Introduction

This document reinforces Mr. Donald Marshall's testimonies regarding the Illuminati's highly advanced and hidden technologies; the reality of human cloning; and the reality of REM driven, human cloning. It also intensifies Mr. Marshall's affirmations regarding the Illuminati's REM driven human cloning subculture, for the simple reason that many high profile, public figures, are mentioned in this document, for which Mr. Marshall has made very serious and reputation damaging declarations against their names; yet not ONE person mentioned in this document denies ANY of Mr. Marshall's affirmations; provides evidence to the contrary of Mr. Marshall's affirmations; OR takes Mr. Marshall to court for making such serious and reputation damaging declarations against their names. It is against the law to: slander names; fabricate false and reputation damaging allegations; use the image of high profile figures inappropriately; incite a public panic, as well as, use a computer to do any of the above (Public Interest Disclosure Act (PIDA) 1998 section 43B; Enterprise and Regulatory Reform Act (ERRA) 2013 section 17; The Serious Crime Act 2015 section 41 3ZA, Computer Misuse Act (1990) Section 3A). In their silence, the high profile public figures mentioned in this document, admit their guilt.

Accordingly, when we consider past examples of false allegations claims, what is demonstrated in cases involving high profile figures, follows a pattern whereby the high profile figures either: publicly deny the claims, and do not let it continue, because the claims are reputation damaging; the high profile person(s) takes the accuser to court, whereby the allegations are found to be false, and the accuser is either fined or imprisoned for her / his role in making reputation damaging accusations against the high profile figure; the accuser drops the charges before it reaches a court hearing –because the accuser does not want to implicate themselves further, because their allegations were false to begin with; the high profile person provides evidence to the contrary of the accuser's allegations –such as submitting to an independent lie detector test; and, in examples where high profile figures have been falsely accused of fathering a child, the high profile person in question has submitted evidence to the contrary such as a DNA / paternity test, which demonstrates CLEARLY that the child does not belong to them. Furthermore, in an example which may seem innocent on the surface, such as using a high profile person's image to deter people from unacceptable workplace behaviour (The Info Stride 2015; TMZ 2015), can lead to slander charges, because, public figures depend on maintaining an image which they sell to the public, -directly, as well as, indirectly. The reader should review the following sources cited here, which give excellent examples regarding how false allegation claims concerning high profile figures have transpired (Huffington Post 2011; The Richest 2014); what the final verdict was; and what happens to the accuser of false allegations. The message is **CLEAR**: Mr. Marshall's accounts are factual; or else, Mr. Marshall would have been subjected to similar treatment as the people who either made false allegations against high profile people, or used "the image(s)" of high profile persons inappropriately.

For the reader who has difficulty accepting there is another reality, and subculture, where original people meet as cloned versions of themselves, seek: “**Empowerment by Virtue of Golden Truth**” (Marshall 2015) for a full discussion on the subject of “REM driven cloning”; “**Exposing the Illuminati’s REM driven cloning subculture, Volume 1: Frequently Asked Questions**” (Marshall 2016b) for answers to frequently asked questions pertaining to the subculture where original people meet as (REM driven) human cloned versions of themselves; and “**Experiences from the Cloning Center Volume 1**” (2016a) which helps to reinforce ones’ understanding regarding the reality and actuality of the REM driven, human cloning subculture, as well as, Mr. Marshall’s eyewitness accounts when he is unwillingly activated as a REM driven clone.

The purpose of this document is to demonstrate to the reader that Mr. Marshall’s accounts are true, otherwise Mr. Marshall would be facing a fine or possible imprisonment for making such serious and reputation damaging declarations against the names of the high profile persons mentioned in this document. Fundamentally, readers should not get so caught up to learn that their favourite high profile person may not be ‘that great’ as a REM driven clone version of themselves, when it is indeed the same person who controls the REM driven clone VIA **their** consciousness. I can understand the disappointment; although the statements made about each high profile person in this document are important, essentially what is more important is the shutdown of the human cloning facilities. This is the aim of Mr. Marshall, as well as, others supporting Mr. Marshall.

Support Mr. Donald Marshall by ensuring Mr. Marshall reaches a figure of **one million brave and active people** against the Illuminati’s REM driven human cloning subculture, by **SHARING** Mr. Marshall’s disclosure documents as far and as wide as possible. Mr. Marshall’s **CURRENT IMPERATIVE** is that he needs the help of **one million active and brave people**, to join, read and subscribe to his Facebook account, so that when Mr. Marshall has **one million active and brave people**, Mr. Marshall will have a large percentage of the population who **CLEARLY** understand Mr. Marshall’s dilemma concerning REM driven cloning and more. When such a milestone is reached, this is when a large percent of the population can protest and demand that Illuminati members submit to independent polygraph tests for their involvement with REM driven cloning. Mr. Marshall currently has over 12,000 people who bravely and openly subscribe to Mr. Marshall’s Facebook account, although the **real figure** concerning people who know of Mr. Marshall’s dilemma is likely to be in the **tens of millions**. It is Mr. Marshall and his Facebook friends’ plea, that IF: Mr. Marshall’s eyewitness accounts resonates with you and you **LEGITIMATELY FEEL COMPELLED** to help, that you take the required action by **SHARING** Mr. Marshall’s disclosure documents as far and as wide as possible, and show support for Mr. Marshall by subscribing to Mr. Marshall’s Facebook account. Let’s work together and free Mr. Donald Marshall and others from the Illuminati’s REM driven human cloning grip, as soon as possible. Read / Print / Download / Share.

Kommentti [C2]: @ Don I have added this comment, and I hope it is ok with you?

DM: = Donald Marshall

Public Figures and their Relationship with Donald Marshall as REM Driven Clones

Angela Merkel, Chancellor of Germany

Angela Merkel, Chancellor of Germany attends the cloning center, as a REM driven clone version of herself when she goes to sleep, through the process of consciousness transfer from her original body to her duplicate REM driven clone. As a REM driven clone version of herself, Chancellor Angela Merkel has hurt me in the past when I was unwillingly activated as a REM driven clone at the cloning center.

Furthermore, on the night of 1st May 2012, when I went to sleep, and I was unwillingly activated as a REM driven clone at the cloning center, through the process of consciousness transfer from my original body to my REM driven clone, it was Chancellor Angela Merkel's turn to persuade me to willingly join the Illuminati's REM driven cloning subculture. As a REM driven clone version of herself, Chancellor Angela Merkel, offered me, as a REM driven clone, promises of no more hurt and torture as a REM driven clone, the opportunity to make the odd song, and have sex with celebrities as REM driven clones. As a REM driven clone version of myself I told Angela Merkel who was a REM driven clone version of herself "NO! It is no surprise you are here talking to me because it is only the fat, smelly, ugly, old and scummy people, who are the biggest supporters of "The Diddle Dome" [cloning center]". [Review Marshall \(2016a\)](#) *Experiences from the Cloning Center Volume 1* under the content heading: "May 2, 2012; Angela Merkel Chancellor of Germany, and Vladimir Putin versus Donald Marshall" for full details regarding this interaction with Angela Merkel, Chancellor of Germany when we were both activated as REM driven clone versions of ourselves at the cloning center.

Barack Obama, 44th U.S. President

[United States President, Barack Obama](#) attends the cloning center as a REM driven clone of himself and talks to [Queen Elizabeth II](#) as a REM driven clone version of herself, nearly every night (when they go to sleep in their original bodies; and are activated as REM driven clones once they reach REM sleep in their original bodies, through the process of consciousness transfer). [United States President, Barack Obama](#), ([Queen Elizabeth II](#), as well as, many others) who attends the above ground cloning center located in

Canada where I am unwillingly activated as a REM driven clone, reviews my Facebook posts on a big screen as REM driven clone version of himself, at the cloning center nightly... then after reviewing my Facebook posts, as a REM driven clone version of himself, United States President Barack Obama, (or other loyal Illuminati members) will look at me and give me dirty looks... and as a REM driven clone version of myself, I retort by saying to United States President, Barack Obama (or other Illuminati members who are also REM driven clones, and have reviewed my Facebook posts, and decided to give me dirty looks), "Yeah... and what, you piggish bastards?!"

Moreover, United States President, Barack Obama is completely controlled by the prime evil Illuminati members, and as a REM driven clone version of himself activated at the cloning center, United States President, Barack Obama does EXACTLY what people such as Queen Elizabeth II, Vladimir Putin, as well as, representatives, from China, Arab States, and Israel tell him to do. As a REM driven clone version of himself at the cloning center, United States President, Barack Obama does **NOT** have any say whatsoever. United States President, Barack Obama, **MUST** do exactly what the prime evil Illuminati members tell him to do. As a REM driven clone version of himself, sometimes United States President even cries at the cloning center because he has no real authority or power, and must do what he is told.

Furthermore, the reality of the situation is that whoever wins the U.S. Presidential election is still controlled by the Illuminati, and is part of the Illuminati's REM driven cloning subculture, irrespective of who that person is, or what that person's background may be. Accordingly, whoever wins the U.S. Presidential election is **STILL** a member of the Illuminati and the New World Order (NWO), and was either involved in the Illuminati REM driven cloning subculture before winning the U.S. Presidential election or becomes part of the Illuminati REM driven cloning subculture after winning the U.S. Presidential election; this way the Illuminati never loses. Therefore, whoever wins the upcoming 2016 U.S. Presidential elections will be completely controlled by the prime evil Illuminati members, and will have to do EXACTLY as the Illuminati tells him or her to do, whenever he or she is activated as a REM driven clone at the cloning center.

The Illuminati even made a Simpson's episode (H.J. Simpson 2015) about this Illuminati / New World Order (NWO) election situation, whereby the aliens Kang and Kodos were dressed in costumes and on the surface appeared to look like Bob Dole and Bill Clinton to an unsuspecting crowd, until Homer Simpson removed the face masks to reveal that, it is in fact aliens dressed as Bob Dole and Bill Clinton, and their election system is a fraud... because whoever wins is still an alien... In reality, whoever wins the U.S. Presidential election will still be controlled by the prime evil Illuminati members. Furthermore, the newly elected U.S. President will **NOT** have any say whatsoever at the cloning center whenever he or she is activated as a REM driven clone, and he or she will HAVE to do exactly as he or she is told by the prime evil Illuminati members, just like United States President, Barack Obama HAS to do exactly as he is told by the prime evil Illuminati members: Queen Elizabeth II, Vladimir Putin, as well as, Chinese representatives, Arab representatives, and Israeli representatives.

In 2009, United States President, Barack Obama, and his wife, as REM driven clone versions of themselves, thought of a sick joke when they were activated as REM driven clones at the cloning center, which involved having the Obama administration instigate a low level flight of the Air Force One plane over New York City, on Monday April 27th 2009 (City Room 2009), eight years after the 9/11 World Trade Center Bombings simply to terrify people! President Barack Obama and his administration did this simply because they could, and then told the public after the incident occurred, that it was a 'photo opportunity' for the Air Force One plane, however, no pictures were taken (City Room 2009).

Furthermore, President Obama (and his wife Michelle Obama) had the audio recordings of voice calls of frightened people sent to the cloning center, and as a REM driven clone versions of himself activated at the cloning center, United States President, Barrack Obama, (his wife Michelle Obama and others) listened to these frantic phone calls from the public and he laughed hysterically, as people phoned emergency lines in panic and yelled “Al-Qaeda, Al-Qaeda, has more planes”. New York’s emergency phone call lines were flooded with calls from terrified people on the morning of Monday the 27th of April 2009 (City Room 2009) because of the United States President, Barrack Obama’s sick joke!

Moreover, when I was unwillingly activated as a REM driven clone at the cloning center, that evening when I went to sleep, as a REM driven clone version of himself, United States President, Barrack Obama turned to look at me and said “Donny we [the Illuminati] are all powerful! If we can do this [have a plane fly **unannounced** low altitude over the site where 9/11 happened and terrify the public] and nothing comes of it, how are you going to be able to get us [the Illuminati]? You are a [REM driven clone] slave and the people here [other people who are activated as REM driven clones and used as slaves; decent people who are public figures: such as political, rich, and celebrity figures who are actually against the Illuminati’s REM driven cloning subculture and also activated as REM driven clones at the cloning center when they go to sleep] won’t speak up for you for fear of [REM driven clone] torture and death [in their real bodies, as a result of REM driven clone torture which will be exerted on their REM driven clones if the decent people at the cloning center defend me]. Then as a REM driven clone version of himself, United States, President Barrack Obama’s next words were “Now make us [the Illuminati] a new song or we’ll gut you [as a REM driven clone version of yourself] like a fish and leave you [as a REM driven clone, unwillingly activated at the cloning center] to writhe in agony!” United States, President Barrack Obama is scum!

Kommentti [C3]: Can I include this?

To all reading this and ESPECIALLY to people who witnessed incident of the **unannounced** low flyover of the Air Force One plane in New York City on the morning of Monday 27th April 2009 (City Room 2009) which terrified thousands of people, I beg you to help me prove United States President, Barrack Obama wrong; help me prove him wrong and demonstrate to United States President, Barrack Obama that there will be repercussions for his sick and twisted ‘joke’ as well as repercussions for his association with the Illuminati and repercussions for the role United States President, Barrack Obama has had to play in the Illuminati’s REM driven cloning subculture. Share my disclosure documents as far, wide and as rapidly as possible.

The only thing the Illuminati members fear is the populace learning and understanding the Illuminati’s REM driven cloning subculture, because REM driven cloning is the main topic which truly exposes the Illuminati members. Therefore, discussing REM driven cloning, as well as, sharing my disclosure documents helps in the sense that when more and more people learn about my situation, REM driven cloning, and the cloning centers etc. the more it stings the Illuminati and it leaves the Illuminati a little exposed. Eventually, when a large percent of the population understands my situation, REM driven cloning, and the cloning centers etc. there will be nowhere to run or hide for people such as United States President, Barrack Obama when a large percentage of the populace starts demanding answers and starts demanding that Illuminati members submit to polygraph tests for their involvement in Illuminati’s REM driven cloning subculture, as well as, the evil these people have done and

continue to do as REM driven clones. It really stings the Illuminati, and leaves them exposed, so please share this, I am begging you.

Bernard Jeffrey "Bernie" McCullough, A.K.A "Bernie Mac", was an Actor / Comedian

Bernie Mac stood up for me as a REM driven clone version of himself at the cloning center. Bernie Mac also tried to have other people (REM driven clones of original people, at the cloning center) join him, in speaking against the REM driven clone torture which happens at the cloning center(s). Bernie Mac was later murdered by Queen Elizabeth II and Prince Philip, Duke of Edinburgh who tortured multiple REM driven clones of Bernie Mac until Bernie Mac died in his original (real) body from pneumonia (fluid in the lungs) that was complicated by sarcoidosis that was in remission, as a result of REM

driven clone torture. After Bernie Mac's death, everyone who attends the cloning center as REM driven clones of themselves, who are against human cloning, REM driven cloning and the events which happen at the cloning center(s) are afraid to speak up for me, or themselves; they are all afraid of suffering the same fate as Bernie Mac.

Beyoncé Giselle Knowles-Carter, A.K.A "Beyoncé", Singer

Beyoncé attends the cloning center as a REM driven clone version of herself when she goes to sleep, through the process of consciousness transfer from her original body to her duplicate REM driven clone. Beyoncé has performed many songs I have made as a REM driven clone version of myself from the cloning center through the process of consciousness transfer from my original body to my duplicate REM driven clone.

On the night of May 11th 2012, when I went to sleep, and I was unwillingly activated as a REM driven clone version of myself at the cloning center, there were many people voicing that they wish to leave the Illuminati's REM driven cloning subculture, and if they are not deactivated as REM driven clone versions of themselves at the cloning center, they will speak publicly about the Illuminati's REM driven cloning subculture. Among the people who wanted to save herself from being activated as REM driven clone version of herself, at the cloning center, included a REM driven clone version of Beyoncé (Jay Z and Kanye West, were also REM driven clone versions activated at the cloning center).

Furthermore, from the events which transpired at the cloning center, on the night of 11th of May 2012, as a REM driven clone version, Beyoncé (Jay Z and Kanye West, as REM driven clone versions) wanted the world to know that she is leaving the Illuminati's REM driven cloning subculture and she wants "Donny left alone". Moreover, as a REM driven clone version of herself, Beyoncé (Jay Z and Kanye West, as REM driven clone versions) wanted the world to know "She will not be torturing me for songs anymore, when I am unwillingly activated as a REM driven clone at the cloning center, or participating in the Illuminati's REM driven cloning subculture".

That was then; Beyoncé was just trying to save herself at the time, when she thought the wave of good people against the Illuminati's REM driven cloning subculture was about to wash over those who attend the cloning center as REM driven clone versions of original people... Beyoncé still attends the cloning center as a REM driven clone version of herself, and Beyoncé still participates in the Illuminati's REM driven cloning subculture. See **Marshall (2016a)** *Experiences from the Cloning Center Volume 1* under the content heading: "May 12th 2012; Time is quickly running out for the Illuminati... continue exposing REM driven cloning" for full details of events which transpired at the cloning center the on the evening of 11th May 2012.

Brad Pitt, Actor

Brad Pitt attends the cloning center as a REM driven clone version of himself when he goes to sleep, through the process of consciousness transfer from his original body to his duplicate REM driven clone. As a REM driven clone version of himself, Brad Pitt beat me to a pulp when I was unwillingly activated as a REM driven clone at the cloning center, just because he had the opportunity to do so.

Bryan Adams, Singer

Bryan Adams attends the cloning center as a REM driven clone version of himself when he goes to sleep, through the process of consciousness transfer from his original body to his duplicate REM driven clone. As REM driven clone versions of ourselves at the cloning center, I only ever dealt with Bryan Adams, and the people listed as 'songwriters' who claim to have composed the songs for Bryan Adams. **The people listed as 'songwriters' for Bryan Adams, also attend the cloning center as REM driven clone versions of themselves.** I never met the backing members for Bryan Adams' as REM driven clones at the cloning center, and this became evident, when I was told by a person that she managed to get in contact with Bryan Adams' guitarist however, Bryan Adams' guitarist had never heard of me or the Illuminati's REM driven cloning subculture. Bryan Adams' guitarist is likely to be completely modest in his reply because as REM driven clones at the cloning center, I only ever dealt with Bryan Adams as REM driven clones. Such a tactic is also a method the Illuminati REM driven clones use to cover their tracks; sometimes it is only the lead sing who attends the cloning center as a REM driven clone, and the other band members do not attend the cloning center as REM driven clone versions of themselves and are not privy to the Illuminati's REM driven cloning subculture; or the person listed as the 'songwriter' will be the person who attends the cloning center as a REM driven clone version of themselves, and will pass on songs which I compose to the band / lead singer, and then the 'song writer' / lead singer claims she / he wrote the song, without any mention of REM driven cloning, or how the song came to fruition.

The example given above is similar to Chris Martin's (lead singer of Coldplay) and Chad Kroeger's (lead singer of Nickelback) cases; I only ever dealt with the leader singers mentioned above as REM driven clone versions at the cloning center, and therefore, if the remaining band members voice that they do not know about the Illuminati's REM driven cloning subculture, they most likely do not.

Nevertheless, in Bryan Adams' case, Bryan Adams knows everything about the Illuminati's REM driven cloning subculture, because Bryan Adams and I have spoken as REM driven clone versions of ourselves at the cloning center. Furthermore, Bryan Adams knows who I am, and as a REM driven clone version of myself unwillingly activated at the cloning center, I have made all the songs Bryan Adams later performed since Bryan Adams sang "Cuts like a Knife" in 1983.

Chris Brown, Singer

Chris Brown attends the cloning center as a REM driven clone version of himself, when he goes to sleep, through the process of consciousness transfer from his original body to his duplicate REM driven clone.

The cause of Chris Brown's and Rihanna's public fist-fight ([The Smoking Gun 2009](#)) is to do with REM driven cloning. Chris Brown and Rihanna thought it would be "sexy cool" to torture Chris Brown as a REM driven clone of himself just a little when they were both activated as REM driven clones at the cloning center. See [Marshall \(2016a\)](#) *Experiences from the Cloning Center Volume 1* under the content heading: "May 18th 2012; Chris Brown's and Rihanna's fist-fight explained; "REM driven cloning" caused their fist fight" for further details.

Kommentti [C4]: Has he performed songs by you? –Look this up on probboards (Charlie)

Coldplay, British rock band

COLDPLAY

I have only met the lead singer from Coldplay, [Chris Martin](#), as REM driven clone versions of ourselves at the cloning center. Moreover, Coldplay does **not** make anything music wise. As a REM driven clone at the cloning center, I had to make the melody, guitar, bass, drums, and lyrics for Coldplay's songs [the melody, guitar, bass, and drums etc. was achieved through Mind-voice technology or MK Ultra technology].

Coldplay later performs the songs which I made when I was activated as a REM driven clone at the cloning center. Coldplay had NO creative input in the music they play and furthermore, the Illuminati did NOT allow Coldplay to have any creative input in the music which Coldplay, plays. I did almost all of the Coldplay songs as a REM driven clone version of myself at the cloning center, except two non-famous songs by Coldplay. I basically am Coldplay. The way was paved for Coldplay by influential parents in cloning circles.

Chris Martin, lead vocalist of Coldplay

Whenever I talked to **Chris Martin** as REM driven clone versions of ourselves at the cloning center, **Chris Martin**, as a REM driven clone version of himself, treated me as a dog slave beneath him: “Hurry up and spit out my next song or things will get ugly” –was the type of interaction we had, as REM driven clones at the cloning center.

Diana Princess of Wales, was the first wife of Charles, Prince of Wales

Many years ago, in their actions and desensitisation to human suffering, Princess Diana attended the cloning centers as a REM driven clone version of herself too. Princess Diana attended the cloning center as a REM driven clone version of herself to see “The caged amazing song boy” that Queen Elizabeth II and Prince Charles of Wales had trapped at the cloning center as a REM driven clone. The caged amazing song boy: he is amazing; he makes wonderful music out of thin air, come see, come see. Princess Diana was a camera attention seeker and Princess Diana liked attending the cloning centers as a REM driven clone version of herself for many years. As a REM driven clone, Princess Diana watched what the Illuminati members did at the cloning center as REM driven clone versions of themselves, and sometimes Princess Diana as a REM driven clone joined in on what the Illuminati REM driven clones did. As a REM driven clone version of herself, Princess Diana spoke to me many times when I was unwillingly activated as a REM driven clone at the cloning center.

However, as REM driven clone versions of ourselves at the cloning center I told Princess Diana that “She is a mean person for being part of the REM driven cloning subculture” and as a REM driven clone at the cloning center Princess Diana replied “She is into Children’s charities and I am wrong, she is good”. To which, as REM driven clone version of myself at the cloning center, I responded by telling Princess Diana who was REM driven clone version of herself, some malicious acts that I had seen at the cloning center as a REM driven clone, and some evil deeds I had seen the Illuminati REM driven clones do at the cloning center; this is when, as a REM driven clone of herself, Princess Diana cried and said “I cannot be too good either if I am hanging around with these people as REM driven clones”; then as a REM driven clone of herself, Princess Diana beat me up, while I was drugged at the cloning center and a child REM driven clone version of myself.

I was a child REM driven clone when I received a beating from Princess Diana’s REM driven clone at the cloning center because this happened many years ago. I do not mourn Princess Diana’s passing. However, Prince Charles of Wales and Queen Elizabeth II **DID** have Princess Diana killed (in real life). Princess Diana was about to marry an Arab, Dodi Fayed. Princess Diana had also cheated on Prince Charles of Wales a few times. Queen Elizabeth II called Princess Diana a “Scallywag”. However, Prince Charles of Wales was **ALLOWED** to cheat on Princess Diana, and Princess Diana was not allowed to cheat on Prince Charles.

It was a strange relationship dynamic which Prince Charles of Wales and Princess Diana had. Princess Diana was **NOT** a crusader of justice and “goody good” as she made herself out to be. **April 29, 2012 at 10:35pm**

3SG1: Was Diana as bad as them? Wasn’t she murdered because she was going to expose them? I thought she hated all of them? I guess her goody image was fake?

DM: Princess Diana was killed at the hands of Prince Charles of Wales and Queen Elizabeth II because she was going to marry an Arab named Dodi Fayed. However, the Illuminati REM driven clones still wanted to have sex occasionally with Princess Diana as a REM driven clone version of herself. Princess Diana aimed to speak out about REM driven cloning publicly and her dilemma; but Princess Diana was also complicit in the REM driven cloning subculture and Princess Diana committed many deplorable acts against children, as a REM driven clone version of herself at the cloning center. Princess Diana would laugh with the rest of the Illuminati members as REM driven clone versions of themselves at the cloning center.

May 9, 2012 at 9:12pm

Fefe Dobson, Singer

Fefe Dobson is a Canadian singer who attends the cloning center as a REM driven clone version of herself when she goes to sleep, through the process of consciousness transfer from her original body to her duplicate REM driven clone. During the time when I was composing my letter to the public [regarding the Illuminati’s REM driven cloning subculture] (**Donald Marshall Proboards 2012**), Fefe Dobson as a REM driven clone version, told me, when I was unwillingly activated as a REM driven clone at the cloning center, to include in the letter that “She does not like the cloning center, and that she never tortured me [when I was activated as a REM driven clone version of myself by the Illuminati]; then as a REM driven clone, Fefe Dobson later changed her mind and told me (as REM driven clone version of myself), not to mention her in my disclosures, but I will mention her again, so that the world knows she never tortured me when I was unwillingly activated as a REM driven clone.

Fiona Apple, Singer

Fiona Apple attends the cloning center as a REM driven clone version of herself when she goes to sleep, through the process of consciousness transfer from her original body to her duplicate REM driven clone. Fiona Apple sings songs which I made as a REM driven clone at the cloning center, although not all of the songs which Fiona Apple sings are composed by me as a REM driven clone version of myself, when I was unwillingly activated as a REM driven clone, at the cloning center. Moreover, Fiona Apple is a weirdo and a filthy gutter tramp as a REM driven clone version of herself at the cloning center **OR** Fiona Apple was in the past. However, Fiona Apple always tried her best to act evil as a REM driven clone at the cloning center whenever the opportunity was presented to her. Fiona Apple is rotten.

George Lucas, Filmmaker

George Lucas is a willing Illuminati member and he attends the cloning center as REM driven clone version of himself through the process of consciousness transfer from his original body to his REM driven clone, when he goes to sleep.

Different people attend the cloning center as REM driven clone versions of themselves for different reasons. Sometimes directors, as well as, the cast for their movies like to role-play movie scenarios as REM driven clone versions of themselves, or practice their lines for movies as REM driven clone versions of themselves at the cloning center. During, the filming for *Star Wars Episode III: Revenge of the Sith (2005)*, as a REM driven clone version of himself, George Lucas made other Illuminati REM driven clones light me on fire when I was unwillingly activated as a REM driven clone version of myself at the cloning center. As a REM driven clone of himself, George Lucas said he wanted Hayden Christensen (also a REM driven clone version at the cloning center) “To scream realistically”. As a REM driven clone version of himself, Hayden Christensen, watched and listened to the screams and groans I made, when I was being burned as a REM driven clone at the cloning center as a result of George Lucas’ orders, and as a REM driven clone version of himself, Hayden Christensen copied the sounds exactly as he heard them, and replicated these screams and groans for his role in the movie *Star Wars Episode III: Revenge of the Sith (2005)*.

Many directors, including George Lucas, have attended the cloning centre as REM driven clones versions of themselves, and have used me in a similar role-playing situation; they have caused me to have excruciating pain as a REM driven clone, to see what kind of squeak or screech I will make, as if I were less than a dog.

Hayden Christensen, Actor

Hayden Christensen attends the cloning center as a REM driven clone version of himself when he goes to sleep, through the process of consciousness transfer from his original body to his duplicate REM driven clone. Hayden Christensen knows everything there is to know about REM driven human cloning and he is a “privileged” Illuminati member. Furthermore, when George Lucas as a REM driven clone version of himself, ordered other Illuminati REM driven clones to burn me when I was unwillingly activated as a REM driven clone at the cloning center, Hayden Christensen as a REM driven clone version of himself, watched and listened to me burn as a REM driven

clone. Hayden Christensen later copied the screams and groans which came from me as I burned as REM driven clone, exactly as he heard them, for his role in the movie *Star Wars Episode III: Revenge of the Sith (2005)*.

Hillary Clinton, Former United States Secretary of State

Hillary Clinton attends the cloning center as a REM driven clone version of herself when she goes to sleep, through the process of consciousness transfer from her original body to her duplicate REM driven clone. I have seen Hillary Clinton as a REM driven clone version of herself at the cloning center when I have been unwillingly activated as a REM driven clone at the cloning center. Whoever wins the upcoming U.S. Presidential election is **STILL** a member of the Illuminati and the New World Order (NWO), and was either part of the Illuminati's REM driven cloning subculture, or becomes part of the Illuminati's REM driven cloning subculture; this way the Illuminati never loses. Hillary Clinton is already part of the Illuminati's REM driven cloning subculture, and Hillary Clinton has been a part of the Illuminati's REM driven cloning subculture for many years. If Hillary Clinton is to win the upcoming U.S. Presidential elections she will also be another Obama. Furthermore, Hillary Clinton knows everything there is to know about me, from seeing me as a REM driven clone version of myself by attending the cloning center for many years. Hillary Clinton as a REM driven clone version of herself has also spoken to me many times when I have been unwillingly activated as a REM driven clone at the cloning center and Hillary Clinton knows everything there is to know about the Illuminati's REM driven human cloning subculture.

Justin Bieber, Singer

Justin Bieber attends the cloning center as a REM driven clone version of himself when he goes to sleep, through the process of consciousness transfer from his original body to his duplicate REM driven clone. Justin Bieber has performed many songs I have made as a REM driven clone version of myself from the cloning center through the process of consciousness transfer from my original body to my duplicate REM driven clone.

Justin Timberlake, Singer

Justin Timberlake attends the cloning center as a REM driven clone version of himself when he goes to sleep, through the process of consciousness transfer from his original body to his duplicate REM driven clone. Justin Timberlake has performed many songs I have made as a REM driven clone version of myself from the cloning center through the process of consciousness transfer from my original body to my duplicate REM driven clone.

The song "I'm Lovin' It" ([justintimberlakeVEVO 2009](#)) which Justin Timberlake sings and is also used as a slogan by McDonald's ([Filipe Augusto 2007](#)), derives from the fact that owners of McDonald's also attend the cloning center as REM driven clone versions of themselves and wanted me, as a REM driven clone version of myself to come up with a slogan for McDonald's...

Consequently, as a REM driven clone unwillingly activated at the cloning center, the slogan I coined for McDonalds is “(((I’m lovin’ it)))” (Filipe Augusto 2007; justintimberlakeVEVO 2009) and McDonald’s later had Justin Timberlake sing it... However, as a REM driven clone, I said that line.

Kanye West, hip hop recording artist

Kanye West attends the cloning center as a REM driven clone version of himself when he goes to sleep, through the process of consciousness transfer from his original body to his duplicate REM driven clone. Kanye West has performed many songs I have made as a REM driven clone version of myself from the cloning center through the process of consciousness transfer from my original body to my duplicate REM driven clone.

On the night of May 11th 2012, when I went to sleep, and I was unwillingly activated as a REM driven clone version of myself at the cloning center, there were many people voicing that they wish to leave the Illuminati’s REM driven cloning subculture, and if they are not deactivated as REM driven clone versions of themselves at the cloning center, they will speak publicly about the Illuminati’s REM driven cloning subculture. Among the people who wanted to save himself from being activated as REM driven clone version of himself, at the cloning center, included a REM driven clone version of Kanye West (Beyoncé and Jay Z, were also REM driven clone versions activated at the cloning center).

Furthermore, from the events which transpired at the cloning center, on the night of 11th of May 2012, as a REM driven clone version, Kanye West (Beyoncé and Jay Z, as REM driven clone versions) wanted the world to know that he is leaving the Illuminati’s REM driven cloning subculture and he wants “Donny left alone”. Moreover, as a REM driven clone version of himself, Kanye West (Beyoncé and Jay Z, as REM driven clone versions) wanted the world to know “He will not be torturing me for songs anymore, when I am unwillingly activated as a REM driven clone at the cloning center, or participating in the Illuminati’s REM driven cloning subculture”.

That was then; Kanye West was just trying to save himself at the time, when he thought the wave of good people against the Illuminati’s REM driven cloning subculture was about to wash over those who attend the cloning center as REM driven clone versions of original people... Kanye West still attends the cloning center as a REM driven clone version of himself, and Kanye West still participates in the Illuminati’s REM driven cloning subculture. See Marshall (2016a) *Experiences from the Cloning Center Volume 1* under the content heading: “May 12th 2012; Time is quickly running out for the Illuminati... continue exposing REM driven cloning” for full details of events which transpired at the cloning center the on the evening of 11th May 2012.

Kenny Rogers, Singer

The American singer Kenny Rogers attends the cloning center as a REM driven clone version of himself, when he goes to sleep, through the process of consciousness transfer from his original body to his duplicate REM driven clone.

The first song which I sang as a child REM driven clone, unwillingly activated at the cloning center is called “Lady” (Robin Francis 2008) which was later performed by Kenny Rogers. I sang “Lady” (Robin Francis 2008) to Queen Elizabeth

II’s REM driven clone, as a child REM driven clone at the cloning center, and Queen Elizabeth II as a REM driven clone version of herself, was awestruck, as was everyone else sitting in the stands as REM driven clone versions of original people.

As a REM driven clone version of himself, Kenny Rogers was Queen Elizabeth II’s REM driven clone sex slave. Whenever they were both activated as REM driven clone versions of themselves at the cloning center, Kenny Rogers had to succumb to Queen Elizabeth II’s every wish as a REM driven clone, whenever he was activated as a REM driven clone version of himself at the cloning center. If Kenny Rogers ever announced publicly, that when he went to sleep in his original body and reached REM sleep, he had his consciousness transferred and he was activated as a REM driven clone at a remote location, where he had to be a REM driven clone sex slave for Queen Elizabeth II (also a REM driven clone version of herself), Kenny Rogers would have been killed in real life.

After singing the song which Kenny Rogers later performed, titled “Lady” (Robin Francis 2008), to Queen Elizabeth II who was a REM driven clone, when I was a child REM driven clone version of myself unwillingly activated at the cloning center, Queen Elizabeth II as a REM driven clone version of herself, asked me “Wow! How did you do that?” and as a child REM driven clone, I responded “I don’t know, can I go home now?” The Illuminati members deactivated my consciousness from my REM driven clone, and my REM driven clone body fell limp and dropped to the floor, and I did not remember anything when I woke up from sleep and resumed experiencing life in my original (real) body, because I was memory suppressed about my REM driven clone experiences for over 25 years.

Kristen Bell, Actress

American actress Kristen Bell attends the cloning center as a REM driven clone version of herself when she goes to sleep, through the process of consciousness transfer from her original body to her duplicate REM driven clone.

On the night of April 11th 2012 when I went to sleep and I was unwillingly activated as a REM driven clone version of myself, Kristen Bell was present at the cloning center, as a REM driven clone version of herself, when I was activated as a REM driven clone. As a REM driven clone version of herself, Kirsten Bell was trying to entice me to willingly join the Illuminati's REM driven cloning subculture; when I refused as a REM driven clone version of myself at the cloning center, Kristen Bell screamed loudly in my face, as over 400 REM driven clone versions of original people sitting in the stands of the auditorium watched, as if it was some sort of idiot theatre. As a REM driven clone version Kristen Bell's sole motive was to be seen by the rich, political and celebrity figures who attend the cloning center as REM driven clone versions of themselves because as a REM driven clone version of herself, Kristen Bell mentioned to me when I was a REM driven clone unwillingly activated at the cloning center that "She is having a very difficult time getting famous because nobody seems to remember her name." Accordingly, other than trying to entice me to willingly join the Illuminati's REM driven cloning subculture, and trying to be seen by the rich, political, and celebrity figures attending the cloning center as REM driven clone versions of themselves, Kristen Bell as a REM driven clone version of herself, had no real reason to speak to me (as REM driven clone versions of ourselves).

Kurt Russell, Actor

Kurt Russell is an American actor who attends the cloning center as a REM driven clone version of himself when he goes to sleep, through the process of consciousness transfer from his original body to his duplicate REM driven clone. During the time when I was composing my letter to the public [regarding the Illuminati's REM driven cloning subculture] ([Donald Marshall Proboards 2012](#)), Kurt Russell as a REM driven clone version, told me, when I was unwillingly activated as a REM driven clone at the cloning center, to include in the letter that "He does not like the cloning center, and

that he never tortured me [when I was activated as a REM driven clone version of myself by the Illuminati]; then as a REM driven clone, Kurt Russell later changed his mind and told me (as REM driven clone version of myself), not to mention him in my disclosures, but I will mention him again, so that the world knows he never tortured me when I was unwillingly activated as a REM driven clone.

Maroon 5, American pop rock band

As a REM driven clone version of myself unwillingly activated at the cloning center, against my will, I made every single song Maroon 5 ever recorded. I have interacted with the lead singer from Maroon 5, Adam Levine, as REM driven clone versions of ourselves at the cloning center.

Adam Levine, lead vocalist of Maroon 5

Adam Levine knows EVERYTHING about me, REM driven cloning, the Illuminati's REM driven cloning subculture, as well as, everything else I have disclosed. Adam Levine sits in the stands at the cloning center as a REM driven clone version of himself, and Adam Levine reads every posts that I make. Adam Levine will see what has been written about him here, and he will be very annoyed that his name has been mentioned. Moreover, as a REM driven clone version of myself unwillingly activated at the cloning center, against my will, I made the song "Misery" (Maroon5VEVO 2010) which Maroon 5 and Adam Levine later performed. The song "Misery"

(Maroon5VEVO 2010) is about my time spent at the cloning center and how I am going to get Queen Elizabeth II back... word for word... I am going to get all the Illuminati members who harmed me as REM driven clone versions... I am going to get all of them... Adam Levine is scum.

Megadeth, American thrash metal band

I have only ever seen the lead singer from Megadeth as REM driven clone versions of ourselves at the cloning center. I have only ever dealt with Dave Mustaine from Megadeth as REM driven clone versions at the cloning center; and I have **never** met the other band members from Megadeth. Sometimes with popular

bands which are widely known, the other band members or in some examples **even** the lead singer is not permitted to attend the cloning center as a REM driven clone; however the person who claims to be the 'songwriter' will attend the cloning center as a REM driven duplicate clone, and I would have to interact with the 'songwriter' as REM driven clone versions of ourselves at the cloning center. After our interaction as REM driven clones; at a later date, the 'songwriter' passes on new songs to the leader singer / band once the 'songwriter' is experiencing life through their original (real) body and not as a REM driven clone version at the cloning center.

This is when the ‘songwriter’ tells the band / lead singer, he / she (the ‘songwriter’) wrote whichever song he / she is giving the band to sing without any mention of REM driven cloning, or their interactions with me as REM driven clones. With such a design, the band members / lead singers are oblivious to how the songs which they sing ever came to fruition.

Furthermore, when the Illuminati were feeling so ‘confident’ at the time, with the evil which they wield onto the world, the Illuminati members finally decided to display my face on an album cover, clearly, and chose Megadeth’s (2001) album *The World Needs a Hero* -to mock me, and laugh at the world. I posed for the album cover, as a REM driven clone at the cloning center, and pictures were first taken of me as a REM driven clone without the blood and Skelton. The skeleton and the blood were later rendered onto the photograph via computer graphics. As a REM driven clone version of myself activated unwillingly at the cloning center, I was told the final edit displayed on the album cover is an oil painting. I was approximately 23 years old when I posed for the cover of the Megadeth Album cover *The World Needs a Hero* (2001) and the album was released 3 years later when I was approximately 26. The Illuminati members decided to finally display my face clearly on an album cover, because they were extremely confident that their REM driven cloning subculture would never be proven. Google image search this. The image shows what I sometimes look like after a REM driven clone gathering, with a skeleton popping out of my chest. I have displayed an image below for the reader to compare a photograph of me in everyday life (top left) with the image displayed on Megadeth’s album cover (top right and bottom).

Dave Mustaine, lead vocalist of Megadeth

I was somewhat surprised by Dave Mustaine's actions as a REM driven clone; because as REM driven clone versions, the celebrities are always trying to show off to the political figures, and the political figures are always trying to show off to the celebrities at the cloning center as REM driven clones at the cloning center.

The celebrities or political figures usually take the REM driven clone slaves / people who are unwillingly activated as REM driven clones at the cloning center to one of the side rooms, off the main concourse to have their way with the people who are unwillingly activated as REM driven clones, either by torturing these unfortunate people as REM driven clones; using the people who have been activated against their will as REM driven clones for death spectacles; sex, as well as, anything else these celebrities or political figures want to use these unwillingly participants activated as REM driven clones at the cloning center for. While the torture of unwillingly participants at the hands of celebrity and political figures as REM driven clones is happening, there will be other REM driven clone versions of original people at the cloning center who are sitting in the stands of the auditorium watching on a big screen... There are two big screens, side by side, which are mounted, and are displayed near the halfway point of the dome / small sports arena; one screen faces one half of the auditorium to the east, and the other screen faces the other half of the auditorium to the west...

Do you know what Dave Mustaine, as a REM driven clone version of himself at the cloning center did to me when he came into the side room, off the main concourse? As REM driven clone versions of ourselves at the cloning center, Dave Mustaine approached me in one of the side rooms off the main concourse and he actually stood up for me and said "When you send that letter out [the letter to the public concerning the Illuminati's REM driven cloning subculture] [Donald Marshall Proboards 2012] send them [the public] a picture of the album cover [Megadeth 2001] and send them a picture of your own face..." and as a REM driven clone version of himself, Dave Mustaine was crying, because this happened around same time the Illuminati members as REM driven clone versions were discussing killing me whenever I was unwillingly activated as a REM driven clone version of myself at the cloning center.

Therefore, as a REM driven clone version of myself interacting with Dave Mustaine who is also a REM driven clone, I asked him "What do you care?" and Dave Mustaine replied "I don't want you to die... I think you're awesome, man..." and so I said "OK"... However, with this said, Dave Mustaine has done some pretty mean stuff to me when I have been unwillingly activated as a REM driven clone version of myself at the cloning center. Furthermore, Dave Mustaine knows who I am, and knows plenty there is to know about the Illuminati's REM driven cloning subculture.

Michelle Obama, First Lady of the United States

Michelle Obama attends the cloning center as a REM driven clone version of herself when she goes to sleep, through the process of consciousness transfer from her original body to her duplicate REM driven clone.

In 2009, Michelle Obama was involved in a sick ‘joke’ which she and her husband, United States President, Barack Obama conceived, when they were both activated as REM driven clone versions of themselves at the cloning center. Michelle Obama’s and Barack Obama’s sick joke involved

having the Obama administration instigate a low level flight of the Air Force One plane over New York City, on Monday April 27th 2009 (City Room 2009) at the site of the 9/11 World Trade Center Bombings, simply to terrify people!

After the incident occurred, to the fright of many New Yorkers on a Monday morning (City Room 2009), the Obama Administration told the public, that it was a ‘photo opportunity’ for the Air Force One plane, although no pictures were taken. Moreover, Michelle Obama (and her husband United States President, Barack Obama) had the audio recordings of voice calls of frightened people sent to the cloning center, and as a REM driven clone versions of herself, activated at the cloning center, Michelle Obama (her husband, United States President, Barack Obama, as well as, many others who were REM driven clone versions of themselves at the cloning center) listened to these frantic phone calls from the public and she laughed hysterically, as people phoned emergency lines in panic and yelled “Al-Qaeda, Al-Qaeda, has more planes”. New York’s emergency phone call lines were flooded with calls from terrified people on the morning of Monday the 27th of April 2009 because Michelle Obama AND the United States President, Barack Obama were the perpetrators of such a sick joke!

Mila Kunis, Actress

Mila Kunis attends the cloning center as a REM driven clone version of herself when she goes to sleep, through the process of consciousness transfer from her original body to her duplicate REM driven clone. Mila Kunis is a privileged member and can attend the cloning center as a REM driven clone as and when she pleases. However, I am not allowed to leave the cloning center as and when I please like Mila Kunis, and I am constantly activated at the cloning center as a REM driven clone against my

will. Furthermore, as a REM driven clone, Mila Kunis (an actress from “That 70s Show”) stabbed me multiple times for saying “She is a slimy scumbag for hanging with these people” and for voicing that “She has enormous eyeballs and looks like a lemur”, when I was activated as a REM driven clone at the cloning center and rendered immobile (which can be done at the push of a button, on a remote control, to REM driven clones) during the time I was writing the letter to the public about the Illuminati’s REM driven cloning subculture (Donald Marshall Proboards 2012).

When I was activated as a REM driven clone at the cloning center on the night of April 24th 2012 when I went to sleep, Mila Kunis as a REM driven clone version of herself was one of the people who killed me as a REM driven clone that evening. **I died three times as a REM driven on the 24th / 25th April when I went to sleep and was unwillingly activated as a REM driven clone at the cloning center.** As a REM driven clone at the cloning center, Mila Kunis was unhappy that I had included her in my letter to the public (Donald Marshall Proboards 2012) with regards to how I mentioned that “She looks like a ring tailed lemur, and that she has enormous eyeballs”. As REM driven clones at the cloning center, Mila Kunis then advanced towards me with a bat, which she held vertically, and under Queen Elizabeth II’s command, (Queen Elizabeth II is also a REM driven clone at the cloning center), Mila Kunis then proceeded to smash me in the face repeatedly with the bat while I was chained to a wooden cross and unable to defend myself as a REM driven clone in the middle of the dirt arena at the cloning center. Mila Kunis, as a REM driven clone, beat my face with the bat multiple times until I died as a REM driven clone, and my consciousness faded to black in the third REM driven clone body which my consciousness was activated in on the 24th of April when I went to sleep that evening. **I died three times as a REM driven on the 24th April, and Mila Kunis, as her REM driven clone alternative was the person to kill me in the third REM driven clone body I had my consciousness transferred to.** See Marshall (2016a) *Experiences from the Cloning Center Volume 1* under the content heading: “April 25th 2012; Donald Marshall dies three times as a REM driven clone. Help him expose the Illuminati” for full details of the events which occurred that evening when I was unwillingly activated as a REM driven clone, as well as, Mila Kunis’ involvement.

Motörhead, English rock band

Ian Fraser Kilmister, A.K.A “Lemmy”, was the lead vocalist of Motörhead

3SG1: I guarantee you Don! Play some Motörhead and they [Illuminati members / your problems] will all go away! Including your neighbours! Uncle Lemmy is not Illuminati!

DM: 3SG1, Motörhead? Well that ugly bumpy faced b*****d HAS been to the cloning centers as REM driven clone version of himself. I have seen Lemmy as a REM driven clone at the cloning center when I was activated as a REM driven clone version of myself at the cloning center. Lemmy is a scumbag, dude. **May 15, 2012 at 6:45pm**

Muammar Gaddafi, Former Prime Minister of Libya

Muammar Gaddafi is **not** dead. That was a clone of Muammar Gaddafi that was killed and shown on television. The Illuminati deliberately cut Muammar Gaddafi's clone at the hair-line (on his forehead, just above the eyebrow region); the Illuminati showed me the whole preparation for Muammar Gaddafi's fake death as REM driven clones at the cloning center. According to the Illuminati REM driven clones, Muammar Gaddafi is still alive and living in Gaza. I guess Muammar Gaddafi has ties in Gaza. I used to call

Muammar Gaddafi "Uncle Mo" when I was a child REM drive clone, unwillingly activated at the cloning center. Muammar Gaddafi as a REM driven clone, was actually somewhat nicer than the rest of the Illuminati members, but he had to keep up the exterior that he was just as evil as the rest of the Illuminati members (as REM driven clones). However, Muammar Gaddafi had been hanging around with me since I was brought to the cloning center as a child REM driven clone making these amazing songs, and free-styling songs out of thin air. A song which I made as a child REM driven clone at the cloning center about Muammar Gaddafi for Prince to perform is called "Raspberry Beret"; "He wore a Raaaaspberry beret" –that's the song. The song "Raspberry Beret" (Peterjochu 2012; LyricsFreak 2016) is about Muammar Gaddafi. Muammar Gaddafi loved that song (Peterjochu 2012; LyricsFreak 2016); Muammar Gaddafi was sitting in the crowd as a REM driven clone version of himself behind the hockey boards snapping his fingers left and right as the tune "Raspberry Beret" was being played at the cloning center. Muammar Gaddafi would also flamenco dance as a REM driven clone at the cloning center. Moreover, as REM driven clones, Muammar Gaddafi used to hang around with me at the cloning center and Gaddafi would ask me how he should do some things; Muammar Gaddafi once said to me as REM driven clones at the cloning center that he wanted to top the Americans for a military vehicle (the Humvee), so he called me over and said with his harsh accent, "Donny, I have so much money... whata vehicle do I make?" and I responded as a REM driven clone at the cloning center, "I don't know, just make something better than what they've got [the Americans], if you are trying to top them."

Then, at a later date, as a REM drive clone, Muammar Gaddafi responded by saying "I put a Lamborghini engine in the [Ford] Bronco [car]; go faster than any Humvee" and as a REM driven clone, I replied "Cool"; and so Muammar Gaddafi was showing me this car at the cloning center... and I was perplexed and thinking to myself 'How did this get here?!'

Concerning the Lockerbie bombing incident... I did not expect Muammar Gaddafi to be present at the cloning center as a REM driven clone version of himself speaking to Queen Elizabeth II as REM driven clones, because of the Lockerbie bombing; they are supposed to hate each other... However, Muammar Gaddafi was attending the cloning center as a REM driven clone version of himself **before** Muammar Gaddafi ordered the Lockerbie bombing, which happened in 1988. Therefore, one would think that Muammar Gaddafi would be scared to order the Lockerbie bombing when he is also a cloning center attendee, as a REM driven clone version of himself; I genuinely thought Muammar Gaddafi would be scared to order the Lockerbie bombing because of the deterrent of REM driven clone torture. However, if the Illuminati REM driven clones were going to clone torture Gaddafi, Gaddafi would have told the world about the Illuminati's REM driven cloning subculture. Furthermore, the Illuminati members also had one of Gaddafi's 'REALLY, REALLY' close friends imprisoned as a REM driven clone at the cloning center, and I guess Muammar Gaddafi must have got 'fruity' [had a sexual relationship with his male friend as REM driven clones] [with his friend at times as REM driven clones at the cloning center, and Muammar Gaddafi wanted his friend back really badly, and so Gaddafi told the other Illuminati REM driven clones "If you do not let me have him back, I'm going to keep on bombing, and I'm going to tell the world about REM driven cloning and they will all pounce on you [Queen Elizabeth II], and they might pounce on me, but they will get you too... and I'm getting my friend back and you better give him back..." –and the Illuminati members gave Muammar Gaddafi's friend back to him after Gaddafi made that threat.

Kommentti [C5]: Is this what you mean by 'fruity' ?

After Muammar Gaddafi got his friend back, the crowd of REM driven clone onlookers, as well as, the other Illuminati REM driven clones said "Oh my God; why are you giving Gaddafi his friend back?!" –and the Illuminati members who approved the decision to give Gaddafi his friend back to him, fabricated an excuse that: "It was for international relations" –but in actuality, it was to prevent Muammar Gaddafi from speaking publicly about the Illuminati's REM driven cloning subculture.

Natalie Portman, Actress

American and Israeli actress Natalie Portman attends the cloning center as a REM driven clone version of herself when she goes to sleep, through the process of consciousness transfer from her original body to her duplicate REM driven clone. Natalie Portman also knows all there is to know about the Illuminati's REM driven, human cloning subculture; as does approximately 25% of the "Star Wars" cast.

Nelly Furtado, Singer

Canadian Singer, Nelly Furtado attends the cloning center, as a REM driven clone version of herself when she goes to sleep, through the process of consciousness transfer from her original body to her duplicate REM driven clone. Whenever I am making songs as a REM driven clone version of myself unwillingly activated at the cloning center, I try and put little hints into almost all of the songs which I made from the cloning center as a REM driven clone. For Example in the song Nelly Furtado and Timberland performed titled “Say It Right”, I said as a REM driven clone while singing Nelly Furtado’s part “(((Space is cloning)))” (which can be heard at 3:08 min of the song;

NellyFurtadoVEVO 2009). The Illuminati members as REM driven clone versions of themselves at the cloning center wanted me to change that part of the song to something else but I said, as a REM driven clone version of myself at the cloning center, “Who cares. Just make it like that”. That line does not make sense in the song... but that is exactly what Nelly Furtado says at 3:08 min of the song “Say It Right”.

Nickelback, Canadian rock band

When I was unwillingly activated as a REM driven clone at the cloning center, I was **forced** by the Illuminati REM driven clones, to make all of Nickelback’s songs which the band later performed, except for Nickelback’s latest song which has just been released called “This Means War” (Road Runner Records 2012). The Illuminati REM driven clones showed me the video for Nickelback’s self-made song “This Means War” at the cloning center,

when I was unwillingly activated by the Illuminati members as a REM driven clone, and they told me the intent of the song represents how angry the Illuminati are with me in regards to disclosing their REM driven cloning subculture (Road Runner Records 2012). The reader should review Nickelback’s self-made song “This Means War” (Road Runner Records 2012) if the reader has not yet done this, because the reader will be met with many references in the song relating to the disclosure of this information, such as “You’ve gone too farrrrrrr”; “Who do you think you are?” and; “The only thing to save, is the banner that you wave, to be wrapped around your grave.” Moreover, as a REM driven clone, activated against my will at the cloning center, I named the band “Nickelback”.

3SG1: Nickelback are rubbish.

DM: Yes, Nickelback are rubbish. As REM driven clones at the cloning center, I only ever dealt with Chad Kroeger (lead singer). I’m not sure if the rest of the band is aware of me... I have never met the other members of Nickelback as REM driven clones at the cloning center; Chad Kroeger (lead singer) was the only person from Nickelback I spoke to as REM driven clone versions of ourselves at the cloning center. May 9, 2012 at 9:12pm

Chad Kroeger, lead vocalist of Nickelback

As a REM driven clone version of himself at the cloning center, Chad Kroeger is a little b**** loser. At least the f** finally got a haircut... May 9, 2012 at 9:12pm

Kommentti [C6]: You called him a fag – did you mean ‘homosexual’ or ‘annoying person’? I’ve highlighted this because the last thing you need is ppl saying you’re homophobic – need all the help you can get.

Nicole Leone, A.K.A “Madonna”, Singer

Madonna attends the cloning center as a REM driven clone version of herself when she goes to sleep, through the process of consciousness transfer from her original body to her duplicate REM driven clone. Madonna has performed many, many songs I have made as a REM driven clone at the cloning center. When it comes to my relationship with Madonna as REM driven clones, I’ve composed almost **ALL** Madonna’s songs as a REM driven clone at the cloning center for her to perform. Moreover, when I was writing my letter to the public **(Donald Marshall**

Proboards 2012), as REM drive clones, I told Madonna also a REM driven clone of herself at the cloning center, that I am going to tell the world that she **COERCED** to compose songs for her throughout my life as REM driven clone versions of ourselves at the cloning center, to which Nicole Leone (Madonna) replied and told me VERY specifically, to say in my letter that “She is not afraid!” and “No one will believe me and nothing will come of this”. It has been over four years since that letter **(Donald Marshall Proboards 2012)**, and I am still asking the public to help me prove her wrong.

Prince Charles of Wales

Prince Charles of Wales is a ringleader of the Illuminati; he is a **prime evil** Illuminati member. Prince Charles is among one of the worst Illuminati members who attends the cloning center as a REM driven clone version of himself and he is an unbelievable depraved pervert. As a REM driven clone version of himself, Prince Charles has also watched the murders of real children who have been brought to the cloning center and murdered, when the murders of children were happening in real time. Furthermore, as a REM driven clone version of himself, Prince Charles re-watches video footage of children who are real and not REM driven clones of children, who have been kidnapped and brought to the cloning center to be murdered on video.

To this day, the Royal family of England appoints a “Groom of the Stool”. A Groom of the Stool is responsible for stools; the kind you sit on the kind you expel. In other words a Groom of the Stool wipes Royal bottoms. The above was confirmed to me by Prince Charles of Wales as a REM driven clone version of himself when I was unwillingly activated as a REM driven clone at the cloning center and I asked Prince Charles of Wales, “Why does the Royal family still have a Groom of the Stool to this day?”, and Prince Charles’ reply was, and I quote: “It gives you the feeling of being completely taken care of”.

When I am unwillingly activated as a REM driven clone version of myself at the cloning center and I am attacked by the Illuminati REM driven clones, sometimes I will pretend to be defeated or even scared for a while... until I can get close to Prince Charles of Wales who is also a REM driven clone at the cloning center (or any of the Illuminati ringleaders) –and *SMACK* -I’ll smack, smack, smack, Prince Charles of Wales (or other Illuminati ringleaders) until someone in the control room pushes a button to paralyse my REM driven clone, and this is when the Illuminati REM driven clones, as well as, Prince Charles of Wales as a REM driven clone version of himself, will start beating me in the face as a REM driven clone version of myself, at the cloning center.

Prince Charles of Wales, would like The Crown from Queen Elizabeth II “Sometime this century” were his exact words as a REM driven clone, when Queen Elizabeth II, also a REM driven clone version of herself mentioned at the cloning center that she may announce abdicating the throne (publicly) and give Prince Charles The Crown.

Prince Philip, Duke of Edinburgh

Prince Philip, Duke of Edinburgh is a ringleader of the Illuminati; he is a **prime evil** Illuminati member. Prince Philip is among one of the worst Illuminati members who attends the cloning center as a REM driven clone version of himself and he is an unbelievable depraved pervert. Furthermore, Duke Philip is also in charge of the Freemason lodge in Scotland.

When Duke Philip does not like a person (just like when Queen Elizabeth II does not like someone), Duke Philip has that person cloned, and in five months time once that person’s duplicate clone has fully formed, when that person sleeps, Duke Philip will have that person’s consciousness transferred to their REM driven clone, and Duke Philip will torture that person as a REM driven clone until she or he dies of a heart attack or aneurysm in their original (real) body, because consciousness is linked (Petkova and Ehrsson 2008; Ehrsson 2013).

Duke Philip was also complicit in the murder of Bernie Mac, as well as, the indigenous children of Canada to name a few. In Bernie Mac's murder case, as a REM driven clone of himself, Duke Philip (and his wife Queen Elizabeth II) tortured multiple REM driven clones of Bernie Mac for a period of four to five hours continuously as a show of his 'power', and Bernie Mac died in his original (real) body from **pneumonia (fluid in the lungs) that was complicated by sarcoidosis that was in remission**, as a result of the REM driven clone torture exerted by Duke Philip (and his wife Queen Elizabeth II). In the murder case of the indigenous children of Canada, Duke Philip (and his wife Queen Elizabeth II) killed the children as a clone version of himself (Duke Philip was operating a different type of clone which runs on independent consciousness and not REM frequency) and therefore, Duke Philip had a solid alibi of being in England at the time the murders of the indigenous children of Canada took place.

In spite of the misinformation circulated in alternative media outlets and perpetuated by the Illuminati themselves, Prince Philip, Duke of Edinburgh is **NOT** a reptile (and neither are the other Illuminati members). Prince Philip, Duke of Edinburgh is human. **Do NOT** waste your time thinking Duke Philip or other Illuminati members are reptiles, demons, or aliens -they are NOT; they are human.

On the night of May 13th 2012, when I went to sleep and I was unwillingly activated as a REM driven clone at the cloning center, Prince Philip, Duke of Edinburgh (and his wife Queen Elizabeth II) as a REM driven clone version spoke to me in the middle of the dirt arena. Duke Philip is worried that his mother [Princess Alice of Battenberg], as well as, the other Illuminati members will be vilified for all time, and therefore the intent of his conversation on the night of May 13th 2012, when Duke Philip spoke to me as REM driven clone versions of ourselves at the cloning center, was to offer me a bribe. As a REM driven clone version of himself, Duke Philip told me on the evening of May 13th 2012 when I went to sleep, and I was unwillingly activated as a REM driven clone that "I do not know what the Illuminati have got planned. And as long as sugarcoat events and say that I exaggerated [my disclosure of the Illuminati's REM driven cloning subculture], as well as, leave certain names out of my disclosures, then in return they [the Illuminati] will show the world edited highlights of my best swordfights (I lost more swordfights as a REM driven clone than I won); spear fights, as well as, edited highlights of me making songs as a REM driven clone at the cloning center. "The world will love me more for the ordeal I have endured, if I decide to sugarcoat and omit certain events and details [regarding the Illuminati's REM driven cloning subculture]" -is more or less the bribe Duke Philip as a REM driven clone version of himself offered me when he spoke to me as a REM driven clone at the cloning center. Duke Philip and his cronies also left me unscathed as a REM driven clone, and my consciousness was deactivated from my REM driven clone that evening, which normally does not happen, especially since **I REFUSED Duke Philip's bribe**, and I continue to disclose all of the Illuminati's secrets to the world which have unequivocally been proven to me as fact. See **Marshall (2016a)** *Experiences from the Cloning Center Volume 1* under the content heading: "May 14th 2012; Prince Philip, Duke of Edinburgh asks Donald Marshall to sugarcoat his experiences" for further details regarding my experience with Duke Philip as REM driven clone versions of ourselves that evening.

Duke Philip and other Illuminati members are extremely worried, that once the world learns of the Illuminati's REM driven cloning subculture, and understand and know the extent to which hidden technology has progressed in our current time, and the fact that Duke Philip, as well as, other Illuminati members have used such highly advanced technologies like REM driven cloning technology to commit crimes against the public currently undetected, then once Illuminati's REM driven cloning subculture, as well as, the hidden and highly advanced technologies are understood and known by a large percent of the world's population, Prince Philip, Duke of Edinburgh (as well as, other Illuminati members) fear the repercussions they will receive from the world's populace.

I was left unharmed as a REM driven clone on the evening of May 13th 2012 when I went to sleep and unwillingly had my consciousness transferred to my REM driven clone duplicate, thanks to the help of the good people in the world spreading these disclosures about the Illuminati's REM driven cloning subculture. Consequently, keep spreading these disclosures regarding the Illuminati's REM driven cloning subculture, because this is what will save me from REM driven cloning and eventually lead to the shutdown of cloning centers.

Queen Elizabeth II

Queen Elizabeth II is a ringleader of the Illuminati; she is a **prime evil** Illuminati member. **Queen Elizabeth II** has been involved with REM driven cloning since its inception (1945)! She owns the above ground cloning center in Canada which I am forced to attend against my will as a REM driven clone. Queen Elizabeth II is among one of the worst Illuminati members who attends the cloning center as a REM driven clone version of herself; she is an unbelievable depraved pervert, and as a REM driven clone version of herself, Queen Elizabeth II shows off to the celebrities that attend the cloning centers as REM driven clone versions of themselves.

Queen Elizabeth II has the REM driven cloned children at the cloning centre call her "Lillibet" and Queen Elizabeth II as a REM driven clone of herself does ungodly things to these REM driven cloned children. Some REM driven clone children she fakes being nice to; other REM driven cloned children she is terrible to; and as a REM sleep driven clone Queen Elizabeth II cuts these REM driven clone children with swords while they scream. The decent people at these cloning centres who have had their consciousness transferred into their duplicate REM driven clones, and are there against their will, like I am are terrified to say anything against Queen Elizabeth II and her cronies.

Queen Elizabeth II and her cronies also hold peoples' children hostage as REM driven clones at the cloning center; to be torn apart; clone death after clone death if these people who are forced to attend the centers as REM driven clone versions of themselves have the slightest inkling of informing anyone about the Illuminati's REM driven cloning subculture. Everyone who attends the cloning center as REM driven clone versions of themselves is terrified of Queen Elizabeth II as a REM driven clone; and therefore C.S.I.S Canadian intelligence; Prime Minister Stephen Harper, as well as, many Commissionaires do whatever Queen Elizabeth II as a REM driven clone at the cloning center says, and appear to follow her every whim without question.

Queen Elizabeth II as a REM driven clone of herself is an attention seeker and likes to show off and be heard. The first song I made as a child REM driven clone activated against my will at the cloning centers is called "Lady" ((Robin Francis 2008) later performed by Kenny Rogers) I sang "Lady" (Robin Francis 2008) to Queen Elizabeth II's REM driven clone when I was unwillingly activated as a child REM driven clone at the cloning center. Ever since that moment, I was constantly activated against my will as a REM driven clone at the cloning center, and I was mostly singing songs to Queen Elizabeth II as a REM driven clone version of herself at the cloning center. More celebrities started attending the cloning centers as REM driven clone versions of themselves when I was composing these songs, and as a direct result, Queen Elizabeth II as a REM driven clone version of herself, gained a larger audience, to show off towards. As a REM driven clone, activated unwillingly at the cloning centers, I had to face Queen Elizabeth II's REM driven clone whenever I was composing these songs. Moreover, Queen Elizabeth II as a REM driven clone called me "The Royal Minstrel", as well as, "The Amazing Song Child". As a REM driven clone, Queen Elizabeth II, said "She fell in love with me" but in reality it was just a premise for Queen Elizabeth II as a REM driven clone version of herself, to talk all the time to the celebrity and political figures who attend the cloning centers as REM driven cloned versions of themselves; Queen Elizabeth II really IS an incredible attention seeker. Moreover, the song "Misery" performed by Maroon5 (Maroon5VEVO 2010) is about my time spent the cloning center as a REM driven clone and how I am going to get Queen Elizabeth II back... word for word.... I am going to get all the Illuminati REM driven clones back... me... all of them...

In spite of the misinformation circulated in alternative media outlets and perpetuated by the Illuminati themselves, Queen Elizabeth II is **NOT** a reptile (and neither are the other Illuminati members). Queen Elizabeth II is human. Queen Elizabeth II is just very old and she is getting extremely haggard as the years roll by; Queen Elizabeth II is human. Do NOT waste your time thinking Queen Elizabeth II or other Illuminati members are reptiles, demons, or aliens -they are NOT, they are human.

The incident in 1982, when Michael Fagan broke into Queen Elizabeth II's bedroom (The Independent 2012) was staged by the Illuminati. The reason the Illuminati staged the event was because the Illuminati members wanted more security, paid for by the government. Moreover the Illuminati staged another event involving Queen Elizabeth II where an elderly woman broke free from the barricade and past police at St. James Cathedral church (Toronto) to hand Queen Elizabeth II a black plastic bag containing a commemorative tea towel (Nguyen 2010). The above event was totally staged by the Illuminati because the Illuminati members want government security. The Illuminati members will need a lot more security once their REM driven cloning subculture is known by a large percent of the populace.

When the leadership of Australia realised just how insane Queen Elizabeth II really is, Australia decided to declare independence from England finally. Australia does not like Queen Elizabeth II and does not want to be associated with Queen Elizabeth II that closely, however, Australia stayed in the REM driven cloning subculture in order to remain "status quo", unlike Greece who boycotted joining the cloning centers. When the Greek leaders decided to boycott the cloning center, Queen Elizabeth II CHOSE Greece to suffer economic troubles and boost the economies for other countries that attend the cloning centers as REM driven clone versions of themselves, and are loyal to Queen Elizabeth II. This is the reason Australian remains "status quo" so far as the cloning centers are concerned, because the Australian leadership fear that Queen Elizabeth II and the other Illuminati economic vultures would make Australia suffer economic troubles, similar to how Greece is suffering economic troubles for refusing to attend the cloning centers. Seriously, I was there as a REM driven clone at the cloning center when Queen Elizabeth II implemented this decision against Greece.

Queen Elizabeth II as a REM driven clone used MK Ultra (mind control) technology on me when I was activated as a REM driven clone at the cloning center in the past, and she made me run around the cloning center saying and doing horrible things under MK Ultra technology which she, Queen Elizabeth II as a REM driven clone, operated. Queen Elizabeth II as a REM driven clone version of herself, made me say and do these horrible things when I was unwillingly activated as a REM driven clone, so that when the Illuminati's REM driven cloning subculture is fully exposed Queen Elizabeth II and other Illuminati members can drag me down with them.

Queen Elizabeth II (as well as other Illuminati members) as a REM driven clone version of herself, turned my own family against me, when my family members were activated as REM driven clones at the cloning center. As a REM driven clone version of herself Queen Elizabeth II (as well as other Illuminati members) insinuated that I had hit or molested their children; poisoned their pets when the pets died of sickness and other such things to make my own family hate me and not want to help me expose the Illuminati and their REM driven cloning subculture.

When Queen Elizabeth II does not like someone, she has that person grown as a duplicate clone; five months later, Queen Elizabeth will torture that person as a REM driven clone until that person has a heart attack or aneurysm in their original body and dies in real life.

Queen Elizabeth II has also been complicit in the murders of many people in real life. Examples of murders which Queen Elizabeth II has been involved with, includes: Bernie Mac, Diana Spencer Princess of Wales, the indigenous children of Canada, as well as, the murders of the witnesses of the missing Canadian children's case; and Queen Elizabeth II was also an accomplice in the Robert Pickton murders to name a few. In Bernie Mac's murder, Queen Elizabeth II tortured multiple REM driven clones of Bernie Mac for four to five hours continuously until Bernie Mac died in his original (real) body the following day. Queen Elizabeth II murdered Bernie Mac because, Bernie Mac protested against Queen Elizabeth II's REM driven cloning subculture, and Bernie Mac was getting others to follow his lead. In Diana Spencer's murder, Queen Elizabeth II had Princess Diana murdered by shinning the brightest light known to man in the window side of her car; the car swerved and hit the divider, there wasn't any paparazzi. Moreover, Princess Diana survived the fatal accident and was later injected with a high concentration of salt which killed her. Queen Elizabeth II had Princess Diana killed because Princess Diana was going to marry an Arab, Dodi Fayed, and Queen Elizabeth II hates Arabs. In the murder of the indigenous children of Canada, Queen Elizabeth II (and her husband Duke Philip) killed the children as a clone version of herself (Queen Elizabeth II was operating a different type of clone which runs on independent consciousness and not REM frequency) and therefore had a solid alibi of being in England. Queen Elizabeth II then cloned all the witnesses to the Canadian missing children's case who could testify and verify seeing Queen Elizabeth II; Queen Elizabeth II then had the witnesses to the Canadian missing children's case killed one by one, in their original (real) bodies by applying constant electrical currents to their REM driven clones until each witness who could testify to the Canadian missing children's case died.

Furthermore, Queen Elizabeth II had a role to play in the Robert Pickton murders. Queen Elizabeth II hates prostitutes... I do not know why and it is ironic because Queen Elizabeth II is more piggish and vulgar than any prostitute on the planet. Just Queen Elizabeth II's role in the Robert Pickton murders alone should get her hanged. Queen Elizabeth II and the Canadian government were trying to lower the amount of prostitutes on the Canadian streets. Therefore, Queen Elizabeth II (and other Illuminati members) had a man named Robert Pickton start killing the women and feeding the women to pigs on the Robert Pickton farm. Queen Elizabeth II (and other Illuminati members) made sure each woman who died at the hands of Robert Pickton was video recorded; Queen Elizabeth II then watched the Robert Pickton murders, as a REM driven clone version of herself from the cloning centers; she also forced many people, including me, as REM driven clone versions of original people, to watch the Pickton murders on video. Queen Elizabeth II loves watching the Robert Pickton murders and she says she has a "macabre fascination" with death.

Queen Elizabeth II has made many empty promises to me several times as REM driven clone versions of ourselves at the cloning center; she has promised me that she would seize and desist; she has promised that she will announce abdicating the throne publicly; she promised that she will stop activating me as a REM driven clone; however each time I sleep and reach REM sleep, Queen Elizabeth II has my consciousness transferred to my REM driven clone duplicate and then Queen Elizabeth II begs me, and asks me to reconsider joining the Illuminati and tells me nonsense such as "Please reconsider Dun, we love you; you've been with us since childhood; we need you to oversee the musical sphere of our organisation" This is usually when I tell her "NO! Rot in hell! You are a child murdering hag thing; you are a drunk senile pervert and a remarkable pathetic loser!" and then Queen Elizabeth II will use this repetitive monotonous dialogue as an excuse to torture me as a REM driven clone. Queen Elizabeth II uses any excuse to torture me as a REM driven clone.

As REM driven clones, my REM driven clone body will be usually be chained or paralysed before I am activated as a REM driven clone so that I cannot defend myself (REM driven clones can be paralysed at the push of a button on a remote control), and then Queen Elizabeth II as a REM driven clone beats me to death with a bat (in my REM driven clone body); cuts my REM driven clone body with swords; crushes my REM driven clone testicles in her hands... slowly...; bites and chews of my REM driven clones face off like a dog... As a REM driven clone version, Queen Elizabeth II terrorises me in many, many different ways. Queen Elizabeth II really is a remarkable pathetic loser, and as a REM driven clone, Queen Elizabeth II WANTS a reason to be seen and heard in the spotlight at the cloning center, because she is an incredible attention seeker, and therefore she uses the torture of my REM driven clones to be seen and heard in the spotlight at the cloning center and continues to torment me in many different ways, whenever I am unwillingly activated as a REM driven clone at the cloning center.

The shutdown of the cloning centers hinges on **Queen Elizabeth II** and other Royal families and the power (Illuminati) families who attend the cloning centers as REM driven copies of their original selves.

Everyone attending the cloning centers as REM driven clone versions of themselves are scared of Queen Elizabeth II because anyone who speaks up for me gets yelled at and threatened by Queen Elizabeth II's REM driven clone, or another loyal Illuminati member will yell and threaten anyone who speaks up for me at the cloning center. **After** Bernie Mac was murdered at the hands of Queen Elizabeth II from the cloning center, everyone is scared to speak against Queen Elizabeth II as a REM driven clone when they are activated as a REM driven clone at the cloning center. Furthermore, Queen Elizabeth II as a REM driven clone version of herself, at the cloning center has stated "If any public person speaks out, they will die!" Therefore, public figures cannot openly discuss this topic of the Illuminati's REM driven cloning subculture, although many public figures are involved, and know exactly what is going on. Public figures cannot openly warn the populace, because they fear what Queen Elizabeth II and her cronies may do to them for openly voicing their distaste for the Illuminati's REM driven cloning subculture, –so they hint. It is **NOW** up to the ordinary man and woman to end the Illuminati's REM driven cloning subculture. Furthermore, Queen Elizabeth II has a nuclear bomb installed at the cloning centre which she can press at any time to wreck havoc on the world unsuspectingly. Thankfully, I managed to convince Elizabeth not to do such a silly thing. The technological advantages and weaponry at Queen Elizabeth II's disposal is why other REM driven clones at the cloning center follow Queen Elizabeth II's every whim without question.

This is why public figures are depending on the ordinary man and woman as well as a large percent of the populace to voice their distaste for the Illuminati's REM driven cloning subculture and help spread the information regarding the Illuminati's REM driven cloning subculture as far, wide and as fast as possible.

It is imperative this message spreads as far and as quickly as possible because Queen Elizabeth is still cloning the populace's children and she continues to suck on children as REM driven clones at the cloning center. Basically, this is what Queen Elizabeth II does and is currently doing to children who have their consciousness transferred to their REM driven clone alternatives while they sleep. I am sorry if it sounds disgusting but that is generally what the hag (Queen Elizabeth II) does as a REM driven clone of herself at the cloning center. As a REM driven clone, sometimes Queen Elizabeth II tortures random children who are unsuspectingly activated as REM driven clones at the cloning center. It is very surreal. There are hundreds of REM driven clones all sitting in the stands watching, afraid to do anything for fear of what may happen to them at the hands of Queen Elizabeth II; therefore I must tell the world about what this hideous woman is REALLY like, and I must detail the Illuminati's REM driven cloning culture and you the reader, HAVE to be brave enough to spread this message by telling everyone possible about this critical information. The populace MUST shut down the cloning centers. I want to see **Queen Elizabeth II** (the original and NOT ANY of her clones) answer to the world for what she's been doing and allowing others (Illuminati members) to do to the populace.

3SG1 Posts a link regarding Queen Elizabeth II's panties for sale on eBay (TMZ 2012)

3SG1: Donald, what do you think of this?

3SG2: She has got some DEBT!

3SG1: Or do they [the royals] want us to think she has some debt? Or maybe it really is true [that she has some debt]?

DM: Queen Elizabeth II has a secret fortune; she has Swiss Bank accounts and many other assets. Queen Elizabeth II secretly owns many things, including some record companies like Capitol and Universal; Queen Elizabeth II owns big record companies such as those labels...
May 15, 2012 at 5:54pm

Robyn Rihanna Fenty, A.K.A “Rihanna”, Singer

Rihanna attends the cloning center as a REM driven clone version of herself when she goes to sleep, through the process of consciousness transfer from her original body to her duplicate REM driven clone. Rihanna has performed many songs I have made as a REM driven clone version of myself from the cloning center through the process of consciousness transfer from my original body to my duplicate REM driven clone.

The cause of Rihanna's and Chris Brown's public fist-fight (The Smoking Gun 2009) is to do with REM driven cloning. As REM driven clone versions activated at the cloning center, Rihanna tortured Chris Brown's REM driven clone body, because both Rihanna and Chris Brown thought it would be “sexy cool” to torture Chris Brown as a REM driven clone ‘just a little bit’. However, Chris Brown found the torture of his REM driven clone body at the hands of Rihanna too painful, and what was supposed to be “sexy cool” fun as REM driven clones, spilled over into Rihanna's and Chris Brown's real lives, when both woke up from sleep and resumed experiencing life in their original (real) bodies. See Marshall (2016a) *Experiences from the Cloning Center Volume 1* under the content heading: “May 18th 2012; Chris Brown's and Rihanna's fist-fight explained; “REM driven cloning” caused their fist fight” for full details.

Robert Downey Junior, Actor

Robert Downey Junior is an American actor who attends the cloning center as a REM driven clone version of himself when he goes to sleep, through the process of consciousness transfer from his original body to his duplicate REM driven clone.

3SG1: What about Robert Downey Junior? What's he like [as a REM driven clone at the cloning center]?

DM: Robert Downey Junior is a junkie and pretty mean show-off... **July 2, 2012 at 11:12am**

3SG1: Robert Downey isn't a junkie anymore [in real life]... does he do bad stuff or his he ok [as a REM driven clone version at the cloning center]?

DM: Robert Downey Junior is a junkie [in real life] he just says he is not.

Kommentti [C7]: Is he a junkie in real life and as clones, at the cc?

Ron Paul, Former U.S. Congressman

Ron Paul attends the cloning center as a REM driven clone version of himself when he goes to sleep, through the process of consciousness transfer from his original body to his duplicate REM driven clone. I have seen **Ron Paul** as a REM driven clone of himself at the cloning center, when I have been unwillingly activated as a REM driven clone version of myself at the cloning center. Ron Paul sits in the stands of the cloning center as a REM driven clone version of himself, in the front row, behind the hockey boards. As a REM driven clone version of himself, Ron Paul once left his seat at the

cloning center, just to come over and say "Hi" to me when I was unwillingly activated as a REM driven clone, because as a REM driven clone version of himself Ron Paul said "He wanted to meet me".

Russell Tyrone Jones, A.K.A "Ol' Dirty Bastard", was an American Rapper

The rapper Ol' Dirty Bastard called the Illuminati REM driven clones "Heathens" when he was a REM driven clone version of himself at the cloning center, and as a direct result, the Illuminati members had Ol' Dirty Bastard killed for calling them "Heathens".

Selena Gomez, Singer

Selena Gomez attends the cloning center as a REM driven clone version of herself when she goes to sleep, through the process of consciousness transfer from her original body to her duplicate REM driven clone. Selena Gomez has performed many songs I have made as a REM driven clone version of myself from the cloning center through the process of consciousness transfer from my original body to my duplicate REM driven clone.

Shawn Corey Carter, A.K.A “Jay Z”, American Rapper

Jay Z attends the cloning center as a REM driven clone version of himself when he goes to sleep, through the process of consciousness transfer from his original body to his duplicate REM driven clone. Jay Z has performed songs I have made as a REM driven clone version of myself from the cloning center through the process of consciousness transfer from my original body to my duplicate REM driven clone.

Kommentti [C8]: Has Jay Z performed many songs which you have made? Or a few songs?

On the night of May 11th 2012, when I went to sleep, and I was unwillingly activated as a REM driven clone version of myself at the cloning center, there were many people voicing that they wish to leave the Illuminati’s REM driven cloning subculture, and if they are not deactivated as REM driven clone versions of themselves at the cloning center, they will speak publicly about the Illuminati’s REM driven cloning subculture. Among the people who wanted to save himself from being activated as REM driven clone version of himself, at the cloning center, included a REM driven clone version of Jay Z (Beyoncé and Kanye West, were also REM driven clone versions activated at the cloning center).

Furthermore, from the events which transpired at the cloning center, on the night of 11th of May 2012, as a REM driven clone version, Jay Z (Beyoncé and Kanye West, as REM driven clone versions) wanted the world to know that he is leaving the Illuminati’s REM driven cloning subculture and he wants “Donny left alone”. Moreover, as a REM driven clone version of himself, Jay Z (Beyoncé and Kanye West, as REM driven clone versions) wanted the world to know “He will not be torturing me for songs anymore when I am unwillingly activated as a REM driven clone at the cloning center, or participating in the Illuminati’s REM driven cloning subculture”. That was then; Jay Z was just trying to save himself at the time, when he thought the wave of good people against the Illuminati’s REM driven cloning subculture was about to wash over those who attend the cloning center as REM driven clone versions of original people... Jay Z still attends the cloning center as a REM driven clone version of himself, and Jay Z still participates in the Illuminati’s REM driven cloning subculture. See Marshall (2016a) *Experiences from the Cloning Center Volume 1* under the content heading: “May 12th 2012; Time is quickly running out for the Illuminati... continue exposing REM driven cloning” for full details of events which transpired at the cloning center the on the evening of 11th May 2012.

Stephen Harper, Former Prime Minister of Canada

Stephen Harper, Former Prime Minister of Canada attends the cloning center as a REM driven clone version of himself when he goes to sleep, through the process of consciousness transfer from his original body to his duplicate REM driven clone.

As a REM driven clone version of himself at the cloning center, Former Canadian Prime Minister, Stephen Harper does whatever Queen Elizabeth II as a REM driven clone version says, and Stephen Harper as a REM driven clone of himself, follows a REM driven clone version of Queen Elizabeth II's every whim without question, at the cloning center. Stephen Harper is very loyal to The Crown (British Monarchy).

Moreover, Former Canadian Prime Minister, Stephen Harper knows everything there is to know about the conduct of the Robert Pickton murders; Stephen Harper has seen all the video recordings of the Robert Pickton murders as a REM driven clone version of himself at the cloning center and he cheers on as the rest of them do. Robert Pickton killed each victim by smashing each woman in the back of the head with a ball-peen hammer; approximately 38-40 women. All these murders are on video for Former Canadian **Prime Minister, Stephen Harper** and his Illuminati cronies to watch at the cloning center as REM driven clone versions of themselves. Furthermore, as a REM driven clone version of himself at the cloning center, Former Canadian Prime Minister **Stephen Harper and** his Illuminati friends, who are also REM driven clone versions at the cloning center, laugh and cheer as they watch the women die on video, at the hands of Robert Pickton. Many people have watched the Robert Pickton murders as REM driven clone alternatives at the cloning center.

Former Canadian Prime Minister, Stephen Harper knows who I am, and as a REM driven clone version of myself, unwillingly activated at the cloning center, I sang the song "Titanium" performed by David Guetta featuring Sia **(David Guetta 2011)** to Former Canadian Prime Minister Stephen Harper, who was also present at the cloning center, as a REM driven clone version of himself. Accordingly, as a REM driven clone version of himself, Former Canadian Prime Minister Stephen Harper has shot me a few times, when I have unwillingly had my consciousness transferred to my REM driven clone duplicate bodies at the cloning center. Listen to the song "Titanium" and you can clearly hear "being shot" referenced many times. I do not like the song "Titanium" **(David Guetta 2011)**.

Moreover, I was never told by the Illuminati members as REM driven clone versions of themselves where the above ground cloning center is in Canada. However, Former Canadian Prime Minister, Stephen Harper knows the location of the above ground cloning center in Canada, and therefore the public should flood Stephen Harper with questions concerning the location of the above ground cloning center in Canada. Stephen Harper and many high-rank Illuminati members know where the location of the above ground cloning center in Canada is, for which I am an **unwillingly** activated as REM driven clone.

3SG1 Posts a link regarding a Montreal woman who wrote to Queen Elizabeth II to strip Steven Harper of his premiership... (Huffington Post 2012)

DM: Stephen Harper is a very loyal puppet [in other words he does what he is instructed to do]... Stephen Harper is also afraid that once the populace learns about his involvement in the Illuminati's REM driven cloning subculture, the populace will string him from a street light, and lynch him for allowing foreigners or anyone to grow REM driven clone duplicates of Canadian children; transferring the Canadian children's consciousnesses to their REM driven clone duplicates, while the real children are in REM sleep (at home), to be molested, raped, and tortured, as REM driven cloned children, at a remote location far away from the children's homes, for the entertainment of the royals and the most scummy people in the world. Stephen Harper is scared and frantic now... The Illuminati members are all scared and frantic because of me... I told you I would get you Queen Elizabeth II... You should have left me alone [Queen Elizabeth II] while the opportunity lasted. Now you will feel how awful goodness is against evil. May 13, 2012 at 10:19pm

Steven Spielberg, Filmmaker

American movie director Steven Spielberg is an Illuminati member and willingly attends the cloning center as a REM driven clone version of himself when he sleeps, through the process of consciousness transfer from his original body to his REM driven clone duplicate. **Steven Spielberg knows who I am.** As REM driven clone versions of ourselves, at the cloning center, **Steven Spielberg** has discussed movies with me, and told me his life stories at the cloning center.

Thien Thanh Thi Nguyen, A.K.A "Tila Tequila", Television personality

Tila Tequila attends the cloning center as a REM driven clone version of herself; she has attended the cloning centers as a REM driven clone of herself since she was a child. Tila Tequila sold her soul (in other words the use of her REM driven clone) to be used by the Illuminati as a REM driven clone sex slave (whenever she is activated as a REM driven clone by the Illuminati), in exchange for fame and fortune in real life. Tila Tequila does not want to be a REM driven clone sex slave, now.

The Illuminati members punished Tila Tequila when she was activated as a REM driven clone and in real life too, so that other REM driven clone sex slaves at the cloning center would not protest against their situation like Tila Tequila did. Tila Tequila has tortured me as a REM driven clone, and watched the murders of real children on video at cloning center when she was activated as a REM driven clone. As a REM driven clone version of herself, Tila Tequila cheered and stated, “Yeah, we’re evil!!!” when she saw real children being murdered on video at the cloning center.

Furthermore, Tila Tequila was given a brain aneurysm by the Illuminati members, and Illuminati let her survive. The Illuminati could have easily killed Tila Tequila; however, the Illuminati let Tila Tequila survive her brain aneurysm. Since her brain aneurysm, Tila Tequila treads lightly; she was told by the Illuminati members not to publicly mention the word “clone”, “replicated clones” or anything which hints at human cloning. Tila Tequila was also told by Illuminati members, as REM driven clones at the cloning center, “If she mentions “clones” there will be no second chance and she will have her brain swell till she dies, remotely!”

3SG1: I just read something recently about Tila Tequila. Tila was talking about bloodlines and clones. Furthermore, Tila had an aneurysm and learned all this stuff because she was engaged to the daughter of the Johnson and Johnson CEO (Casey Johnson), does this coincide with what you speak of?

DM: Tila knows all about me and the cloning centers. Tila Tequila knows everything I have been telling the world. Tila Tequila as a REM driven clone version of herself hurt my REM driven clone at the cloning centers badly. Here is the scoop on Tila: In order for Tila to get her reality TV show, Tila Tequila had to agree to be a willing REM (sleep) driven clone sex slave for bald and grey haired, rich producers and directors. Tila Tequila also had to participate in the evil done at the cloning centers in return for fame on television as well as other promotional offers. She willingly accepted being a REM driven clone sex slave and slept with rich, dirty, bald and grey haired producers and directors as REM driven clones at the cloning centers. She also willingly participated in evil as a REM driven clone at the cloning centers. However, little did Tila Tequila know that these bald and grey haired, rich producers and directors, as REM driven clone versions of themselves, wanted Tila Tequila to be a REM driven sex slave for the rest of her life... or until Tila Tequila started to get old and uglier and was no longer considered ‘attractive’ by these rich, dirty, bald and grey haired producers and directors as a REM driven clone, at the cloning centers.

After Tila Tequila finished her reality TV show, she didn’t want to be used as a REM driven clone sex slave when she went to sleep by the ugliest, fat, old, and rich perverts the Illuminati could find anymore. The Illuminati members, then started talking down to Tila Tequila as a REM driven clone at the cloning centers, and most likely tortured her REM driven clones at the cloning centers, causing her almost to die in her original body (from the cloning centers). I have never heard about her getting tortured as a REM driven clone at the cloning centers... but the Illuminati do not tell me much anymore as REM driven clones at the cloning centers, because I tell the world everything the Illuminati does now.

DM: Do not spare any sympathy for that cracked up Mexican monkey looking b**** you guys. Tila Tequila is scummy just like the rest of the Illuminati members... Just to be seen by the rich and famous people sitting in the stands as REM driven clones at the cloning centers; Tila Tequila, advanced at me while I was chained and in restraints as a REM driven clone at the cloning center; then Tila Tequila (as a REM driven clone of herself) put a big black scorpion on my REM driven clone, and had the live scorpion sting me on the REM driven clone's shoulder. The venom pulsed through my REM driven clone body instantly like a heartbeat; making my REM driven clone body twitch each time. Tila Tequila was shaking like she knew what she was doing was wrong and couldn't believe she was getting away with it. Give Tila Tequila a lie detector test; an independent lie detector test about REM driven cloning and the cloning centers. Tila Tequila is a rotten whore, for real. I hope she dies.
April 18, 2012 at 2:17pm

3SG1: Wow. Yes. I didn't even know who Tila Tequila was. I just stumbled on Tila Tequila, through randomly browsing YouTube and it was quite the story. I couldn't believe what I was reading but then you (Donald Marshall) came onto the scene with an amazing story I was definitely curious...

DM: I hate Tila Tequila. I hate them all. **April 18, 2012 at 6:29pm**

The Prodigy, English electronic music group

As a REM driven clone version of myself, unwillingly activated at the cloning center, I have MADE songs for The Prodigy, from the cloning center. Furthermore, as a REM driven clone version of myself unwillingly activated at the cloning center, I would freestyle songs from start to finish for The Prodigy. Songs which I have made for The Prodigy as a REM driven clone version of myself from the cloning center include "Firestarter" (The Prodigy 2008b) and "Breathe" (The Prodigy 2008a).

Keith Flint, lead vocalist of The Prodigy

Keith Flint is an English singer and the lead vocalist for The Prodigy. Keith Flint attends the cloning center as a REM driven clone version of himself when he goes to sleep, through the process of consciousness transfer from his original body to his duplicate REM driven clone. Keith Flint knows everything there is to know about me, REM driven cloning, and the Illuminati's REM driven human cloning subculture. Keith Flint is a low level Illuminati member.

Tramar Lacel Dillard, A.K.A “Flo Rida”, hip hop recording artist

Flo Rida attends the cloning center as a REM driven clone version of himself when he goes to sleep, through the process of consciousness transfer from his original body to his duplicate REM driven clone.

Kommentti [C9]: You haven't flat out said Flo Rida attends the cloning center? Does he? Has he or were songs later given to him?

“Good Feeling” (Flo Rida 2011), performed by Flo Rida is about me and the situation with the Illuminati's REM driven cloning subculture. The song “Good Feeling” (Flo Rida 2011) has many references, and when I am a REM driven clone unwillingly activated at the cloning center, I include as many references as I can, in the songs which I make. The second verse of song “Good Feeling” performed by Flo Rida should end as “No quick plays, I'm Bill Gates; Take your **DREAMS** to understand me” because that is how I sang it as a REM driven clone at the cloning center; the last line of the second verse in that song references REM driven cloning, however, as a REM driven clone version of himself, Flo Rida said he changed that part of the song from “dreams” to “genius”. The reader should seek Marshall (2016b, pp. 100 - 101) *Frequently Asked Questions Volume I* under the content headings: “May 16th 2012; Donald Marshall explains the lyrics to the song “Good Feeling” performed by Flo Rida” and “Donald Marshall explains: “Good Feeling” lyrics performed by Flo Rida” for an explanation of how the lyrics should be as I sang it as a REM driven clone at the cloning center.

Moreover, Flo Rida's first independent song, which he made, is titled “Whistle” (The Live Room powered by Warner Music 2012) and that song is a taunt at me; it is about whistle-blowing; in other words “Can Donald Marshall blow the whistle, etc. etc?” –as the repetitive melody chimes. Prior to Flo Rida's first independent self made song “Whistle” (The Live Room powered by Warner Music 2012), as a REM driven clone version of myself unwillingly activated at the cloning center, I made all of the songs which Flo Rida later performed.

Troy Landry, Television personality

Troy Landry attends the cloning center as a REM driven clone version of himself when he goes to sleep, through the process of consciousness transfer from his original body to his duplicate REM driven clone. Halfway through writing the disclosure of the Illuminati's REM driven cloning subculture in 2011 (Donald Marshall Proboards 2012), when I went to sleep that evening, the Illuminati transferred my consciousness to my REM driven clone and introduced me to Troy Landry as a REM driven clone version of himself. Troy Landry is an alligator trapper from Louisiana and

he features on the American reality TV series “Swamp People”. When I met Troy Landry as a REM driven clone version of himself at the cloning center, Troy Landry told me, as REM driven clone versions of himself: “If I send my letter to the public regarding the Illuminati's REM driven cloning subculture, then he would take a power drill to my shin bone and suck the marrow from my [REM driven clone's] bones”.

The procedure of drilling into the shin bone with a power drill is similar to spinal tap, and is one of the WORST forms of torture which can be done to REM driven clones, besides burning people who have had their consciousness transferred to their REM driven clone duplicates. As REM driven clone versions of ourselves, I responded to Troy Landry's comment by telling him "I have no choice but to escape the cloning center", and so, as a REM driven clone version of himself, Troy Landry took the power drill, and drilled into my shin bones, when I was unwillingly activated as a REM driven clone at the cloning center. The experience was excruciatingly painful; all the REM driven clones that were sitting in the stands of the cloning center arena just watched, slacked-jawed. A side effect of REM driven cloning is: as a REM driven clone version, a person is slightly dumber than they normally would be if they were experiencing life in their original bodies, however, as a REM driven clone version, Troy Landry is extremely retarded! Troy Landry is also an insatiable child molester.

In Louisiana, When Troy Landry sees a young boy he likes, in real life, Troy Landry will ask the boy of his name, Troy Landry then proceeds to tell the boy he is "The Alligator Hunter"; Troy Landry then continues by shaking the boy's hand, and after their interaction, Troy Landry then has his paedophile friends at the local cloning center find the boy's blood records to grow multiple duplicate clones of the boy. Five months later, there are numerous REM driven duplicate cloned, fully formed bodies of the boy, for Troy Landry to victimise in terrible ways before the crowd of onlookers. All members of the Illuminati do this; it is just a way of life to them; members of the Illuminati consider themselves 'the privileged people' in the world power organisation. Moreover, almost all of the cast on the reality TV show "Swamp People" attend the cloning center as REM driven clone duplicate versions of themselves **when they go to sleep**. As a REM driven clone version of himself at the cloning center, after Troy Landry put the power drill to my shin bone, when I was unwillingly activated as a REM driven clone; Troy Landry as a REM driven clone, asked me again: "Will I be sending my letter to the public [concerning the Illuminati's REM driven cloning subculture]?" (Donald Marshall Proboards 2012) and I said "Yes" to which Troy Landry replied "I'll do the same to your pelvic bone everyday!" Consequently, every night when I went to sleep and had my consciousness unwillingly transferred to my REM driven clone duplicate, Troy Landry was present as a REM driven clone version of himself at the cloning center, and he took the power drill and applied it to the pelvic area of my REM driven clone body! The pain on my pelvic bone, as a REM driven clone version of myself, was far worse than when Troy Landry as a REM driven clone version of himself, applied the power drill to my shin bone. As a REM driven clone version of myself, unwilling activated at the cloning center, I told Troy Landry as a REM driven clone, "I have no choice but to inform the public [about the Illuminati's REM driven cloning subculture]". Accordingly, after my response, Troy Landry applied a power drill to the pelvic areas of multiple REM driven clone bodies of me each night when I went to sleep, when I unwillingly had my consciousness transferred to my REM driven clone duplicates... and it is the **worst** pain ever... you forget your own name; where you are; all you know is pain; and you beg God or anything to save you from it...

Vladimir Putin, Russian President

Vladimir Putin is a ringleader of the Illuminati; he is a **prime evil** Illuminati member. Vladimir Putin is among one of the worst Illuminati members who attends the cloning center as a REM driven clone version of himself and he is an unbelievable depraved pervert. As a REM driven clone version, Vladimir Putin loves to put the fear of torture and death into people who have their consciousness transferred to their REM driven clone duplicates, but essentially, Vladimir Putin as a REM driven clone version of himself, at the cloning center, is a perverted coward.

Moreover, in their attempts to keep me quiet and stop me disclosing secrets concerning the Illuminati's REM driven cloning subculture, I was once offered Vladimir Putin's daughter, when I was unwillingly activated as a REM driven clone at the cloning center, (among other things), as an incentive to stop disclosing the Illuminati's REM driven cloning subculture, but I refused.

Furthermore, on the night of May 1st 2012, when I went to sleep and I was unwillingly activated as a REM driven clone, I refused German Chancellor's Angela Merkel's offer and incitements to willingly join the Illuminati's REM driven cloning subculture, by telling German Chancellor Angela Merkel (who was a REM driven clone version of herself) to "Go and sit her fat butt down, and I do not know her"; this is when Vladimir Putin as a REM driven clone version of himself at the cloning center, told me as a REM driven clone, "I don't like what you say to Angela. I like Angela."

As a REM driven clone version of himself, Vladimir Putin has attacked and tortured multiple REM driven clone versions of me when I have been unwillingly activated as a REM driven clone at the cloning center, in the past. On the night of 1st of May 2012, when I was unwillingly activated as a REM driven clone, after Vladimir Putin as a REM driven clone, defended Chancellor Angela Merkel (who was a REM driven clone version of herself at the cloning center), Vladimir Putin, as a REM driven clone version of himself advanced towards me when I was in restraints and he stabbed me **three times** in the side of my REM driven clone body, and with the third stab, Vladimir Putin as a REM driven clone version of himself, left the knife in the side of my REM driven clone body...

As a REM driven clone version of himself, Vladimir Putin then threatened me as a REM driven clone, at the cloning center and told me to stop talking about the Illuminati, and their REM driven cloning subculture, while I was still in restraints. Furthermore as a REM driven clone, Vladimir Putin told me, as a REM driven clone version of myself at the cloning center, while I was still in restraints that "I do not know what I am doing!" –so far as fully exposing the Illuminati's REM driven cloning subculture to the public is concerned. Therefore, as a REM driven clone version of myself, unwillingly activated at the cloning center, I replied to Vladimir Putin as a REM driven clone version of himself by telling him "I am getting out of this place [cloning center] one way or another!" See [Marshall \(2016a\)](#) *Experiences from the Cloning Center Volume 1* under the content heading: "May 2, 2012; Angela Merkel Chancellor of Germany, and Vladimir Putin versus Donald Marshall" for full details.

Furthermore, Vladimir Putin is the closest thing to the Anti-Christ on this earth; he is **COMPLETELY** against humanity. Do not fall for the over-hyped, and over sensationalised news stories which glamorises Vladimir Putin; it is all part of a grand deception, which is being orchestrated from behind the scenes as REM driven clones at the cloning center.

Vladimir Putin controls United States President, Barack Obama, and United states President Barack Obama, MUST do as Vladimir Putin says, when he says. United States President, Barack Obama, is Vladimir Putin's tool, to be used by Vladimir Putin, as and how Vladimir Putin pleases. The news stories which glamorises Vladimir Putin, and makes United States President, Barack Obama to be incompetent or the bad guy, is deliberate. It is totally set-up and designed that way; United States President, Barack Obama, and Vladimir Putin, Russian President, discuss these stratagems as REM driven clone versions of themselves at the cloning center, to be executed in real life on the world stage when they are both experiencing life in their original bodies, and not as REM driven clones. United States President, Barack Obama, and Vladimir Putin are as bad as each other, because they are both involved in undermining humanity, and enslaving humanity. However, as it has already been mentioned, United States President Barack Obama is totally controlled, and he must do what other people such as, Vladimir Putin (Queen Elizabeth II, Chinese representatives, Arab representatives, and Israeli representatives) tell him to do, and for this reason I like United States President, Barack Obama a little bit more than I do Vladimir Putin, and they both know this. Vladimir Putin, on the other hand is one of the worst persons on the face of this earth. He is a monster. Place **NO** trust, whatsoever in Vladimir Putin; he is an abuser of the worst kind. Vladimir Putin, will also control whoever wins the upcoming United States Presidential elections, just like the current United States President, Barack Obama is now completely controlled; whoever wins the U.S. Presidential elections is a tool for the Illuminati to use.

Furthermore, as a REM driven clone version of himself, Vladimir Putin likes to have sex with little boys who practice martial arts and have unsuspectingly had their consciousnesses transferred from their original bodies to their REM driven clone duplicates whenever they enter REM sleep, at their homes in bed, for Vladimir Putin as a REM driven clone version of himself to victimise these boys as REM driven clone versions, in terrible, terrible ways at the cloning center. Vladimir Putin is completely evil; as a REM driven clone version of himself at the cloning center, Vladimir Putin has previously beat my mother's head at the cloning center (my mother was also a REM driven clone version of herself). Not even Queen Elizabeth II as a REM driven clone version of herself, will mess with Vladimir Putin as a REM driven clone or go against his word, when they are activated as REM driven clone versions at the cloning center, because this IS how evil Vladimir Putin REALLY is; even Queen Elizabeth II is terrified of him, and if you have read Queen Elizabeth II's profile (in this document), and you realise how terrible Queen Elizabeth II is when she believes she is operating in complete secrecy..., well... Vladimir Putin is a whole differently level of "terrible"; he is a complete and utter evil monster. Avoid Vladimir Putin at all costs.

Whitney Houston, was an American singer

Whitney Houston attended the cloning center as a REM driven clone version of herself through the process of consciousness transfer from her original body to her duplicate REM driven clone when she was alive. In the beginning of Whitney Houston's career, as a REM driven clone version of herself at the cloning center, Whitney Houston had signed a contract with the Illuminati members who were also REM driven clone versions of themselves at the cloning center. The contract more less stated that "Whitney Houston agrees to sell her soul over to the Illuminati members" in exchange for fame; and in practical terms, this meant

Whitney Houston was signing over "the use of her REM driven clone" in exchange for fame, to be used by the Illuminati members in whichever way the Illuminati members wish; whether for sex, torture, death spectacles etc. or anything else the Illuminati members wishes to do with Whitney Houston when she is activated as REM driven clone versions of herself.

Much later in Whitney Houston's career, Whitney Houston did not want anything to do with the Illuminati's REM driven cloning subculture, and she made a fuss as a REM driven clone version of herself at the cloning center. However, Whitney Houston promised she would keep quiet about the Illuminati's REM driven cloning subculture. Furthermore, as a REM driven clone version of herself brought to the cloning center through the process of consciousness transfer, Whitney Houston stated she never wants to be in the spotlight again; she **never** wants to do radio or television; she wanted bygones to be bygones and go her separate way. As REM driven clone versions of themselves activated through the process of consciousness transfer, the Illuminati members were extremely angry! They had bank rolled Whitney Houston over the years, and now, as a REM driven clone version of herself, Whitney Houston was stating that she did not want to be 'friends' with the Illuminati members or ever associate with the Illuminati members ever again. As a direct result of stating she wishes to depart the Illuminati's REM driven human cloning subculture, Whitney Houston was sacrificed by the Illuminati REM driven clones, who applied a constant electric current to Whitney Houston's REM driven clone(s) and Whitney Houston died in her original (real) body as a result of the constant electrical current applied to her REM driven clone because consciousness is linked (Petkova and Ehrsson 2008; Ehrsson 2013). Whitney Houston was pronounced dead on February 11th 2012. The lesson to take from Whitney Houston's experience is: never ever sell your soul, even when such an offer is made as a 'joke'.

Winona Ryder, Actress

Winona Ryder attends the cloning center as a REM driven clone version of herself when she goes to sleep, through the process of consciousness transfer from her original body to her duplicate REM driven clone.

3SG1: What about **Winona Ryder**? Has **Winona Ryder** been to the cloning centers [as a REM driven clone]?

DM: Winona Ryder is nice. She did not act evil as a REM driven clone at the cloning centers. She is one of the nicest persons I've met as a REM driven clone at the cloning centers. **July 2, 2012 at 11:12am**

3SG1: I am not surprised Winona is nice. Does she do f****d up s**t there? Is that [exposure to REM driven cloning] why she stole stuff [in real life] because she's gone a bit cuckoo?

DM: Winona is nice; she cannot do badness there [at the cloning center as a REM driven clone]. Winona Ryder is a good person; the stealing which she did [in real life] was just to get a rush...

Contact Information

Facebook: <https://www.facebook.com/donald.marshall.148>

Press Ctrl+Click (hold “Ctrl” on your keyboard and left “Click” with your mouse, on the image to your right to be taken to my Facebook page).

My Facebook timeline starts from March 2012. All posts are “Public” and therefore newcomers should start reading from March 2012, in order to fully understand the Illuminati’s REM driven cloning subculture and more. You may start reading my Facebook public timeline from May 18th 2012, ONCE you have finished reading each document listed as “Volume 1” in the series.

Donald Marshall Proboards (Forum):

<http://donaldmarshall.proboards.com/board/1/general-board>

There is a “search” function on Proboards, and you can use this function to search for and read all the disclosures I have made regarding REM driven clones, the people involved and more. I understand that it is human nature to want to know which people have been to the cloning centre as REM driven clones; therefore, use the “search” function to read about any public figure which I have already covered that you have an inkling about. You can also post anonymously on Proboards and Celine and other Administrators will transfer your question onto Facebook which I’ll answer.

Donald Marshall Revolution: <http://donaldmarshallrevolution.com/>

Donald Marshall Revolution details a brief overview of the Illuminati’s REM driven cloning subculture; it also gives the viewer the most significant information relating to my disclosures in a small and easily understood style.

Twitter: <https://twitter.com/dmarshalltruth>

Follow me on twitter and help share spread the information regarding the Illuminati and their REM driven cloning subculture.

Email: donny865@hotmail.com

I currently have over 35,000 unread emails in my hotmail inbox, and counting at the address above. I cannot respond to all of these messages, unfortunately, at this present stage of events. It is better to contact me through Facebook and private message me this way. You can also contact **Celine on Facebook**, or leave a message with Celine on the forum (Donald Marshall Proboards) and she will forward your message to me. I really appreciate everyone’s efforts and well wishes.

Kommentti [C10]: @Celine
do you want this or should I just
say people should contact you on
the Forum??

Interviews

Readers can listen to the radio interviews I have done. Listen for consistency; particularly anything which you do not hear me, pronounce clearly for the first time; the best thing to do is to pause the recording at that particular point and replay it. You should also research the statements you do not understand. Sometimes reading helps comprehension a lot faster.

One of the main reasons you should pause and replay the recordings is because: the truth has been kept hidden for so long that a lot of what I discuss in my interviews are beyond most people's current world view; so at some points I may speak too fast for you; my audio / microphone may not be so clear so you may miss what I say etc. Others have also commented on the fact that they pretended 'as if': I was someone from the distant future sent back in time (I am **NOT**); to give important information to the world about highly advanced technologies which currently exist but are hidden and secret and being used against the populace. Under such a premise these people rationalised that they would not understand the information which was being presented to them straight away, and they would have to be patient in order to grasp certain concepts, technical speak, and the highly advanced technologies etc. BEFORE they can grasp the **SERIOUSNESS** of the information presented.

Furthermore, a friend has told me that when he first watched the Vinny Eastwood interview; he did not hear me say the word "scars" (When Vinny asked: 'How do I know I'm the real me?') although he replayed that particular point in the video 8 times. Everything was just beyond his current comprehension, at the time. No matter how many times he replayed that part he really could not hear me say the word "scars" –so he let that part go, and played the rest of the interview, pausing, and replaying points which he did not understand, especially to comprehend whether I was talking about my original body or my REM driven clone duplicate body. He also listened to all my interviews for consistency, to note any 'slip ups', or any parts of my testimonies which do not 'add up'. He would listen to all my interviews, pausing and replaying parts he did not understand and he would reserve his judgements until he felt everything I was saying was for example as ordinary as: 'I woke up today, brushed my teeth, and took the dog for a walk'. He was also patient to realise the truth. After listening to my interviews he would just let it 'sink in'. A week later he would come back and listen to the same interviews, to test whether his comprehension on the topics I discuss has improved, and whether he can understand what I am saying without having to pause and repeat at certain points in my interview; and soon enough he could now hear me say "scars" at that particular point of the Vinny Eastwood interview. He had reached the point where all topics I discuss sounded to him like I'm saying everyday common place stuff that people have heard, such as: 'I woke up today, brushed my teeth, and took the dog for a walk'. For anyone who may struggle to understand the topics I discuss: I strongly recommend you take the above approach as my friend did; soon enough, you too will realise the real truth of the world like he has: REM driven cloning, kept secret and used for sinister purposes.

I cannot say the following is true for everybody, however, an unproductive venture a complete newcomer can do is to listen to my interviews first time, all the way through, without pausing or replaying parts which they do not fully understand; if you do this, and if there is just a single part of my interviews which does not make sense to you; this will interfere with your understanding of the entire interview.

Remember, all I am discussing is technology, thousands of years advanced compared to what you currently use; available today, hidden and secret. If things start to get too complex for you, reduce it to its bare minimums: (advanced) science and technology. I hope that helps.

Another thing which I do in my interviews, that friends have picked up on, is:- because REM driven cloning has been my reality for many years; I don't differentiate between my original body and my REM driven clone body. I just say: I did this, I did that, and Elizabeth did this and that, therefore it can become very confusing for newcomers. Please bear with me.

As I have explained in Marshall (2016b) "Volume 1: Frequently Asked Questions", the experience of REM driven cloning is that a person LITERALLY goes to sleep in their original body, only to be activated by the Illuminati members as a REM driven clone, 90 -110 minutes after first falling asleep, to experience the SAME earth the person left behind when he / she went to sleep in their original body, CLEAR as daylight. When the person wakes up from sleeping, their REM driven clone drops "limp noodle" –and a person goes from having an experience on the SAME earth CLEAR as daylight in a REM driven clone body, to waking up and experiencing the same world, now in their original body CLEAR as daylight... –the **same** consciousness inhabits both bodies. Therefore and naturally, because I am experiencing the same world, with a CLARITY, in a body much similar to mine (a REM driven clone body), and because I am still "me", because it is my consciousness which resides in the REM driven clone body, and it is the same consciousness when I am experiencing the world in my original body, when I wake up from sleep; and because in each case my consciousness includes the experiences, knowledge and memories which makes me, "me" in each body: REM driven clone body or my original body; I naturally do not differentiate between my REM driven clone version, and my original body as an outsider discussing this topic and these concepts would. I understand it helps comprehension and therefore I have painstakingly done this throughout this document. Consequently, please bear with me. Everything becomes easily understood once the reader gets over this hurdle.

I hope this helps; and I hope this helps to better understand my disclosure as well as the interviews which I have done. On the next page you can find the links to my interviews. You can copy and paste the links to your web browser or press Ctrl+Click – (hold "Ctrl" on your keyboard and left "Click" with your mouse, on the images below) to direct you to the interviews.
