a nation to make war is the greatest social power it can exercise; war making, active or contemplated, is a matter of life and death, says Iron Mountain.

"THE MISCONCEPTIONS OF WAR: TO DEFEND A NATION FROM MILITARY ATTACK BY ANOTHER, OR TO DETER SUCH ATTACK;...."

NARRATOR: The misconceptions of war. One, to defend a nation from military attack by another or to deter such attack.

"THE MISCONCEPTIONS OF WAR...TO DEFEND THE NATIONAL INTEREST - ECONOMIC, POLITICAL, IDEOLOGICAL;"

NARRATOR: To defend the national interest - economic, political or ideological.

"THE MISCONCEPTIONS OF WAR...TO MAINTAIN OR INCREASE A NATION'S MILITARY POWER FOR ITS OWN SAKE."

NARRATOR: To maintain or increase a nation's military power for its own sake.

"THESE ARE THE VISIBLE, OSTENSIBLE FUNCTIONS OF WAR. BUT THERE ARE OTHER BROADER, MORE PROFONDLY FELT FUNCTIONS OF WAR."
NARRATOR: Now, see, these are the visible or more obvious reasons why a person would say, well, that's why we have war. But what they're saying is there are more less obvious, very invisible reasons for why nations have war, and this is the heart of the entire Iron Mountain report.

Its conclusion was that war is absolutely necessary. It's an absolute requirement for human societies and nations to come together. It is, in reality, they claim, the glue of the nations.

The Soviet military machine, or its war-making capacity, is the actual glue that has held the Soviet Union and the communist empire together. If they were to move into an era of peace, what would happen?

"IT IS THESE INVISIBLE, OR IMPLIED, FUNCTIONS THAT...ARE THE DOMINANT FORCES IN OUR SOCIETIES. WHAT ARE THEY?"

NARRATOR: All right. Iron Mountain says: It is these implied functions that are the dominant forces in our society.

So what we have to find out then is what are the true functions of war in a society. Why, for example, has the Soviet Union and the United States,
both of which are controlled by the rich men of the earth, been on a constant war footing constantly escalating this conflict? Why are they doing it and what are their reasons behind it?

Economic reasons are:

"ECONOMIC NECESSARY WASTE, IT OPERATES OUTSIDE THE NORMAL ECONOMIC SUPPLY AND DEMAND SYSTEM. IT CREATES ARTIFICIAL DEMAND."

NARRATOR: It is the necessary waste that operates outside the normal economic supply and demand system. Warfare creates an artificial demand. The war system having huge militaries, with all of their armaments, with all the research and development, creates a demand.

"ECONOMIC. THIS WASTE OF MONEY OUTSIDE THE SYSTEM ACTS AS A COUNTER-BALANCE FORCE TO THE OVERALL ECONOMY."

NARRATOR: This waste of money outside the system, according to Iron Mountain, acts as a counter-balance to the economic growth of the nation.

"ECONOMIC. IT IS PROGRESSIVELY FOR RESEARCH AND DEVELOPMENT OF WEAPONS SYSTEMS, SPURING TECHNOLOGICAL ADVANCES."
NARRATOR: It is progressively for research and development of weapons systems, and it spurs technological expenses which spin off and help society at large.

"DEFENSE SPENDING PER SE MIGHT BE COUNTENANCED ECONOMIC GROUNDS ALONE AS A STIMULATOR OF THE NATIONAL METABOLISM...."

NARRATOR: Defense spending per se might be countenanced economic grounds alone as a stimulator of the national metabolism. In other words, war itself for economic purposes is a tremendous growth factor.

"POLITICAL. A NATION IS A GROUP OF PEOPLE ORGANIZED TOGETHER WITH A COMMON GOAL AND A NATIONAL IDENTITY."

NARRATOR: For the political reasons it's different. A nation is a group of people organized together with a common goal and a national identity.

"POLITICAL. THE NATION HAS AN OUTLOOK/ATTITUDE OF HOW IT WILL DEAL WITH OTHER NATIONS. WE CALL IT FOREIGN POLICY."
NARRATOR: The nation has an outlook or an attitude of how it will deal with other nations. And that's what we call foreign policy.

"...A NATION'S FOREIGN POLICY CAN HAVE NO SUBSTANCE IF IT LACKS THE MEANS OF ENFORCING ITS ATTITUDE ON OTHER NATIONS."

NARRATOR: A nation's foreign policy, says Iron Mountain, can have no substitute if it lacks the means of enforcing its attitude.

In other words, if the nation is not strong enough, it doesn't matter what their attitude towards somebody else is.

"WAR...IS ITSELF THE DEFINING ELEMENT OF ANY NATION'S EXISTENCE VIS-A-VIS ANY OTHER NATION. WAR EQUALS NATIONS. PEACE EQUALS NO NATIONS."

NARRATOR: War is itself the defining element of any nation's existence vis-a-vis any other nation. War then equals nations because it is the glue of nations and what causes them to come together. And peace would mean the dissolving of the nations.

"THE ELIMINATION OF WAR IMPLIES THE INEVITABLE ELIMINATION OF NATIONAL SOVEREIGNTY AND THE TRADITIONAL NATION-STATE."
NARRATOR: The elimination of war implies the elimination of national sovereignty and the traditional nation-state.

Please understand the importance of that remark in Iron Mountain. It is the elimination of war that brings us to world government.

"THE WAR SYSTEM NOT ONLY HAS BEEN ESSENTIAL TO THE EXISTENCE OF NATIONS AS INDEPENDENT POLITICAL ENTITIES, BUT HAS BEEN EQUALLY INDISPENSABLE TO THEIR STABLE INTERNAL POLITICAL STRUCTURE."

NARRATOR: The war system not only has been essential to the existence of nations as independent political entities, but has been equally indispensable to their stable internal development.

"WITHOUT IT (THE WAR SYSTEM), NO GOVERNMENT HAS EVER BEEN ABLE TO OBTAIN ACQUIESCENCE IN ITS LEGITIMACY, OR RIGHT TO RULE ITS SOCIETY."

NARRATOR: Without it (the war system), no government has ever been able to obtain its legitimacy. In other words, we could say its right to rule its society. War is the basis of that claim to rule. And it is, therefore, the glue that holds a nation together, according to Iron Mountain.
"THE POSSIBILITY OF WAR PROVIDES THE SENSE OF EXTERNAL NECESSITY WITHOUT WHICH NO GOVERNMENT CAN REMAIN IN POWER."

NARRATOR: The possibility of war provides the sense of external necessity without which no government can remain in power.

"THE ORGANIZATION OF A SOCIETY FOR THE POSSIBILITY OF WAR IS ITS PRINCIPAL POLITICAL STABILIZER."

NARRATOR: The organization of a society for the possibility of war it its principal political stabilizer.

All right. In other words, for the Soviet Union, they said that the American people were the enemy. And that gave them the glue which held the Soviet empire together, which rallied the people to make such sacrifices so that we could build up this huge war machine.

"THE BASIC AUTHORITY OF THE MODERN STATE OVER ITS PEOPLE RESIDES IN ITS WAR POWERS."
NARRATOR: The basic authority of the modern state over its people resides in its war powers. Now, that's another very important statement.

"THEREFORE, A SUBSTITUTE FOR THE WAR SYSTEM MUST BE FOUND IN ORDER TO CONTROL THE PEOPLE AND PROVIDE STABILITY AND LEGITIMACY OF GOVERNMENT."

NARRATOR: Therefore, a substitute for the war system must be found in order to control the people and provide stability and legitimacy of government, if we go into an era of peace.

Now, we know that the United Nations is to be that era of peace. So, therefore, what they are saying is we have to find substitutes for what war does, the invisible functions of war. We have to find the substitute for that if we are going to go to peace.

"OBVIOUSLY, IF THE WAR MACHINE IS DISCARDED, NEW POLITICAL MACHINERY WOULD BE NEEDED AT ONCE."

NARRATOR: Obviously, if the war machine is discarded, new political machinery would be needed at once.

In other words, as they phase war out, they have to phase whatever they're going to put in its place in to control the people, to control the nation. This
is an essential part of Iron Mountain.

"UNTIL IT (THE SUBSTITUTE FOR WAR) IS DEVELOPED, THE CONTINUANCE OF THE WAR SYSTEM MUST BE ASSURED...TO MAINTAIN THE STABILITY OF ITS INTERNAL ORGANIZATION OF POWER."

NARRATOR: Until it (the substitute for war) is developed, the continuance of the war system must be assured to maintain the stability of its internal organization of power. In other words, we have to keep the war system going in order to remain in control.

"INTERPRETATION: KEEP WAR UNTIL ALL SUBSTITUTES ARE IN PLACE AND RUNNING, SO WE DON'T LOSE OUR RULERSHIP."

NARRATOR: Keep war until all substitutes are in place and running, so we don't lose our rulership. In other words, those that are in power are going to remain in power. They've got to figure out a way to do that so they're going to de-escalate the war system as they bring in a peace system. And the peace system is going to radically alter our societies.

"WHAT SUBSTITUTES FOR WAR ARE THERE? IRON MOUNTAIN OFFERED SEVERAL SUBSTITUTES."

NARRATOR: What substitutes for war are there?
"IT MUST BE A UNIVERSAL THREAT OF EQUAL MAGNITUDE AS THAT OF WORLD WAR."

NARRATOR: Well, it has to be a universal threat of equal magnitude as that of world war. The immediate loss of life and the immediate thought that blood is going to be shed.

"IT MUST BE CREDIBLE; IT MUST BE ACCEPTED BY THE VAST MAJORITY OF THE POPULATION."

NARRATOR: It has to be credible, and it must be accepted by the vast majority of the population of any given nation or, in reality, the whole world if they're going to bring in global peace.

"CREDIBILITY, IN FACT, LIES AT THE HEART OF THE PROBLEM OF DEVELOPING A POLITICAL SUBSTITUTE FOR WAR."

NARRATOR: Credibility, in fact, says Iron Mountain, lies at the heart of the problem of developing a political substitute for war.

"WE MUST EMPHASIZE THAT ONE MUST BE FOUND, OF CREDIBLE QUALITY AND MAGNITUDE, IF A TRANSITION TO PEACE IS EVER TO COME ABOUT WITHOUT SOCIAL DISINTEGRATION."

NARRATOR: We must emphasize that one must be
found, of credible quality and magnitude, if a transition to peace is ever to come about without social disintegration.

In other words, really what they're saying is a nation would self-destruct without an external threat of some type.

"IT IS MORE PROBABLE, IN OUR JUDGMENT, THAT SUCH A THREAT WILL HAVE TO BE INVENTED, RATHER THAN DEVELOPED FROM SOME UNKNOWN CONDITIONS."

NARRATOR: It is more probable, in our judgment, that such a threat will have to be invented, rather than developed from some unknown conditions. That means exactly what it says. They're going to invent a system to accomplish this. Ecology, pollution.

"...AN EFFECTIVE POLITICAL SUBSTITUTE FOR WAR WOULD REQUIRE ALTERNATE ENEMIES..."

NARRATOR: An effective political substitute for war would require alternate enemies. In other words, we have to find an external threat that's essentially very large.
"IT MAY BE, FOR INSTANCE, THAT GROSS POLLUTION OF THE ENVIRONMENT CAN EVENTUALLY REPLACE THE POSSIBILITY OF MASS DESTRUCTION BY NUCLEAR WEAPONS AS THE PRINCIPLE THREAT TO THE SURVIVAL OF THE SPECIES."

NARRATOR: It may be, for instance, that gross pollution of the environment can eventually replace the possibility of mass destruction by nuclear weapons as the principle threat to the survival of the species.

In other words, they're going to bring the environment up to a point of global threat. Poisoning of the air and other principle sources of the food and water supply is already well-advanced. And at first glance, which seem promising in this respect, it constitutes a threat that can be dealt with only through a social organization and political power.

"BUT FROM PRESENT INDICATIONS IT WILL BE A GENERATION TO A GENERATION AND A HALF BEFORE ENVIRONMENTAL POLLUTION...WILL BE SUFFICIENTLY MENACING ON A GLOBAL SCALE TO OFFER...A SOLUTION."

NARRATOR: But from present indications it will be a generation to a generation and a half before environmental pollution will be sufficiently menacing on a global scale to offer a solution as a substitute for war.

In other words, we replace the war threat with an environmental threat. Now you know why the
environment is on the TVs and the media constantly.

"GENERATION EQUALS 30 YEARS. 
  1961 + 30 = 1991."

NARRATOR: A generation is about 30 years, so it would be about 1991 that this would be brought up to global scale. It is true that the rate of pollution could be increased selectively for this purpose. In other words, you could selectively find areas where you could deliberately increase the pollution to get this threat in motion a little quicker.

"IT IS TRUE THAT THE RATE OF POLLUTION COULD BE INCREASED SELECTIVELY FOR THIS PURPOSE...."

NARRATOR: It is true that the rate of pollution can be increased selectively.

"IN FACT, THE MERE MODIFYING OF EXISTING PROGRAMS FOR THE DETERRENCE OF POLLUTION COULD SPEED UP THE PROCESS ENOUGH TO MAKE THE THREAT CREDIBLE MUCH SOONER."

NARRATOR: In fact, the mere modifying of existing programs for the deterrence of pollution could speed up the process enough to make the threat credible much sooner.

In other words, let's have the governments
drag their feet on pollution controls or the enforcement of pollution controls. And around the world, that's exactly what we are seeing, a matter of foot-dragging on the areas. One would then, perhaps, get the concept that this was all deliberate.

"TRANSLATION: ALLOW POLLUTION TO DELIBERATELY GET WORSE UNTIL IT CAN BE MANIPULATED BY THE CONTROLLED MEDIA INTO A WORLD CRISIS."

NARRATOR: Allow pollution to deliberately get worse until it can be manipulated by the controlled media into a world crisis. A global crisis has to be developed.

Al Gore, Vice President, a very timely book, perhaps coincidentally, he wrote the book "Ecology and the Human Spirit." It's a modern version of Iron Mountain in the ecological field. And in reality, it's quite an interesting book. You should go out and buy a copy of it.

The new world government organizations are pushing this climate. Emergency earth rescue administration, the people of the earth have a new common enemy which requires an emergency worldwide campaign. You see, we have to abandon our armaments to join in a common cause for survival.
THE PEOPLE OF THE EARTH HAVE A NEW COMMON ENEMY...IRON MOUNTAIN...THREAT TO THE SURVIVAL OF THE SPECIES..."

NARRATOR: What did Iron Mountain say? That it had to be a threat to the survival of the species.

* * * *
NARRATOR #2: It wasn't until the late 1960s when the Apollo missions were bound for the moon that we were first able to see complete pictures of the earth. Environmentalists began to look at our planet as a simple, fragile ecosystem. Now we are intensely sighting the thin halo of atmosphere that surrounds and protects earth.

It recycles the air we breathe, regulates the climate and acts as a protective barrier filtering out much of the sun's harmful radiation.

Last year an international group of scientists proved that ozone, the key element in this filtering process, is being lost at an alarming rate in the South Pole. In fact, a sizeable hole develops over this area each winter. Without ozone, the sun's harmful radiation will destroy life on earth.

A group of manmade compounds called chlorofluorocarbons or CFCs used as refrigerants, cleaning solvents, and some plastic foams are to blame for this environmental problem. They eventually make their way into the atmosphere and destroy ozone.

According to Dr. Brian Tool (phonetic)
NASA's Ames Research Center, it is a global scale environmental problem.

* * * *

DR. TOOL: (Phonetic spelling) It's really the first time in the history of environmental science where human beings on one side of the planet have done something to the planet that has significantly affected it globally, and on the far side of the planet from where the original pollution took place.

* * * *

NARRATOR #2: Using the beautiful seaport town of Stavanger, Norway as a base of operations, an international team of scientists assembled this year in an emergency effort to make a detailed study of the North Pole. Most of the work was performed aboard two NASA aircraft.

This is the ER-2. For the mission, special wing pods are attached containing atmospheric chemistry analysis and a host of other instruments. Typically, flights are made about 12 miles out along the fringes of space right into the layers of atmosphere directly affected by ozone loss.

The ER-2 research buttoner (phonetic) is a modified EC-8. It flies at lower altitudes, but has increased fuel reserves which allow it to cover more
territory, even flights directly over the North Pole.

Inside the EC-8 is actually a scientific observatory loaded with certain instruments. Scientists perform their experiments and are able to map results right on the spot.

This instrument contains four lasers capable of shooting light many miles up into the atmosphere. The light reflects back to the plane and provides scientists with a cross-sectional map of ozone concentrations, as well as aerosols or regions where ozone is capable of occurring.

Initial results from both aircraft indicate that high concentrations of CFCs have been found in northern latitudes primed for ozone destruction. When combined with high-altitude ice clouds, the right amount of sunlight and confined slow-moving masses of air, ozone destruction occurs.

As a result of this airborne mission, scientists were able to confirm the process and predict areas of danger. International policymakers have met in hopes of limiting the amount of CFC production, and recently agreed to phase out its use by the year 2000. Many scientists worry that this may not be soon enough.

Again, Dr. Tool (phonetic).

* * * *
DR. TOOL: (Phonetic spelling) The ozone problem, for example, when you release chlorofluorocarbons into the environment, it's decades to centuries before those are removed.

* * * *

NARRATOR #2: Researching safe economic replacements for CFCs is a vital part of solving this serious environmental issue. Thanks to the intensive work done in the last few years, we know why ozone depletion exists. It is now up to the world community to take responsibility for the future of our global environment.

"IT IS NOW UP TO THE WORLD COMMUNITY TO TAKE RESPONSIBILITY FOR THE FUTURE OF OUR GLOBAL ENVIRONMENT."

NARRATOR #2: Two Landsat satellites continue to orbit the earth 14 times a day. From their 570-mile-high vantage point, they return images like these taken over rich California farmlands. Telltale images indicate vigorous vegetation growth. The state of California is using land SAT imagery to inventory and map its irrigated cropland.

* * * *
NARRATOR #3: Ecology, the balance of nature, is important to all life. One of the tools we can use to monitor this balance of nature on earth is the satellite. Satellites can be used to observe our planet from a high vantage point. A NASA film called "Remote Possibilities" tells us the story:

* * * *

(SHORT FILM WITH NARRATION)

From far out in space, the earth appears serene and beautiful displaying no hint of our crowded planet's many problems. As we have used and changed our planet, we have become aware that in many ways we are exhausting it; exhausting our food supplies, our sources of energy, our natural lands, exhausting the potential of even the one seemingly limitless oceans.

Management of earth's resources is at a critical stage. It has never been more important that we understand the environmental relationships of our planet. Scientists are striving to apply the technology of the Space Age, the quest for more and better information about these complex relationships.

(END OF SHORT FILM)

"THE IRON MOUNTAIN RECOMMENDATION THAT THE ENVIRONMENT BE MADE A GLOBAL THREAT HAS BEEN ACCOMPLISHED."
NARRATOR #3: In 1972 a new kind of satellite left the launch pad and rose to an altitude of 910 kilometers from earth. There it settled in a circular orbit around the planet. This satellite called land SAT opened a new era of earth resource management.

(END OF FILM)

"ONE SUBSTITUTE FOR WAR HAS NOW BEEN FOUND. THE IRON MOUNTAIN AGENDA IS BEING CARRIED OUT."

NARRATOR: One substitute for war has now been found. The Iron Mountain agenda is being carried out.

"THE OBJECTIVE OF THE ECO-SCAM.
1. UN CONTROL OVER ALL LAND.
2. OWNERSHIP OF THE LAND TO BE HELD BY THE 'RICH MEN'."

NARRATOR: The objectives of the eco-scam. Well, the UN will end up with control over all the land, and ownership of the hand will be held by the rich men.

"THIS IS ARISING A CRISIS OF WORLDWIDE PROPORTIONS INVOLVING DEVELOPED AND DEVELOPING COUNTRIES ALIKE - THE CRISIS OF HUMAN ENVIRONMENT. GEORGE KENNAN, CFR."

NARRATOR: There is arising a crisis of worldwide proportions involving developed and developing countries alike - the crisis of the human environment.

"THE PROCESS OF COMPROMISE OF NATIONAL INTERESTS WILL OF COURSE HAVE TO TAKE PLACE..."

NARRATOR: The process of compromise of national interests will, of course, have to take place.
"INTERNATIONAL ECONOMIC SECURITY IS INCONCEIVABLE UNLESS RELATED NOT ONLY TO THE WORLD'S ENVIRONMENT, BUT ALSO TO THE ELIMINATION OF THE THREAT TO THE WORLD'S ENVIRONMENT..."

"PRIVATE PROPERTY RIGHTS"

NARRATOR: International economic security is inconceivable unless related not only to the world's environment, but also to the elimination of the threat to the world's environment.

Well, the only major threat is private property ownership and private property rights where people can do as they want.

"LET US ALSO THINK ABOUT SETTING UP WITHIN THE FRAMEWORK OF THE UNITED NATIONS A CENTER FOR EMERGENCY ENVIRONMENTAL ASSISTANCE."

NARRATOR: Let us also think about setting up within the framework of the United Nations a center for emergency environmental assistance.

Can you see how they're raising this thing up to an emergency status, an emergency level?

"MIKHAIL GORBACHEV'S DECEMBER 8, 1989, SPEECH AT THE UNITED NATIONS."

"THE UNITED NATIONS WILL BE THE CONTROLLER OF ALL LANDS IN THE WORLD."

NARRATOR: The United Nations will be the controller of all the lands in the world through their various ecological environmental organizations that they are in the process of setting up.

In fact, the Rio Earth Summit was for that specific reason.

"THE UNITED NATIONS WAS SET UP BY THE 'RICH MEN', IT IS THEIR FRONT FOR WORLD CONTROL."

"ECO-FOUNDATIONS, WORLD WILDLIFE FUND, HERITAGE TRUST, NATURE CONSERVANCY, NATIONAL WILDLIFE FEDERATION, THE SIERRA CLUB, WORLD WILDERNESS, CONGRESS."

"CONSERVATION INTERNATIONAL AND MANY UN ORGANIZATIONS. THE 'RICH MEN' SIT ON THE BOARD OF DIRECTORS OF ALL OF THESE GROUPS."
NARRATOR: There's a lot of them. And you have many UN organizations. And the rich men of the earth sit on the boards of directors on all of these groups.

"THESE GROUPS ARE BUYING UP HUGE CHUNKS OF PRIVATE LAND FOR 'CONSERVATION' AND TO PRESERVE 'THE EARTH' ALL OF IT OWNED BY THE 'RICH MEN'."

NARRATOR: These groups are buying up huge chunks of private land for conservation, they say, and to preserve the earth. And, of course, all of it is to be owned by the rich men.

"WHAT THEY CANNOT PURCHASE BY NORMAL MEANS WILL BE TAKEN UNDER 'ZONING' CONTROLS, DNR REGULATIONS OR OTHER LAND GRAB MEANS."

NARRATOR: What they cannot purchase by normal means will be taken under zoning controls, DNR regulations or other land grab means via governmental authority and regulation.

"ALL LAND WILL BE UNDER STRICT 'ECO-CONTROLS' BECAUSE OF THE 'ECO-EMERGENCY'. IT IS A SCAM TO CONTROL THE LAND."
NARRATOR: All land will be under strict eco-controls because after all, we are now involved and in the middle of an eco-emergency, and it's nothing but a scam.

"DEBT FOR LAND SWAP. THE INTERNATIONAL BANKERS LOAN AND CONTROL THE MONEY TO ALL COUNTRIES AND, THROUGH INTEREST, HAVE DRIVEN THEM INTO HUGE DEBT STATUS."

NARRATOR: Debt for land swap is another part of it. The international bankers loan and control the monies to all the countries, and through interest have driven them into huge debt status. The debt of the United States is in the trillions.

"THE BANKERS HAVE A 'NEW PLAN'. THEY WILL TAKE THE NATION'S LAND AND CANCEL THE DEBT OF THAT NATION. IT IS CALLED A DEBT FOR LAND SWAP."

NARRATOR: The bankers then come forward with a new plan. They will take the nation's land, and then they will cancel the debt of that nation. It is called a debt for land swap.

"THIS LAND WILL BE HELD BY A 'WORLD CONSERVATION BANK' OWNED OF COURSE BY THE 'RICH MEN OF THE EARTH'."
NARRATOR: This land will be held by a world conservation bank owned, of course, by the rich men of the earth.

"THEY WILL THEN OWN ALL THE LAND, ALL THE RESOURCES, ALL THE FOOD. THEY THEN BECOME THE MASTERS AND THE PEOPLE THE SLAVES."

NARRATOR: They will then own all the land, all the resources, all the food. They become the absolute masters and all the people become the slaves. It's a perfect scam. It's a perfect system.

"BECAUSE THE 'ECO-THREAT' IS GLOBAL. IT CAN ONLY BE CONTROLLED BY A GLOBAL AUTHORITY. THE UNITED NATIONS IS THE ONLY 'AUTHORITY'."

NARRATOR: Because it is global, obviously it can only be controlled by a global authority. And guess who that is? Why, of course, it's the United Nations. Now, the eco-scam is being pushed by every organization that's involved in the environment. Even Time Magazine ran an article on the endangered earth. It's being put in all your children's school books, all of their study books about the crowding of human life, about how we have such an ecological crisis, an environmental crisis. And unless we all do our
share, the whole world is just going to disintegrate, and the entire population of man will be eliminated. That's according to them.

It's very interesting that Daniel said: The Antichrist, that he shall divide the land for gain. In other words, he takes over all the land and divides it up amongst these various foundation groups. And that's exactly what's happening.

"PART 2: THE SECOND 'EXTERNAL THREAT'"

NARRATOR: It has been hotly argued that such a menace would offer the last best hope for peace by uniting mankind against the danger of destruction by creatures from other planets or from outer space. Experiments have been proposed to test the credibility of an out-of-our-world invasion threat. It is possible that a few of the more difficult-to-explain flying saucer incidents are of this nature.

"UNITING MANKIND AGAINST THE DANGER OF DESTRUCTION BY 'CREATURES' FROM OTHER PLANETS OR FROM OUTER SPACE."

NARRATOR: The thrust of the second threat is to unite mankind against a common enemy.

"THE ESCALATION OF THE UFO MYSTERY REQUIRES CAREFUL MEDIA CONTROL. THE THREAT MUST ALSO DOVETAIL INTO THE AGENDA FOR A ONE WORLD GOVERNMENT."

NARRATOR: The escalation of the UFO mystery requires careful media control. The threat must also dovetail into the agenda for a one world government. Everything that Iron Mountain proposes and all of their substitutes will lead into a one-world
And that is the whole nature of it. There has been a tremendous amount of interest in UFO activity. Many, many books have been written about it. The average Christian, I believe, probably poo-poos the whole subject.

But we believe here at the CIA they’re making a tragic mistake when they do that, because the Bible does mention some things that would tend to imply very strongly that UFOs are, in fact, real and will be a latter day occurrence just before the end and just before the return of Jesus Christ.

As you can see, here's a book for Christians, "UFO End-time Dilusion." It is part of the grand dilusion that God is going to cast down upon man for the rejection of Jesus Christ in the end.

There have been many books about the government's coverup of the UFO experience. And the United States government knows exactly what is going on. And we would agree with that from the viewpoint of the scriptures; that the people of the world, the governments of the world, the highest levels of the powers that be, know exactly what's going on when it comes to the UFO mystery. They do because their mind is controlled by Satan, and he is the author of all of
this. It's part of the grand dilusion in the end.

"And there was war in heaven. Michael and his angels fought a dragon, and the dragon fought and his angels, and prevailed not. Neither was their place found any more in heaven.

"And the great dragon was cast out, that old serpent, called the Devil and Satan which deceiveth the whole world. He was cast out into the earth, and his angels were cast out with him.

"Now, Satan was cast down to earth, and we were to observe it from here. It would appear as though he came down from heaven.

"For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noah entered the ark."

Now, Jesus said: "So shall it also be. And the days of Noah were quite a few. He lived 950 years before and after the flood. He was there when man began to multiply on the face of the earth, and daughters were born unto them. And the sons of God saw the daughters of men that they were fair."

Now, the book of Enoch gives us some information about that. "It happened after the sons of men had multiplied in those days, that the daughters were born to them, elegant and beautiful."
And when the angels, the sons of heaven came down, you see, they took wives, each choosing for himself who they began to approach and with whom they cohabitated and teaching them sorcery and incantations.

And the whole situation is one where these were literal fallen angels that came down and mated with the daughters of men. And they produced a race of giants, according to the book of Enoch. And many ancient writings give this interpretation to the sons of God, mystery of Genesis 6.

"THE SONS OF GOD RETURN."

NARRATOR: Now, what is interesting is that they said they would return.

"Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits and doctrines of demons."

Now, the word "seducing" comes from the word "planos," which if you do a word study, it comes all the way back to where we get our word "planet."

"SEDUCING = PLANOS (PLANET). IN THE LATTER TIMES SOME SHALL DEPART FROM THE FAITH, GIVING HEED TO IMPOSTERS FROM OTHER PLANETS."
NARRATOR: Could it be that the interpretation is in the latter times some shall depart from the faith, giving heed to imposters from other planets? That would be the most literal translation, and that is also exactly what is happening.

"THESE IMPOSTERS ARE DEMONS, PRETENDING TO BE FROM OUTER SPACE. IT IS PART OF THE GRAND DILUSION."

NARRATOR: These imposters are actually demons, pretending to be from outer space. It is part of the grand dilusion.

"For this cause, God shall send them strong dilusion, that they shall believe a lie.

"That they all might be damned if not the truth, but had pleasure in unrighteousness.

"They reject the concept of creation.

"Even him whose coming is after the working of Satan with all power and signs and lying wonders."

This would result in UFO contacts of the first, second and third kind as Satan sends his advanced guard to prepare man for the grand dilusion.

“NASA's PROJECT SETI”

(FILM)

MS. TARTER: On the surface of an average planet, circling an ordinary yellow star, an advanced intelligence searches the skies for evidence of life.

Directed by even higher intelligence, machines with brains of silicone patiently sift through faint shards of radio data an unmistakable signal to indicate the first sign of life beyond earth.

Now plans for the most sophisticated SETI search, ever, focus on the Goldstone Deep Space Communication Complex in California's Mojave Desert. It is the site of tests for a possible future NASA project, one not yet funded.

The full-scale NASA system, when operational in the next decade, would be billions of times more powerful than the sum of all previous searches.

For Carl Sagan, a proponent for SETI for many years, his technical progress has made the project unique.

* * * *

MR. SAGAN: For the first time we're mustering substantial, sophisticated, serious scientific searches for extraterrestrial intelligence. There's never been a time like that before. So there is some chance that in
the next few decades we will get the signal from some
spectacularly distant, spectacularly exotic
civilization. And everything on earth will change. It
is possible.

* * * *

"THE QUEST FOR CONTACT"

(FILM)

"NASA'S SEARCH FOR EXTRATERRESTRIAL INTELLIGENCE. SETI. NARRATED BY JILL TARTER."

MS. TARTER: How, why, where and when to
search for life beyond earth has been debated for
centuries. Deciding what sort of signal to look for in
disguise is no easy task.

NASA's proposed search focuses on radio, a
portion of the electromagnetic spectrum where nature
produces the least interference for any intelligence
signal.

The plan is to use existing radio antennas and
combine them with advanced computer hardware and
software specifically designed for the task.

Signal processing equipment suitable for SETI
is constantly becoming more powerful and more efficient,
but also cheaper and smaller than ever before.

(NOTE: THERE IS A SMALL SKIP IN THE FILM.)
MS. TARTER: -- came up with a way to organize our developing knowledge and current ignorance.

SETI scientists often use what's called The Drake Equation to illuminate the necessary conditions for contact, and to provide a rough estimate of the number of other civilizations.

The existence of other technical civilizations depends upon astronomy, how planets form, comparative planetology, biochemistry, the role of intelligence in evolution, technology, and the fate of technical civilizations.

So SETI becomes a way to test our theories of the origin and evolution of the universe, and the place of life within it.

(END OF FILM.)

(IRON MOUNTAIN REPORT RESUMES)

NARRATOR: There are several keys here that we want to look at as we keep Iron Mountain's report in mind.

"TWO KEYS EVOLUTION IS ACCEPTED. ETs ARE ACCEPTED. SETI IS IN THE SCHOOL CURRICULUM."

NARRATOR: The two primary keys is that evolution is an accepted fact. And ETs are now accepted at the highest levels of government.

We believe that the SETI program is camouflaged for what is really going on or the contact reports that have been gotten out from the government from the Freedom of Information Act, in fact, cover for the SETI program.

But the two that we believe are going to merge in the end and introduce mankind to the aliens who are, in reality, demons and Satan's advanced guard. The movies that have been produced are very important.

"PLANT A SEED. WATER IT. WATCH IT GROW. REAP THE HARVEST. THE PLAN OF SATAN."

NARRATOR: Satan plants a seed, then he waters it. Then he sits back and watches it grow. And then he reaps the harvest. And the harvest, of course, is the loss of millions upon millions of men.
"The Day the Earth Stood Still" was produced many years ago, but is a very important film that it planted the seed.

"THE DAY THE EARTH STOOD STILL"
1. WAR MUST STOP.
2. PEACE MUST BE ENFORCED.
3. WORLD GOVERNMENT IS A REQUIREMENT."

NARRATOR: "The Day the Earth Stood Still" said that war must stop, peace must be enforced, and world government is a requirement to get all of this to happen. The message was very important.

"E.T.", a very, very popular movie, taught us some things as well.

"E.T."
1. REPTILES ARE CUTE.
2. LOVE IS THE ANSWER.
3. LOVE HEALS.
4. WE ALL EVOLVE IN A DIFFERENT MANNER."

NARRATOR: "E.T." taught us reptiles are very cute, that love is the answer, that love heals, but more importantly that we all evolve in a different manner.

You're going to find evolution at the bottom of all these movies. And "Star Wars" is another one, how famous they were. Well, they're programming the human mind for certain things.
"STAR WARS"
1. EVOLUTION OF RACES.
2. GOOD/EVIL FORCES.
3. UNIVERSAL, ETERNAL FIGHT BETWEEN GOOD AND EVIL.
4. A FEDERATION OF PLANETS."

NARRATOR: One, evolution of the races. Good and evil forces. A universal, eternal fight between the forces of good and evil. And more importantly, a federation of planets.

A uniting of the nations, a uniting of all the planets, mankind will evolve upwards and eventually join an intergalactic civilization. And this is the important key note in every one of these movies.

"Close Encounters of the Third Kind" was a very, very important film.

"CLOSE ENCOUNTERS"
1. EVOLUTION.
2. UNITED NATIONS IS CENTRAL PLAYER.
3. U.S. MILITARY IS CONNECTED TO UN.
4. MANKIND WILL JOIN INTERPLANETARY CIVILIZATION."

NARRATOR: It bases itself on evolution. Two, that the United Nations is a central player in that movie. The U.S. military is connected to the United Nations in that movie. And that mankind will join interplanetary civilization.

It starts by contact, but by exchanges of the
races. In other words, some of our people go there, and
some of their people come here.

"MAJESTIC 12. GOVERNMENT CONTACT WITH
ALIENS."

NARRATOR: Now, something surfaced not too
long ago called Majestic 12 that dealt with government
contact with aliens. A lot of people laugh at this
document and think it's a hoax. Our research against
the Bible, which say that it is not a hoax, is that this
actually is legitimate and that contact has been made.

"OPERATION MAJESTIC 12 IS A TOP SECRET
RESEARCH AND DEVELOPMENT/INTELLIGENCE
OPERATION...ESTABLISHED BY SPECIAL CLASSIFIED EXECUTIVE
ORDER OF PRESIDENT TRUMAN..."

NARRATOR: Operation Majestic 12 is a top
secret research and development/intelligence operation
established by special classified executive order of
President Truman.

Now, this took place back some years ago.
Very interesting, however, what Majestic 12 sets up.

"A RANCHER REPRESENTED THAT ONE (UFO) HAD
CRASHED IN A REMOTE REGION OF NEW MEXICO..."
NARRATOR: A rancher reported that one, a UFO, had crashed in a remote region of New Mexico. You might have even seen this replayed on Unsolved Mysteries. They ran a series on this.

"A SECRET OPERATION WAS BEGUN TO ASSURE RECOVERY OF THE WRECKAGE OF THIS OBJECT...AERIAL RECONNAISSANCE DISCOVERED THAT FOUR SMALL HUMAN-LIKE BEINGS HAD EJECTED FROM THE CRAFT...ALL FOUR WERE DEAD...NEWS REPORTERS WERE GIVEN THE EFFECTIVE STORY THAT THE OBJECT HAD BEEN...A WEATHER BALLOON..."

NARRATOR: A secret operation was begun to assure recovery of the wreckage of this object, aerial reconnaissance discovered that four small human-like beings had ejected from the craft. All four were dead. News reporters were given the effective story that the object had been a weather balloon. They are discounting the UFOs to the public while they gather the evidence secretly.

"THE BIOLOGICAL AND EVOLUTIONARY PROCESSES RESPONSIBLE FOR THEIR DEVELOPMENT HAS APPARENTLY BEEN QUITE DIFFERENT...FROM THOSE...IN HOMO SAPIENS."

NARRATOR: The biological and evolutionary -- there is your key -- processes responsible for their development has apparently been quite different from those in homo sapiens.
"EVOLUTION IS THEN A PROVEN FACT, INSOFAR AS THE GOVERNMENT IS CONCERNED. THE ALIENS DID NOT EVOLVE AS WE DID."

NARRATOR: Evolution is then a proven fact, insofar as the government is concerned. They have accepted evolution as an established fact. The aliens then did not evolve as we did. This is the very basis of the grand dilusion.

"CREATION VERSUS EVOLUTION. EVOLUTION IS ESSENTIAL FOR THE GRAND DILUSION BECAUSE MAN REJECTED THE TRUTH OF CREATION BY CHRIST."

NARRATOR: Creation versus evolution. Evolution is essential for the grand dilusion because man rejected the creation of the world and people by Jesus Christ. So it's very important you understand that evolution is the key note.

"...THE ULTIMATE INTENTIONS OF THESE VISITORS IS COMPLETELY UNKNOWN...(NOT IF YOU READ YOUR BIBLE)."

NARRATOR: The ultimate intentions of these visitors is completely unknown, the report said. But if you read the Bible, you will know they are demons and you will know they are the advanced guard of Satan, and that they are setting up the world for its final ruin.
and taking of people into eternal hell.

UFOs are real. There's no question about that they are real. The only question is what are they. And if you take the evidence of the scriptures, definitely we believe here at least that they are the sons of God returning just exactly as they said they would. And all the occultic literature talks about this.

* * * *

* * * *
"AREA 51, GROOM LAKE"

NARRATOR: Now, there is an area out west called Area 51, Groom Lake. There's also Atonapar (phonetic). There are several areas from which Project Redlight was developed.

"PROJECT RED LIGHT. A TOP SECRET TESTING PROGRAM OF ALIEN TECHNOLOGY FOR DEFENSE."

NARRATOR: It's a top secret testing program for alien technology for defense purposes. This is very interesting that a lot of this stuff is being leaked right at this moment as we get into this.

"I HAVE NO COMMENT AS TO WHAT IS GOING ON IN AREA 51. (CONGRESSMAN HARRY REID AFTER VISITING THE AREA)."

NARRATOR: A congressman: I have no comment as to what is going on in Area 51. That was Congressman Harry Reid. And he went out there to visit the area because the air force had made a land grab, and he went out there on behalf of his constituents to find out why.

"IT IS SAID THAT PRESIDENT EISENHOWER SIGNED A TREATY WITH ALIENS IN 1957. PEOPLE FOR TECHNOLOGY."
NARRATOR: It is said that President Eisenhower signed a treaty with actual aliens in 1957. The swap was they could take our people for experimentation, and we would get technology in exchange.

In other words, the aliens come to earth. We take their technology to build our defense mechanisms. Now, a lot of people think this is ridiculous.

"STEALTH."

NARRATOR: But if you read what it says about Babylon, the great, the nation, it gets all of its technology from Satan.

"UFOs ARE ALSO BEING TESTED THERE."

NARRATOR: Satan is the one that gives them the power. And this is why the United Nations is being brought up, and this is why the United States is so deeply involved.

"IN EXCHANGE FOR TECHNOLOGY, THE U.S. GOVERNMENT AGREED TO ALLOW THE ALIENS TO EXPERIMENT ON HUMANS."
NARRATOR: And in exchange for technology, the U.S. Government agreed to allow the aliens to abduct humans for experiments.

"THIS ACCOUNTS FOR THE LARGE NUMBER OF ABDUCTIONS REPORTED ALL OVER AMERICA. THIS IS PART OF THE GRAND DILUSION, WHICH HAS EVOLUTION AT ITS ROOT."

NARRATOR: This accounts for the large number of abductions reported all over America. This is part of the grand dilusion which has evolution at the root of it.

"WE HAVE TWO OPTIONS:
1. ALL OF THE 'LEAKS' ARE DISINFORMATION.
2. IT IS REAL, AND THE ALIENS ARE HERE."

NARRATOR: Now, you have actually two options. All of the leaks of this type of information are disinformation where it is real, and the aliens really are here.

"THE BIBLE EVIDENCE IS THAT IT IS REAL. THE ALIENS ARE HERE. THEY ARE THE ADVANCED GUARD FOR SATAN. PART OF THE DILUSION."

NARRATOR: The Bible evidence would be that it is real. The aliens are here, and that they are the
advanced guard for Satan. He is programming the human race for this dilusion, and it's based upon evolution.

"THE SONS OF GOD OF GENESIS 6 HAVE RETURNED, AS THEY SAID THEY WOULD IN OCCULT WRITINGS: 'AS IT WAS IN THE DAYS OF NOAH, SO SHALL IT BE.'"

NARRATOR: The sons of God of Genesis 6 have returned, as they said they would in occult writings. And Jesus says: "As it was in the days of Noah, so shall would it be again. And that's when the sons of God came down."

"THE AGENDA OF IRON MOUNTAIN FOR EXTERNAL THREAT NUMBER 2 HAS BEEN AND IS BEING CARRIED OUT."

NARRATOR: Therefore, the agenda of Iron Mountain for External Threat Number 2 has been and is being carried out. Scientists are even going to the UN now to find out how are we going to answer these aliens from our SETI contacts at NASA. They believe the UN should do all of this.

And so you see, it elevates the United Nations to power. And this is very important. It is part of the Iron Mountain agenda.
"IRON MOUNTAIN RECOMMENDATION EXTERNAL THREAT NUMBER 3."

NARRATOR: It might be argued that a well-armed international police force, operating under the authority of such a national court, could well serve (super national) this purpose. In other words, they're going to set up another threat. This is Threat Number 3 actually.

"AN OMNIPRESENT, VIRTUALLY OMNIPOTENT INTERNATIONAL POLICE FORCE."

NARRATOR: An omnipresent, virtually omnipotent police force. It's an international police force because, remember, if we go into peace, we have to dissolve the nations because war is the reason we have nations.

All right. So the report then that was issued by the state department, freedom from war in the program, was to establish a permanent international peace force within the united nations. In other words, to deliberately bring it up.

The peace-keeping capabilities of the United Nations would be sufficiently strong, and the obligations of all states under such arrangements sufficiently far-reaching as to assure peace and the
just settlement of differences in a disarmed world.

They're going to use the United Nations to keep the peace. In other words, a world government, which is exactly what Daniel talked about and Jesus talked about. And it is very deadly.

During Stage 2, states will develop further the peace-keeping processes of the United Nations to the end.

"THE UNITED NATIONS CAN...DETER ANY THREAT OR USE OF FORCE..."

NARRATOR: The United Nations can effectively suppress any threat or use of force by anyone, and that would include America, the American people.

"OMNIPRESENT OR OMNIPOTENT."

NARRATOR: It's going to be omnipresent and it's going to be omnipotent in its ability to handle. And this is what Revelation says, who can make war with the beast.

Remember that the U.S. and Russia are to have their internal militaries turned over to the United Nations in this three-stage process. And we end up with the UN in total control of the world, a global entity precisely as Daniel and Revelation talk about. And
Jeremiah and Isaiah refer to it, of course, as Babylon.

And this process, of course, emerges bringing out the United Nations as the final in time global ruling entity, which the Bible refers to as the apparatus was Antichrist, or we could say the Antichrist system.

And that is why it sits in New York City, the big city. On the wall of the Security Council is a phoenix. That picture you're looking at right there is, in reality, the phoenix bird which is to grow out of the old world order.

America is to be controlled by Russian, Belgian, Irish and Colombian and Venezuelan troops under this plan. UN troops are already on U.S. soil. And it won't be very long before these sites that you're seeing right here are going to be very commonplace in the United States. And if the American citizens resist, they are simply going to be liquidated according to the Bible.

This power will come to pass. They've laid their plans well. And God has ordained it and is allowing it to happen. And so it's, in reality, here in America. It's a judgment against the United States.

There are many books written about a United Nations peace force. So this is not anything we're
making up. They come in under the UN charter.

"BUT THIS PRINCIPLE SHALL NOT PREJUDICE THE APPLICATION OF ENFORCEMENT MEASURES UNDER CHAPTER VII."

NARRATOR: The last part of it: This principle of noninterfering in a nation shall not prejudice the application of enforcement measures under Chapter VII.

In other words, the United Nations claims that it doesn't really want to get involved in internal international affairs, but the opposite is, in reality, the truth.

Chapter VII deals with action with respect to threats to the peace, breaches of the peace or acts of aggression. And it's the Security Council itself that determines the existence of a threat, breach or act of aggression. And it can even walk in under the threat or it's a possibility that we might have problems.

"...SHALL DETERMINE THE EXISTENCE OF ANY THREAT TO PEACE...BREACH OF PEACE OR ACT OF AGGRESSION..."

NARRATOR: And they determine the existence of any threat to the peace. So they can come in if they choose to on very fragile grounds, which is exactly what
they did in Somalia.

Should the Security Council consider that measures provided in 41, which are more economic -- I don't know exactly what word to use, but "sanctions" I guess is the best word to cover it. If that doesn't work, if economic sanctions do not work, then they can resort to military powers.

"...MAY TAKE SUCH ACTION BY AIR, SEA OR LAND FORCES AS MAY BE NECESSARY TO MAINTAIN OR RESTORE INTERNATIONAL PEACE AND SECURITY."

NARRATOR: And they can use whatever they have to to maintain or restore international peace.

Now, Psalm 2 says that:

"The kings of the earth set themselves, and the rulers take counsel together, against the Lord, and against his anointed."

Where do the rulers of the world meet? They meet at the United Nations. And this is where they take their counsel together. And the United Nations is, according to the Bible, Antichrist, Anti-God, to its very core. It is, in fact, the substitute for God and Christ on planet earth. They intend to take it for themselves.

"The fourth beast shall be the fourth kingdom
upon earth which shall be diverse from all kingdoms, and
shall devour the whole earth, and shall tread it down,
and shall break it in pieces.

"And the 10 horns out of this kingdom are 10
kings."

"DIVERSE. NOT A KINGDOM OR NATION. UN IS A
TREATY POWER. IT IS DIFFERENT THAN ANY ENTITY EVER
CREATED."

NARRATOR: Now, it's a diverse kingdom. The
United Nations is not a kingdom, and it's not a nation.
It exists solely by treaty power by an arrangement of
nations itself.

"THE UNITED NATIONS IS TO BE BROUGHT UP TO
FULL GLOBAL POWER WITH AN ARMY SO POWERFUL NONE CAN
FIGHT AGAINST IT."

NARRATOR: The United Nations is to be brought
up to full global power with an army so powerful that
none can fight against it. That's the entire plan, and
that is exactly what the Bible talks about for the end
times.

"THE UNITED NATIONS WILL BREAK INTO PIECES THE
WHOLE WORLD. ARTICLE 52, REGIONALISM."
NARRATOR: It will also break into pieces the entire world, and that's done under Article 52 which deals with regionalism which is, in fact, breaking the world into pieces.

And this is how they do it. They actually subdivide the world into 10 regions. That came out of the Club of Rome. And here are the regions on the TV screen.

Region 1, of course, is North America. And it's Region 1 by virtue of the fact it -- North America and particularly the United States -- is the primary power behind the United Nations enabling this to happen.

The United States itself is broken down into 10 federal regions. We have global regions and now we have national regions.

"WORLD REGIONS. NATIONAL REGIONS. ELECTED OFFICIALS TO APPOINTED OFFICIALS CENTRALIZED POWER."

NARRATOR: In our country, they are simply called federal regions. And we're moving, in effect, from elected officials to appointed officials to nonelected bureaucrats who are appointed.

Now, each region has different states in it, and the number of states varies with each particular
region. Then each state is subdivided up into its particular regions. Many times it falls along county lines. Many times it doesn't.

Overlapping all of it, of course, is of course the grids that keep getting smaller and smaller, which is the reason why thousands, actually millions, of Americans are getting address changes.

They're going under the United Nations grid system which divides the world into tiny pieces, which is exactly what Daniel said. They can get it right down to your house number. In fact, they can get it down to about 10 square yards of turf.

NARRATOR #2: Recently NASA's Landsat 4 satellite shown here just before its trip into space was launched at the western test range by a delta rocket. This Landsat is the fourth in a series of NASA spacecraft designed to continuously collect accurate information on earth's resources. More than 100 nations will make use of the information gathered by Landsat 4. In land use planning, mineral exploration and agriculture, Landsat project scientist Dr. Vincent Solomonson has described a new instrument on the satellite's thematic mapper.

* * * *

DR. SOLOMONSON: In urban planning, the thematic mapper will be very effective. Features that were blurred or hazy over cities, as viewed by the multispectrum scanner on the Landsats 1 through 3, will be seen more clearly from the thematic mapper. And as a result, urban planning will be able to manage and monitor the span of the urban sprawl into the surrounding countryside.

* * * *

NARRATOR #2: The major receiving and processing facility for Landsat data is located at
NASA's Goddard Space Flight Center in Greenbelt, Maryland. Completing its three-year mission, Landsat 4 is designed to be retrieved by the space shuttle.

(END OF FILM.)

(IRON MOUNTAIN REPORT RESUMES)

NARRATOR: So what we have are 10 federal regions. We have 10 federal regional councils, which are miniature Washingtons in each federal capitol. We are being regionalized. And pretty soon, there won't be any such thing as this counties or states.

"FROM STATE CONTROL TO TOTAL FEDERAL CONTROL."

NARRATOR: So what we're doing is going from county and state control to total federal control. And then the federal government is losing its control to the United Nations. This is globalism.

"THIS LEADS TO THE FEDERALIZATION OF OUR POLICE OR 'SECURITY' FORCE."

NARRATOR: This leads to the federalization of our police or the security forces within the U.S. And this is really in total violation of the constitutional implications, but they're not paying any attention to the constitution.

The internal security forces are not your peace-keeping -- UN peace-keeping troops -- the peace-keeping troops are there to put down actual
revolutions and wars.

"THE MJTF POLICE. A NATIONAL POLICE FORCE."

NARRATOR: The internal security forces are there more for crime control and rounding up people. Predominantly, the MJTF police will be the national police force. And this is George Bush and Clinton and the rest of them have continuously pushed this arms control treaty because they have to disarm us in order to make this thing work. If you will recall, we discussed that in the constitutional crisis.

"THE MJTF POLICE, MULTI-JURISDICTIONAL TASK FORCE POLICE, REMOVES ALL CITIZENS FROM LOCAL, COUNTY AND STATE PROTECTIONS."

NARRATOR: The MJTF police means multi-jurisdictional task force police. And it removes all citizens from local, county and state protections that you had under the law. And they're just abolishing all of this. And the MJTF mission, we believe, is a house-to-house search and seizure of people.

"ALL FEDERAL AGENCY UNITS, NATIONAL GUARD UNITS, STATE & LOCAL POLICE CONVERTS STREET GANGS AS NEEDED INTO DEPUTIZED POLICE UNITS."

IRON MOUNTAIN VIDEO PRESENTATION 82
NARRATOR: It is made up of national guard units, state and local police. Converts street gangs as needed into deputized police. House-to-house search and seizure, separation and categorization of men, women and children as prisoners in large areas.

Now, you have to understand that in order to liquidate the millions of people that Jesus Christ says is going to be liquidated, they have to plan this out long before it happens.

"1965, OFFICE OF LAW ENFORCEMENT ASSISTANCE, OLEA, UNDER DEPARTMENT OF JUSTICE."

NARRATOR: 1965, they started the Office of Law Enforcement Assistance.

"1968, OMNIBUS CRIME CONTROL ACT CONVERTS OLEA TO LEAA, 'LAW ENFORCEMENT ASSISTANCE ADMINISTRATION'."

NARRATOR: Then came in 1968 the Omnibus Crime Control Act which converted the OLEA to the Law Enforcement Assistance Administration.

"1971, LEAA CALLS FOR A REGIONALIZED POLICE FORCE."

NARRATOR: They called in 1971 for a regionalized police force.
"1971, ADVISORY COMMISSION ON
INTERGOVERNMENTAL RELATIONS ISSUES A PAMPHLET TITLED
M-67."

NARRATOR: In 1971, an advisory commission on
intergovernmental relations issued a pamphlet called
M-67 which called for a special multicounty and
interstate police force.

"1971, M-67 CALLS FOR...'SPECIAL POLICE TASK
FORCES...A SPECIAL MULTICOUNTY OR INTERSTATE POLICE
FORCE'..."

NARRATOR: In other words, the merging of all
police forces into one federal group.

"1973, LEAA AGAIN CALLS FOR THE ELIMINATION BY
MERGER OF SMALL POLICE FORCES."

NARRATOR: The LEAA in 1973 made calls for the
elimination by merger of small police forces. This is
exactly what Germany did under Hitler.

"ALL DICTATORSHIPS...HAVE TWO COMMON
CHARACTERISTICS: GENERAL CONFISCATION OF GUNS IN ORDER
TO PREVENT INTERNAL REBELLION..."

NARRATOR: All dictatorships have two common
characteristics. General confiscation of guns in order
to prevent internal rebellion --

"...AND THE ESTABLISHMENT OF A NATIONAL POLICE FORCE TO ENFORCE THE EDICTS OF THE DICTATOR, COLONEL ROBERTS."

NARRATOR: -- and the establishment of a national police force to enforce the edicts of the dictator. We are following Nazi Germany almost to the exact letter.

"1979, PRESIDENT CARTER ISSUES EXECUTIVE ORDER 12148 ESTABLISHING THE FEDERAL EMERGENCY MANAGEMENT AGENCY, FEMA."

NARRATOR: Carter issued an executive order 12148, and he established the Federal Emergency Management Agency known as FEMA.

"FEMA ABSORBS THE LEAA AND BECOMES THE PRIMARY CONTROL ORGANIZATION FOR THE INTERNAL SECURITY OF THE UNITED STATES IN AN 'EMERGENCY'."

NARRATOR: FEMA absorbed the LEAA and became the primary control organization for internal security of the United States in an emergency.

They're gearing this thing towards an emergency. That emergency is going to be World War III,
and it ushers in this whole system.

FEMA has many interesting programs. Rex 82 Bravo, Rex 84 Alpha, Helex 2, Rex Alpha, Night Train 84, Cable Splicer/Garden Plot. These are all martial law training exercises. The plan is to bring America under martial law. We believe they know the American people would never accept the system except if an external emergency were given.

"THESE EXERCISES CONCERN THEMSELVES WITH MARTIAL LAW. THE UN SYSTEM IS A MARTIAL LAW SYSTEM FOR LAW ENFORCEMENT."

NARRATOR: The UN system, remember, is a martial law military system. Under the executive orders of FEMA, mandatory registration of all people, including babies and children, in the United States.

At the United States Post Office, they have boxes of them. We already know about it. They're marked For Emergency Use Only.

The primary one here to look at is 11000 - seizure of all civilians in work brigades which is, in reality, slavery. It includes the rights to split up families as well.

In essence, what will happen in America is going to be worse than the Communist Revolution in
Russia. This plan provides the basis for the deployment and employment of military resources including national guard personnel for civilian disturbances.

"IRON MOUNTAIN EXTERNAL THREAT NUMBER 3 HAS BEEN AND IS NOW BEING IMPLEMENTED."

NARRATOR: So Iron Mountain External Threat Number 3 has been and is now being implemented; an omnipotent police force.

"IRON MOUNTAIN ECONOMIC SUBSTITUTES FOR WAR, THE SPACE PROGRAM."

NARRATOR: Next on the list is the space program as an economic substitute for war. It is the development of a long-range sequence of space-research projects with largely unattainable goals.

This kind of program offers several advantages lacking in the social welfare model. It's the nearest modern equivalent yet devised to pyramid-building and similar ritualistic enterprises of ancient societies.

IRON MOUNTAIN VIDEO PRESENTATION 87
PRESIDENT KENNEDY: "We choose to go to the moon in this decay and do the other things, not because they are easy, but because they are hard, because that goal will serve to organize and measure the best of our energies and skills because that challenge is one that we're willing to accept. One we are unwilling to postpone. And one we intend to win and the others, too."

NARRATOR #2: Everything associated with the Saturn V was huge. The rocket itself, the building where it was assembled and the crawler transporter that carried it to the launch pad.

The fully-loaded Apollo Saturn V was 363 feet tall. Its main engines alone generated 160 million horsepower, and its full pumps pushed fuel to the engines with the force of 30 diesel locomotives. As Saturn V lifted off Launch Complex 39 for the first time, it weighed more than 2800 tons.

* * * *

NARRATOR #2: Across the country and around the world, the Apollo 11 crew were welcomed back as heroes. Before project Apollo ended, six additional
flights to the moon were made, and all but one were highly successful. Then ASUTP, Apollo's Soil Use Test Project, a joint endeavor between the Soviet Union and the United States, the mission called for a mutual docking and crew exchange to develop the necessary equipment for international space rescues.

We've looked back at planet earth with Landsat remote since. Satellites, crops, forests, pollution all can be photographed in great detail to help us better manage our earth's resources.

As of now, two-thirds of the planets in our solar system have been explored. And by the end of this decade, we will have explored most of the rest, including Uranus and Neptune.

Space Shuttle 5, the first operational flight, two commercial communication satellites were hauled into orbit; one for satellite business systems, and one for TELUS out of Canada. Their deployment was a complete success.

Space Shuttle 6 was the second operational mission, and flight one for Challenger, this country's newest spacecraft. After launching a 5,000-pound tracking and data relay satellite from the payload bay, mission specialist astronauts Story Musgrave and Donald Peterson were the first Americans in nine years to walk...
in space, practice needed for satellite repair work.

Historically, the space program has proceeded in a building-block fashion. And toward that end, NASA has begun looking at the next logical step, a possible future space station, a permanent presence in space.

The station will serve as a scientific and technological laboratory, as well as an operations base from which satellites could be serviced and large structures assembled.

One of the highest priorities is to develop a clear understanding of a station's proper role in the total space program so that if and when it is proposed for development, the station will be a truly significant national asset, one that would ensure continued American prominence in space.

* * * *

PRESIDENT REAGAN: "The space program in general, or the shuttle program in particular, have gone a long way to help our country capture its spirit of vitality and confidence. The pioneer spirit still flourishes in America. In the future as in the past, our freedom, independence and national well-being will be tied to new achievements, new discoveries and pushing back new frontiers. We must look aggressively to the future by demonstrating the potential of the shuttle and
establishing a more permanent presence in space."

"IRON MOUNTAIN ECONOMIC SUBSTITUTE FOR WAR
NUMBER 1 HAS BEEN IMPLEMENTED."

"IRON MOUNTAIN ECONOMIC SUBSTITUTE FOR WAR
NUMBER 2, LONG-TERM DISARMAMENT PROCEDURES."

NARRATOR #2: Even when ratified, the INF Treaty will not totally eliminate the nuclear threat to Eurasia. The vast nuclear arsenal possessed by the USSR and the variety of delivery systems available still present a significant threat.

(END OF FILM.)

IRON MOUNTAIN VIDEO PRESENTATION
NARRATOR: The organization of fail-safe inspection machinery could well be ritualized in a manner similar to that of established military processes. Inspection teams might be very like armies, and their technical equipment might be very like weapons inflating the inspection budget.

In other words, what they want to do is they want to expand this.

"INSPECTION MACHINERY COULD WELL BE RITUALIZED...INSPECTION TEAMS MIGHT BE LIKE VERY ARMIES..."

NARRATOR: So what do we have, the INF Treaty where it says could well be ritualized. According to Iron Mountain, inspection teams might be like very armies.

And that's exactly what has happened. We have a great ritual of disarmament. It's very interesting what you find when you start digging into the INF Treaty hearings.

"LIMITED TEST BAN - 1963. NON-PROLIFERATION - 1968. ABM TREATY - 1972. ASSAULT ONE, ASSAULT TWO. INF TREATY. A LONG PROCESS."

One of the most important elements of the INF Treaty is the President establishes in this area including on-site inspection, one layer of the regime builds upon another.

And the whole thing becomes elongated, and it actually becomes a monster in and of itself. The data exchanges required are really immense, and so it requires an elaborate governmental system in order to accommodate all of this.

"IRON MOUNTAIN RECOMMENDATION NUMBER 2 HAS BEEN IMPLEMENTED."

NARRATOR: And so Iron Mountain Recommendation Number 2 has definitely been implemented.

The second one is the universal health care was a recommendation of Iron Mountain.

"IRON MOUNTAIN RECOMMENDATION NUMBER 3, UNIVERSAL HEALTH CARE FOR ALL."
NARRATOR: Universal health care for all.

It's an economic substitute for the war economy. It's very interesting how all of this works.

Health: Drastic expansion of medical research, education and training facilities; hospital and clinic construction; the general objective of complete government guaranteed health care for all. That's exactly what Clinton has introduced to the American people.

"PRESIDENT CLINTON ANNOUNCES HEALTH CARE REFORM: UNIVERSAL MANDATORY HEALTH INSURANCE."

NARRATOR: He announces a universal health care and mandatory insurance presently. So they're putting everything in place exactly as Iron Mountain told them to do.

It's universal and you cannot exempt yourself from it. And it is causing a lot of trouble around the nation, but the arguments are not going to be on that basis.

What is going to happen is we're going to be issued eventually a global identification card, and that is the purpose of this whole thing. The medical card has only one purpose. That's to get the foot in the door for the mark system.
"IRON MOUNTAIN'S THIRD RECOMMENDATION IS BEING IMPLEMENTED."

NARRATOR: Iron Mountain's third recommendation is being implemented.

"IRON MOUNTAIN ECONOMIC SUBSTITUTE NUMBER 4, A NEW EDUCATIONAL SYSTEM."

NARRATOR: Iron Mountain Economic Substitute Number 4 on new educational system to bring in globalism.

Under the United Nations, UNESCO, Congressional Record, the greater conspiracy to destroy the United States. Education for freedom and world understanding.

You see, all of this is designed to bring us into a world system, a global system under the control of the United Nations.

The second manifesto was U.S. Office of Education, the implementation of the program of surrender through education.

In other words, they destroy Americans, national pride and put us under the United Nations. And the NEA is leading in this. They even say it themselves, teaching about globalism and the world system.
"ENDURING PEACE CANNOT BE ATTAINED UNTIL THE NATION STATES SURRENDER TO A WORLD ORGANIZATION..."

NARRATOR: They say enduring peace cannot be attained until the nation states surrender to a world organization.

This is found out during the Reece committee hearings in Congress:

Putting the evidence together, we conclude the NEA has been an important element in the tax-exempt world to indoctrinate American youth with internationalism --

"...TO INDOCTRINATE AMERICAN YOUTH WITH INTERNATIONALISM."

"THE IRON MOUNTAIN AGENDA IS TO BRING IN A ONE WORLD SYSTEM."

NARRATOR: -- which is synonymous with a lot of communist, illuminist, whatever you want to call it. The Iron Mountain agenda is being carried out. Outcome-based education, the developing of leaders for restructuring the schools, change agents. Parents are beginning to get upset that they are not putting it together. American 2000, a national strategy to change every nation, every family. Everything is going down
exactly as Iron Mountain said it should.

Global education is nothing more than a promotion of the United Nations and to destroy the Constitution of the United States to bring us out from the constitution and merge us into the UN.

That's what they're going to do. To improve learning and teaching by providing a national framework for educational reform, to promote research, consensus building and systematic changes needed to ensure.

You see, everything has to be changed. Guess where the changes all lead to? And guess who is behind it? If you look, Robert Muller, former UN Second General to the UN, member of the planetary citizens, wrote the global core curriculum; Marilyn Ferguson, The Aquarian Conspiracy, The New Age. This is all being integrated into the educational system of America. And it's called America 2000, and it is extremely subversive.

The national and international powerplay for education, it's going to go through because God has decreed it will go through. And UNESCO is behind it.

Gorbachev: We parted with the old world, rejecting it once and for all. We are moving toward a new world, the world of communism. We shall never depart from it.
Books are on the market explaining all of this. And we don't have time in this video to get into it.

"IRON MOUNTAIN RECOMMENDATION 4 IS BEING IMPLEMENTED."

NARRATOR: Iron Mountain Recommendation Number 4 is being implemented.

NARRATOR: Iron Mountain sociological substitute for war, slavery. Another possible surrogate for the control of potential enemies of society is the reintroduction in some form consistent with modern technology and political processes of slavery.

"FOR THE CONTROL OF POTENTIAL ENEMIES OF SOCIETY IS THE REINTRODUCTION...OF SLAVERY."

NARRATOR: For the control of potential enemies of a society.

"ANYONE THAT DOES NOT AGREE WITH THE NEW ORDER IS AN 'ENEMY OF SOCIETY' AND IS THEREFORE SUBJECT TO HARD LABOR."
NARRATOR: Anyone that does not agree with the New World Order is an enemy of society, and is therefore subject to slavery.

"DETENTION CENTERS, CONCENTRATION CAMPS, WORK CAMPS ARE ASSOCIATED WITH FORCED LABOR."

NARRATOR: Detention centers and concentration camps, work camps are associated with forced labor which is, in reality, slavery.

Seizure under the executive orders of all civilians and work brigades, that's forced labor, that's slavery, which includes the rights to split up families.

"FEMA/MILITARY DETENTION CENTERS SET UP UNDER REX-84. THERE ARE OVER 130 SUCH FACILITIES IN AMERICA."

NARRATOR: There are concentration camps, detention centers all over the United States set up under FEMA under Rex 84. And at last count, we had 130 such facilities in the United States of America.

In Arizona you'll see, for example, some there. We've got one here in Wisconsin. Concentration camps for U.S. citizens.

"MISSION STATEMENT MJTF POLICE. TO CONDUCT HOUSE-TO-HOUSE AND SEIZURE AND SEPARATION AND CATEGORIZATION OF MEN, WOMEN AND CHILDREN IN LARGE NUMBERS..."
NARRATOR: The MJTF police to conduct house-to-house search and seizure and separation and categorization of men, women and children and babies.

"...CATEGORIZATION AND TRANSFER TO DETENTION FACILITIES AND THE RUNNING OF DETENTION FACILITIES..."

NARRATOR: Categorization and transfer to detention facilities and the running of detention facilities.

"...IRON MOUNTAIN SLAVERY RECOMMENDATION PART 2, MANDATORY SERVICE."

NARRATOR: Iron Mountain Slavery Recommendation Number 2 is mandatory service.

"A FORM OF 'UNIVERSAL' SERVICE...TURN TO SOME VARIANT FORM OF THE PEACE CORPS OR...JOB CORPS..."

NARRATOR: A form of universal service turn to some variant form of the peace corps or the job corps.

"IT IS ENTIRELY POSSIBLE THAT THE DEVELOPMENT OF A SOPHISTICATED FORM OF SLAVERY MAY BE AN ABSOLUTE PREREQUISITE FOR SOCIAL CONTROL IN A WORLD AT PEACE."

NARRATOR: It is entirely possible that the development of a sophisticated form of slavery may be an
absolute prerequisite for social control in a world of peace.

Now, this is just incredible when you really stop and look at what they're actually saying. In relationship to Biblical prophecies, remember Jesus said they're going to round you up and kill you.

"PRESIDENT CLINTON HAS AUTHORIZED 'BOOT CAMPS' FOR YOUNG OFFENDERS. IS THIS THE BEGINNING OF A LARGER PROGRAM FOR SOCIAL 'REORIENTATION'?"

NARRATOR: President Clinton has authorized boot camps for young offenders. Is this the beginning of a larger scale (sic) for social reorientation? Like the communists do?

America 2000, the national plan that's going into our schools, requires mandatory community service. There are calls going out all the time.

"PRESIDENT BUSH AND CLINTON HAVE CALLED FOR MANDATORY COMMUNITY SERVICE FOR ALL YOUTH."

NARRATOR: President Bush and Clinton have called for mandatory community service for all youth up to, say, two years, mandatory service. You can serve military service or some other place, but you are going to serve.
"IRON MOUNTAIN SOCIOLOGICAL SUBSTITUTE FOR WAR NUMBER 1 IS BEING IMPLEMENTED."

NARRATOR: The substitute for war is being implemented.

"IRON MOUNTAIN SOCIOLOGICAL SUBSTITUTE FOR WAR NUMBER 2 'BLOOD GAMES'."

NARRATOR: Iron Mountain sociological substitute for war number 2 is called blood games. Game theorists have suggested, in other contexts, the development of blood games for the effective control of individual aggressive impulses. More realistically, such a ritual might be socialized, in the manner of the Spanish Inquisition and the less formal witch trials of other periods, for purposes of social purification, state security, or other rationale both acceptable and credible to postwar societies.

"...INQUISITION...WITCH TRIALS...FOR THE PURPOSE OF 'SOCIAL PURIFICATION (STATE SECURITY)' OR OTHER RATIONALE..." 

NARRATOR: Inquisitions, witch trials, for the purpose of social purification, state security, which is the key one.
"SUCH A RITUAL MIGHT BE SOCIALIZED..."

NARRATOR: Such a ritual might be socialized.
In other words, they make it into a big social event like the inquisitions were.

We saw part of that beginning to unravel when we watched the Branch Davidian invasion and subsequent massacre of David Koresh and his group. A lot went down at Waco that very few Christians understand.

"DAVID KORESH AND THE BRANCH DAVIDIANS WERE 'DEMONIZED' BY THE NATIONAL MEDIA. THEY WERE TRIED, JUDGED AND EXECUTED IN A SOCIAL RITUAL."

NARRATOR: David Koresh, the Branch Davidians, were demonized by the national media, first of all. They were tried, judged and executed in a social ritual in total violation of every right guaranteed under state and federal constitutions.

"THE WACO MASSACRE FOLLOWED ALL POINTS OF RITUALIZED KILLING. THEY WERE A CULT, AND IT WAS FOR 'SOCIAL PURIFICATION'. THEY DESERVED IT."

NARRATOR: The Waco massacre followed all points of ritualized killing. They were a cult. It was for social purification and, therefore, they deserved
what they got.

"THEIR COMPOUND WAS RAIDED BY A FEDERAL ASSAULT GROUP WHEN, IN FACT, THERE WAS NO EVIDENCE OF ANY CRIME."

NARRATOR: Their compound was raided by federal assault groups when, in fact, there was no evidence of any crime having been committed.

"EVEN IF THERE WAS EVIDENCE FOR A CRIME, IT IS THE DUTY OF THE LOCAL SHERIFF TO SERVE WARRANTS, NOT THE FEDERAL GOVERNMENT."

"THE CONSTITUTION OF THE UNITED STATES CAME UNDER SEVERE ATTACK AT WACO, AND THE AMERICAN PEOPLE CHEERED."

NARRATOR: They will be next. The vast majority of American people have allowed the media to brainwash them, and they accept as truth whatever the media has told them.

In order to socialize the ritual of killing the innocent, the rationale that is acceptable to society must be found. This requires the deliberate distortion and manipulation of the actual facts to make the murders justified.

This ritualization by the media is now becoming a standard, and whatever the government says
about someone is handed out as truth. Very few Americans understand what happened at Waco. It appears from the evidence that Koresh was an 'experiment' in ritualized killing, and it was fully rationalized. The demonization of Koresh and his group began well prior to the raid itself. It was intensified as the standoff continued. Koresh was 'evil,' his followers were evil, and therefore they had to be liquidated.

President Clinton said Koresh was the killer, and this is exactly how the rationalization works. You always blame the target group or person and make them the 'enemy' of the state. Thus, they become a problem to 'state security' and to society as a whole, and the need for 'social purification' is accepted by the general population.

(FILM)

PRESIDENT CLINTON: Yesterday's action ended in a horrible human tragedy. Mr. Koresh's response to demands to surrender by federal agents was to destroy himself and murder the children who were his captives, as well as all the other people who were there who did not survive. He killed those he controlled, and he bears ultimate responsibility for the carnage that ensued.
"THE RANDY WEAVER CASE. RUBY RIDGE, IDAHO"

(FILM)

MR. WEAVER: In the papers before I was going to go to court, they called me "The White Supremacist" and all that.

* * * *

(FILM)

MR. SPENCE: ...vehicles of demonization that we are all victims of. The federal government decides it is going to prosecute somebody. They sort of demonize them.

INTERMISSION

"IRON MOUNTAIN BLOOD GAMES."

"THE CONSTITUTIONAL CRISIS IN AMERICA TOWARDS MARTIAL LAW."

* * * *

MR. SPENCE: Do you want to give your federal agents that leeway to just say when they kill American citizens, that things -- it just went wrong? We just have a mother here dead. We have a little boy dead. And just things went wrong.

(END OF FILM.)
"FEMA REVISITED."

"THEY HAD BEEN ORDERED TO KILL THE WEAVERS REGARDLESS OF ANY THREAT FAMILY MEMBERS POSED TO GOVERNMENT PERSONNEL."

NARRATOR: During the Weaver trial, it was admitted by federal agents that they had been ordered to kill the Weavers regardless of any threat family members posed to government personnel. Now, I want you to think about how serious that is.

"WHAT WAS THE CHARGE AGAINST VICKY WEAVER? WHAT CRIME AGAINST THE STATE HAD SHE COMMITTED THAT WARRANTED HER EXECUTION?"

NARRATOR: What was the charge against Vicky Weaver? What crime against the state had she committed that warranted her execution by the federal government?

"INDEED, SHE WAS NOT CHARGED WITH ANY CRIME WHATSOEVER, YET THE U.S. GOVERNMENT ORDERED HER SHOT ON SIGHT!"

NARRATOR: Indeed, she was not charged with any crime whatsoever, yet the U.S. Government ordered her shot on sight. A virtual killing. It was murder.
"THIS IS MURDER IN THE FIRST DEGREE. IT IS COLD-BLOODED RITUALISTIC 'SOCIAL PURIFICATION' BECAUSE THE WEAVERS HELD A VIEWPOINT NOT 'POLITICALLY CORRECT'."

NARRATOR: It was murder in the first degree. It is cold-blooded ritualistic social purification because the Weavers held a viewpoint not politically correct.

"THE WEAVER CASE, ALONG WITH THE BRANCH DAVIDIANS, PROVES WE ARE IN THE MIDDLE OF THE FINAL BATTLE FOR THE CONSTITUTION OF THE UNITED STATES."

NARRATOR: The Weaver case, along with the Branch Davidians, proves we are in the middle of the final battle for the Constitution of the United States. There are many, many enemies in America that want to get rid of our constitution and destroy our rights.

"THE WAR HAS NOW SHIFTED FROM A PAPER AND LEGAL WAR TO AN OVERT SHOOTING WAR. ARE THESE TRIAL RUNS TO SEE THE REACTION OF THE AMERICAN PEOPLE?"

NARRATOR: The war has now shifted from a paper and legal war to an overt shooting war. And we feel it’s going to get far worse.
"IF THIS IS TRUE, THE REACTION OF THE AMERICAN PEOPLE PROVES TO THE ENEMIES OF OUR CONSTITUTION THAT WE ARE READY FOR A COMPLETE AND TOTAL TAKEOVER."

NARRATOR: They came against this thing to see what their reaction of the American people would be, and they found out that the American people cheered them on. So we are ready for a complete takeover.

A Spotlight put out a small publication on FEMA. In the case of Merge, a Blueprint, Case of Emergency, an executive orders blueprint for dictatorship also is one of their publications.

Now, an executive order is issued by the President of the United States. It does not go through the senate or the congress. He merely issues it. It's put in a federal register. And within 30 days, it has full effect of law, and nobody passes upon it.

Now, that's fine, and he has some rights to do that, but not contrary to the Constitution of the United States.

FEMA developed national security emergency plans for the regulation of immigration, nationals of enemy countries, plans to implement laws for the control of persons entering or leaving the United States, develop intergovernmental and interagency law enforcement plans and counter-terrorism programs to
interdict and respond to terrorism incidents in the United States that may result in a national security emergency.

"...TO INTERDECT AND RESPOND TO TERRORISM INCIDENTS IN THE UNITED STATES..."

NARRATOR: To interdict and respond to terrorism incidents in the United States. Now, this is a key that they're beginning to use.

"UNDER THE NEW CRIME CONTROL ACTS, A PROTESTER CAN BE CHARGED WITH TERRORISM. THESE ACTS CLEARLY VIOLATE THE CONSTITUTION."

NARRATOR: Under the new crime control acts, particularly under the crime control bill Number 8, which is now before the congress, a protester can be charged with terrorism.

"THIS PAVES THE WAY FOR THE GOVERNMENT TO DECLARE ALL THOSE WHO OPPOSE THE NEW WORLD ORDER AS TERRORISTS, AND IMPRISON THEM."

NARRATOR: And this paves the way for the government to declare all those who oppose the New World Order as terrorists and, therefore, imprison them, because you will be a political dissenter.
"...TO DEVELOP...LAW ENFORCEMENT PLANS TO
RESPOND TO CIVIL DISTURBANCES..."

NARRATOR: To develop law enforcement plans to respond to civil disturbances. These people know perfectly well there's going to be major disturbance when this finally comes in.

"ALL BASES COVERED. POLITICAL DISSENT IS NOT POSSIBLE. DEMONSTRATIONS ARE NOT POSSIBLE."

NARRATOR: So they want all bases covered by law. So that's their rationale. They will legally be able to do this.

You don't think it's going to happen, which is exactly the executive order issued by George Bush to quell the Los Angeles riots. When L.A. went under martial law, very few people understand what that means. But it means, in essence, that this constitution in Los Angeles was totally suspended.
federal law enforcement officers will be used to suppress the violence. In other words, it's their officializing everything and that's what happens under martial law."

"...AND TO RESTORE LAW AND ORDER..."

"...OR MEMBERS OF THE NATIONAL GUARD..."

NARRATOR: And to restore law and order, they can also call up members of the national guard. That's a key point. They're militarizing the nation. They're putting it under military law.

"LOS ANGELES WAS UNDER FULL MARTIAL LAW. IF AMERICANS DO NOT WANT THE NEW WORLD ORDER, AND RESIST, AMERICA WILL GO UNDER MARTIAL LAW."

NARRATOR: If Americans do not want the New World Order and they resist, America will go under immediate martial law rather than through the staged program into a martial law system, which is what the UN is.

"TO COORDINATE...ALL FEDERAL AGENCIES ASSISTING IN THE SUPPRESSION OF VIOLENCE...AND THE ADMINISTRATION OF JUSTICE..."
NARRATOR: Also included, to coordinate all federal agencies assisting in the suppression of violence and the administration of justice.

"MARTIAL LAW SUSPENDED THE CONSTITUTION OF THE UNITED STATES."

NARRATOR: Martial law suspends the Constitution of the United States.

"THE UN IS TO BE BROUGHT UP TO FULL POWER. IT WILL RULE VIA A THREE-TIER MILITARY MARTIAL LAW SYSTEM."

NARRATOR: The UN is to be brought up to full power. And it will rule through martial law via a three-tier military martial law system. The first one we're going to actually look at is called FinCEN.

"1. FINCEN UN TROOPS. FINCEN EQUIPMENT IS PAINTED BLACK WITH NO MARKINGS."

NARRATOR: And FinCEN, from the data we can get, it's not only a financial-controlling sector, but it has to do with other things.

Their equipment is black, and there are reports of a multitude of black helicopters all over the United States. We get calls on it virtually every day from someone who has just had it fly over the house.
...BLACK PAINT SCHEMES ARE USED ON HELICOPTERS BY THE DRUG ENFORCEMENT AGENCY (DEA) AND U.S. ARMY SPECIAL OPERATIONS...

NARRATOR: The FAA says black paint schemes are used on helicopters by the Drug Enforcement Agency and the U.S. Army Special Operations.

"AMERICAN CITIZENS ALL OVER THE UNITED STATES ARE SEEING BLACK HELICOPTERS WITH NO MARKINGS. FEDERAL AUTHORITIES HAVE NO COMMENT..."

"AN INFORMANT IN THE AIR RESERVE TOLD CIA MINISTRIES THAT HE PERSONALLY SAW A BLACK UNMARKED HELICOPTER IN A UN HANGAR."

"A MAN WHO CLAIMS HE WAS IN MILITARY INTELLIGENCE SAYS THE HELICOPTERS ARE UNITED NATIONS FINCEN AIRCRAFT."

"BECAUSE OF PUBLIC LAW 87-297, AND THE TRANSFER OF ALL MILITARY POWER OVER TO THE UNITED NATIONS, AND BECAUSE OF THE EXECUTIVE ORDERS SIGNED BY BUSH AND OTHERS..."

"THE EVIDENCE IS VERY STRONG THAT WE ARE SEEING THE FINAL PHASE OF STEP TWO IN THE DISARMAMENT AND TRANSFER PLAN SHOWN PREVIOUSLY."

"INASMUCH AS WE KNOW THE UNITED STATES MUST GO UNDER THE UNITED NATIONS, THEN THE BLACK HELICOPTERS MUST BE IN PREPARATION FOR THAT MOVE."

"BLACK HELICOPTERS HAVE ALSO BEEN ASSOCIATED MANY TIMES WITH THE UFO SIGHTINGS AND RECOVERY OPERATIONS."

"THESE FACTS, Coupled WITH ARMY SPECIAL OPERATIONS, LEAD CIA TO CONCLUDE THE BLACK HELICOPTERS ARE CONNECTED TO IMPENDING MARTIAL LAW OPERATIONS."
NARRATOR: Here is a map of FinCEN locations in the United States.

"SO CALLED 'CONFIRMED' FINCEN TROOP DEPLOYMENT LOCATIONS IN THE UNITED STATES."

NARRATOR: And these are confirmed, they claim. We have not been able to verify it. We're bringing this to you strictly unverified for troop deployment locations in the United States of America. There's been a fairly consistent reporting in Montana of UN combat groups.

"2. UN COMBAT GROUPS, THE TOP TIER IN THE UN SYSTEM ENTRANCE TO U.S. BY PRESIDENTIAL EXECUTIVE ORDER - 11/11/90, PRESIDENT BUSH."

NARRATOR: They are, in reality, the top tier in the UN system. And entrance to the U.S. was by Presidential Executive Order 11/11/90 signed by President Bush. And there are many battle group locations, and there are many multijurisdictional task force police.

"3. THE MJTF POLICE, THE THIRD TIER OF THE UN POLICE FORCE. A US/UN FEDERAL POLICE FORCE."
NARRATOR: Which are the third tier or the lowest on the UN police force. And it is, in reality, from what we can gather, is the federalization of the police forces in America and putting them, in reality, under the United Nations command, which we go under.

"DETENTION CENTERS, CONCENTRATION CAMPS FOR DISSENTERS."

NARRATOR: That would be for the detention centers, concentration camps for dissenters are part of this overall system for the roundup of people. Now, one of the largest ones is in Alaska.

"THE ALASKAN CAMP IS THE BIGGEST, BEING ONE MILLION ACRES. IT IS LOCATED JUST OUTSIDE OF FAIRBANKS, AND IS SERVICED BY A SPUR LINE CALLED 'THE ALASKAN RAILROAD'."

NARRATOR: Its being over one million acres, and it is located just outside of Fairbanks, according to reports, and is serviced by a spur line called the Alaskan Railroad.

That's very interesting because under the emergency orders under FEMA, one of the railroads gets activated and falls under their control is the Alaskan Railway.
UNDER THE EXECUTIVE ORDERS, THE 'ALASKAN RAILWAY' FALLS UNDER THE EMERGENCY DOMAIN OF FEMA!

NARRATOR: And so we're beginning to find out that all of this goes together.

"THE ALASKAN CAMP WAS PURCHASED UNDER A 'MENTAL HEALTH BILL'. ANYONE WHO DOES NOT AGREE WITH THE NWO IS 'MENTALLY ILL'."

NARRATOR: The Alaskan camp was purchased under a mental health bill. And, of course, you have to understand that they are using mental health as one of their primary methods of warfare.

"IRON MOUNTAIN RECOMMENDATIONS OF AN 'INQUISITION' FOR SOCIAL PURIFICATION ARE CONFIRMED BY JESUS CHRIST."

NARRATOR: The Iron Mountain recommendations for an inquisition for social purification are also confirmed by the Lord Jesus Christ.

"Then shall they deliver you up to be afflicted, and shall kill you. And ye shall be hated of all nations for my name's sake."

This is predominantly a move against Christians and Jesus Christ.

"And he shall speak great words against the
most High, and shall wear out the saints of the most
High, and think to change times and laws..."

See, that's exactly what they're doing right
now. They're changing all the laws.

"And it was given unto him to make war with
the saints, and to overcome them. And power was given
him over all upon kindreds, and tongues, and nations."

And in Revelation 17: "And I saw the woman
drunken with the blood of the saint, and the blood of
the martyrs of Jesus."

And this is actually, you're going to find
out, has much to do with the United Nations.

"IRON MOUNTAIN SUBSTITUTE FOR WAR 'BLOOD
GAMES' HAS BEEN IMPLEMENTED."

NARRATOR: Iron Mountain substitute for war
blood games has been, in effect, implemented and is
being carried out.

Ecological: Considering the shortcomings of
war as a mechanism of selective population control, it
might appear that devising substitutes for this function
should be comparatively simple.

In other words, war kills off some people and
so now we have to have an ecological substitute for that
function.
"IRON MOUNTAIN ECOLOGICAL SUBSTITUTE FOR WAR, TOTAL POPULATION CONTROL."

NARRATOR: And it really boils down to population control. Current trends in warfare, the increased strategic bombing of civilians and the greater military importance now attached to the destruction of sources of supply (as opposed to purely 'military' bases and personnel) strongly suggest that a truly qualitative improvement is in the making.

"...INCREASED STRATEGIC BOMBING OF CIVILIANS...DESTRUCTION OF SOURCES OF SUPPLY...A TRULY QUALITATIVE IMPROVEMENT IS IN THE MAKING..."

NARRATOR: In other words, as we phase down the war system, there's probably going to be one great last one in their plans to really reduce the world population.

There is no question but that a universal requirement that procreation be limited to the products of artificial insemination would provide a fully adequate substitute control for the population.

"...A UNIVERSAL REQUIREMENT THAT PROCREATION BE LIMITED TO PRODUCTS OF ARTIFICIAL INSEMINATION..."
NARRATOR: A universal requirement that procreation be limited to products. See how they treat people?

"...CONCEPTION AND EMBRYONIC GROWTH TAKING PLACE WHOLLY UNDER LABORATORY CONDITIONS - WOULD EXTEND THESE CONTROLS TO THEIR LOGICAL CONCLUSION."

NARRATOR: Conception and embryonic growth taking place wholly under embryonic conditions would extend these controls to their logical conclusion.

"TOTAL AND COMPLETE CONTROL OF EVERY HUMAN BEING BORN. PRESELECTED TO BE A SLAVE TO THE RICH MEN OF THE EARTH."

NARRATOR: Now, total and complete control, this is what this means, of every human being born. They will be preselected genetically to be a slave to the rich men of the earth, is the system they're setting up.

"INTERMEDIATE STEP - TOTAL CONTROL OF CONCEPTION WITH A VARIANT OF THE PILL, VIA WATER SUPPLIES OR ESSENTIAL FOOD STUFFS..."

NARRATOR: They have an intermediate step, total control of conception with a variant of the pill,
via water supplies or essential food stuffs. In other words, they intend when they bring in this new system, they will stop the growth of the population. They will put an end to the food or the water supplies, and then they would offset it.

"OFFSET BY A CONTROLLED 'ANTIDOTE' - IS ALREADY UNDER DEVELOPMENT..."

NARRATOR: Then they would offset it by a controlled substance so that it could be countermanded and the woman become pregnant. And they claim in Iron Mountain that it was already under investigation and under work back in 1961.

"INTERPRETATION...THE MANDATORY MASS STERILIZATION OF THE HUMAN RACE WITH THE ANTIDOTE IN THE HANDS OF THE UNITED NATIONS."

NARRATOR: So the interpretation is the mandatory mass sterilization of the human race with them in total control of all the antidotes for it. Excess population, Iron Mountain says, is war material. As long as any society must contemplate even a remote possibility of war, it must maintain a maximal supportable population.
"...EXCESS POPULATION IS WAR MATERIAL...(CANNON FODDER) IS THE TERM USED BY THE ELITE AT THE WORLD WILDERNESS CONGRESS."

* * * *

UNKNOWN SPEAKER: When the auditor finally gets his hands on the balance sheet, I suggest, therefore, that this be sold not through a democratic process. That would take too long and require far too much of the funds to educate the cannon fodder, unfortunately, which populates the earth.

We have to take almost an elitist program that we can see the cannon fodder's belly and look to the future in time frames and in results, which are not easily understood or to which can be, with intellectual honesty, be reduced down to some kind of simplistic definition.
